

Science Camp 2009

Center for Restructuring Education in Science and Technology

A university day camp offering exciting science exploration for students entering grades 5, 6, or 7

June 22 - July 2

Motor Mania

Student scientists will:

- Investigate automotive engineering and safety
- Design, build, and test models
- Use multiple forms of technology
- Participate in a Grand Prix Challenge
- Visit scientists in their labs

Hours: 9:00 AM–3:00 PM. Students bring their lunch or purchase lunch in Mason's Food Court.

Staff: Teachers in Mason's Education Programs

Cost: \$600 for 9 days of camp. Non-refundable deposit of \$100 required to hold space in the session. Balance due June 1, 2009. Space limited to 24 students on a first-come, first-served basis.
