

Science Camp 2003

Center for Restructuring Education in Science and Technology (CREST)

A university day camp offering exciting science exploration for students entering grades 5, 6, or 7

Session 1
June 23 - July 3

Weather Tamers

Student scientists will:

- Investigate natural disasters
- Design, build, and test models
- Explore engineering and technology
- Visit scientists in their labs

Session 2
July 7 - 18

Medical Mysteries

Student scientists will:

- Explore medical phenomena
- Investigate survival
- Use multiple forms of technology
- Visit scientists in their labs

Hours: 9:00 AM–3:00 PM. Students bring their lunch or purchase lunch in GMU's Food Court.

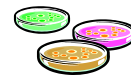

Staff: Teachers in GMU's Education Programs

Cost: Session 1 (9 days) \$450 Session 2 (10 days) \$500 Both sessions \$900

Non-refundable deposit of \$100 required to hold space for each session.

Balance due June 2, 2003.

Space limited to 24 students per session on a first-come, first-served basis.

Information: Call CREST at 703 993-2043, email jmatkins@gmu.edu, or see our website
