

Science Camp 2007

Center for Restructuring Education in Science and Technology (CREST)

A university day camp offering exciting science exploration for students entering grades 5, 6, or 7

Session 1
June 25 - July 6
 (no camp on July 4)

Dig It! 

Adventures in Archeology

Student scientists will:

- Find and analyze artifacts
- Investigate archeological data
- Explore links between science and culture
- Visit scientists in their labs

Session 2
July 9 – 20

Crime Solvers 

Student scientists will:

- Participate in a new crime mystery
- Explore forensic technology
- Investigate biological, chemical, and physical data
- Visit scientists in their labs

Hours: 9:00 AM–3:00 PM. Students bring their lunch or purchase lunch in Mason’s Food Court.

Staff: Teachers in Mason’s Education Programs

Cost: Session 1 (9 days): \$550 Session 2 (10 days): \$600 Both sessions: \$1100
 Non-refundable deposit of \$100 required per session to hold a space.
 Balance due June 1, 2007.
 Space limited to 24 students per session on a first-come, first-served basis.
