Last Name______________________________________ First Name__________________________________________ M.I.__________

Student G# ______________________________________

Student’s Signature____________________________________ Date________________________

You must be currently enrolled in a concentration offered under the same program of study as your new concentration.

Current Concentration __________________________________________________________________________________________

New Concentration __________________________________________________________________________________________

*Example: If you are changing from a Secondary Education Physics concentration to a Secondary Education Science concentration.

APPROVAL: Department Use Only:

Major Code: ____________ Concentration Code: ____________ New Concentration Code: ____________

Academic Advisor: ___________________________________________ Date: __________________________

Academic Program Coordinator: ______________________________________ Date: ____________________

Associate Dean: ___________________________________________ Date: ____________________________
CHANGE IN GRADUATE CONCENTRATION

Purpose: To change concentrations within the same program of study (e.g., Secondary/English to Secondary/History; Counseling and Development/Community Agency to Counseling and Development/School Counseling)

Instructions: Students must complete the form and obtain the proper signatures. The following signatures are needed for approval:

- Academic Advisor
- Academic Program Coordinator
- Associate Dean for Academic & Student Affairs (Dr. Ellen Rodgers)

Notes: Students who would like to change from a Masters of Education in Curriculum and Instruction, with a concentration in Multilingual and Multicultural Education, to English as a Second Language do not use this form. Instead, they should contact the CEHD Admissions Office at 703.993.3832 or cehdgrad@gmu.edu.
