

**College of Education and Human Development  
Division of Special Education and disAbility Research**

Spring 2020

EDSE 502 659: Classroom Management and Applied Behavior Analysis

CRN: 21896, 3 – Credits

<b>Instructor:</b> Dr. Ronald Pannell	<b>Meeting Dates:</b> 3/12/2020 – 5/14/2020
<b>Phone:</b> 703.408.6185	<b>Meeting Day(s):</b> Thursday
<b>E-Mail:</b> <a href="mailto:rpannell@gmu.edu">rpannell@gmu.edu</a>	<b>Meeting Time(s):</b> 4:30 pm – 9 pm
<b>Office Hours:</b> Thursday's at 4 p.m.	<b>Meeting Location:</b> PWCS Old Admin. Building
<b>Office Location:</b> PWCS Old Admin. Building; Room 203	<b>Other Phone:</b> 703.791.7467

- ❖ **Note:** This syllabus may change according to class needs. Teacher Candidates/Students will be advised of any changes immediately through George Mason e-mail and/or through Blackboard.

**Prerequisite(s):** None

**Co-requisite(s):** None

**Course Description**

Focuses on identifying, recording, evaluating, and changing social and academic behaviors of special and diverse populations. Explores theories of classroom management and various approaches to management, including use of technological advances. Emphasizes developing classroom and individual behavior management plans. Note: Field experience required.

**Advising Contact Information**

Please make sure that you are being advised on a regular basis as to your status and progress in your program. Students in Special Education and Assistive Technology programs can contact the Special Education Advising Office at 703-993-3670 or [speced@gmu.edu](mailto:speced@gmu.edu) for assistance. All other students should refer to their assigned program advisor or the Mason Care Network (703-993-2470).

**Advising Tip**

Did you know that Mason email is the primary method of communication used by university offices including those arranging internships, reviewing records for graduation, etc.? Check your Mason email regularly: <http://masonlive2.gmu.edu/>.

## **Course Delivery Method**

Learning activities include the following:

1. Class lecture and discussion
2. Application activities
3. Small group activities and assignments
4. Video and other media supports
5. Research and presentation activities
6. Electronic supplements and activities via Blackboard

## **Learner Outcomes**

Upon completion of this course, teacher candidates/students will be able to:

1. Define behavior change terminology and principles of applied behavior analysis.
2. Given characteristics and behaviors of students with disabilities, identify ways to acquire indirect and direct assessments to identify corresponding antecedents and consequences of the behavior/s as well as the behavior's function (i.e., Functional Behavior Assessment).
3. Based on information from a Functional Behavior Assessment, design a comprehensive behavior change program, and describe how school teams collaborate for the functional behavior assessment and behavior change program.
4. Design behavior management techniques for making positive changes in students' academic, social, and/or affective behavior, including ethical use of a continuum of techniques, starting with proactive, preventative, and least intrusive techniques.
5. Describe how to determine reinforcers and use varied schedules of reinforcement responsive to the needs of individual students.
6. Write accurate behavioral objectives for a wide range of behaviors that include all components: learner, conditions, observable behavior, and degree/criteria statements.
7. Describe data collection procedures that match observable behaviors and how to use data to make decisions about the effectiveness of interventions.
8. Describe how to develop and use single subject research designs.
9. Explain when and how to use maintenance and generalization techniques.
10. Design learning environments that support and enhance instruction.
11. Describe how to create a safe, positive, supportive environment which values diversity.
12. Demonstrate knowledge of modifying the learning environment (e.g., schedule, physical arrangement, routines) to prevent and manage inappropriate behaviors.
13. Describe strategies for promoting self-management.
14. Describe components of the SchoolWide Positive Behavior Intervention Support (SW-PBIS) model.
15. Given a school's discipline model, identify what distinguishes that model from the SW-PBIS model, and provide recommendations to align the school's model with SW-PBIS.
16. Describe parsimonious and comprehensive classroom management methods.
17. Describe how to identify and teach social skills needed for educational and other environments.
18. Describe ethical considerations when selecting behavior management methods, including a rationale for selecting positive reinforcement procedures over other procedures, conditions under which punishment-based procedures would be appropriate, and teacher

- attitudes and behaviors which can positively or negatively influence student behavior.
19. Identify and describe the crisis cycle and methods for crisis prevention.
  20. Identify crisis intervention training programs (i.e., leads to certification as crisis management specialist).

### **Professional Standards**

(Council for Exceptional Children (CEC), Interstate Teacher Assessment and Support Consortium (InTASC). Upon completion of this course, students will have met the following professional standards: CEC Standard 1: Learner development and individual learning differences (InTASC 1,2); CEC Standard 2: Learning environments (InTASC 3); CEC Standard 4: Assessment (InTASC 6); CEC Standard 5: Instructional planning and strategies (InTASC 7,8); CEC Standard 6: Professional learning and ethical practice (InTASC 9) & CEC Standard 7: Collaboration (InTASC 10).

### **Evidence-Based Practices**

This course will incorporate the evidence-based practices (EBPs) relevant to developing safe, effective learning environments, positive behavioral interventions and supports, and functional behavioral assessments/behavioral plans. Evidence for the selected research-based practices is informed by meta-analysis, literature reviews/synthesis, the technical assistance networks which provide web-based resources, and the national organizations whose mission is to support students with disabilities. We address both promising and emerging practices in the field of special education. This course will provide opportunities for teacher candidates/students to take an active, decision-making role to thoughtfully select, modify, apply, and evaluate EBPs in order to improve outcomes for students with disabilities.

### **Required Textbooks**

Alberto, P. A., & Troutman, A. C. (2017). *Applied behavior analysis for teachers* (9<sup>th</sup> ed.). Upper Saddle River, NJ: Merrill Prentice Hall.

Scheurmann, B. K., & Hall, J. A. (2016). *Positive behavioral supports for the classroom* (3<sup>rd</sup> ed.). Upper Saddle River, NJ: Merrill Prentice Hall.

*\*Please purchase the editions with the dates shown in parentheses. Do not purchase or plan to use previous editions.*

### **Recommended Textbooks**

American Psychological Association. (2019). *Publication manual of the American Psychological Association* (7th ed.). Washington, DC: Author.

### **Course Performance Evaluation**

Students are expected to submit all assignments on time in the manner outlined by the instructor (e.g., Blackboard, Tk20, hard copy).

### **Tk20 Performance-Based Assessment Submission Requirement**

It is critical for the special education program to collect data on how our students are meeting accreditation standards. Every teacher candidate/student registered for an EDSE

course with a required Performance-based Assessment (PBA) is required to upload the PBA to Tk20 (regardless of whether a course is an elective, a one-time course or part of an undergraduate minor). A PBA is a specific assignment, presentation, or project that best demonstrates one or more CEC, InTASC or other standard connected to the course. A PBA is evaluated in two ways. The first is for a grade, based on the instructor's grading rubric. The second is for program accreditation purposes. Your instructor will provide directions as to how to upload the PBA to Tk20.

For EDSE 502, the required PBA is Functional Behavior Assessment and Behavior Intervention Plan. Please check to verify your ability to upload items to Tk20 before the PBA due date.

### **Assignments and/or Examinations**

#### **Performance-based Assessment (Tk20 submission required)**

##### Functional Behavior Assessment

- In an effort to identify the function of problem behavior(s) of a particular student, you will gather information about this student and his/her behavior. More information about this assignment (including a grading rubric) can be found on Blackboard and should be thoroughly reviewed prior to beginning the assignment.

##### Behavior Intervention Plan

- Based on the information you gathered in the FBA and the hypothesis you have made about the function of the problem behavior(s), you will write a Behavior Intervention Plan. More information about this assignment (including a grading rubric) can be found on Blackboard and should be thoroughly reviewed prior to beginning the assignment.

#### **College Wide Common Assessment (TK20 submission required)**

None.

#### **Performance-based Common Assignments (No Tk20 submission required)**

##### Comparison of School Discipline/Behavior Plans

- For this assignment, you will obtain the discipline plan from a school. Consider the “plan” as the document provided to parents, students, and teachers at the beginning of the school year. Within this document, the school’s rules, approach to reinforcing and enforcing rules, consequences for infractions, and other relevant information is described. Most schools have these documents readily available for parents and students on the school web site. Avoid accessing the school system’s handbook. Because you will be comparing a school’s procedures to the SchoolWide Positive Behavior Intervention Supports, a school plan is needed.
- Your task is to compare and contrast your selected school’s plan to the Positive Intervention and Support (PBIS) model and report your findings. More information about this assignment (including a grading rubric) can

be found on Blackboard and should be thoroughly reviewed in advance and prior to beginning the assignment.

### Classroom Management Plan

- The purpose of this project is to develop a comprehensive classroom management plan that involves preventative planning and instructional management strategies to support the academic and behavioral needs of a diverse classroom. Components of the classroom management plan include a self-assessment, environmental engineering, assessment of active student engagement, continuum of consequences, and behavior management philosophy. You will report on your own classroom management features or observe a general education co-taught setting (must be classroom where students with disabilities are educated) if you are not currently teaching in a school setting. More information about this assignment (including a grading rubric) can be found on Blackboard and should be thoroughly reviewed in advance and prior to beginning the assignment.

### Field Experience Requirement

A field experience is a part of this course. A field experience includes a variety of early and ongoing field-based opportunities in which candidates may observe, assist, and/or tutor. Field experiences may occur in off-campus settings, such as schools (CAEP, 2016). Below are REQUIRED PROCEDURES FOR ALL STUDENTS ENROLLED IN THIS COURSE.

1. Complete the online EDSE Field Experience form. This online form will be sent to your GMU email from EDSEfld@gmu.edu on the first day of the semester. Click on the link and complete the form as soon as possible. ALL students should complete the form, regardless of whether you need assistance in locating a field experience placement or not. This information is required by the state. Please direct any questions about the form to Dr. Kristen O'Brien at EDSEfld@gmu.edu.

If you are arranging your own field experience because you are a full-time contracted school system employee and will complete the field experience at your worksite, you will be asked to specify the school at which you will be completing the field experience.

If you request a field experience placement to be arranged, you will receive information via your GMU email account about your assigned internship placement from the Clinical Practice Specialist in the College's Educator Preparation Office (EPO). Check your GMU email regularly for important information regarding your field experience. Follow all instructions for the necessary Human Resource (HR) paperwork required to access the assigned field

experience placement.

2. View the EDSE Field Experience Introduction presentation. On the first week of classes and prior to representing George Mason in off-campus settings, your instructor will show a video presentation or provide a link to the presentation, which includes important information about the registration process for EDSE field experiences and tips for a successful field experience. After the presentation, sign the document provided by your instructor to indicate that you have watched the presentation and are aware of the EDSE field experience professionalism expectations.

3. Document your field experience hours. Your instructor will provide you with access to field experience documentation forms to use. There are two different field experience documentation forms – one for those completing field experience at their worksite and one for those completing field experiences in other classroom settings (e.g., GMU arranged a placement for you). Use the form that is most appropriate for your field experience placement. Your instructor will provide more directions on how to use and submit the documentation form.

4. Complete the field experience end-of-semester survey. Towards the end of the semester, you will receive an email from EDSEfld@gmu.edu with a link to an online survey. This brief survey asks you to report about important features of your field experience placement.

5. Students must be able to perform the essential functions of the practicum site assigned with or without an accommodation. Contact Disability Services (ods@gmu.edu) for questions related to accommodations.

### **Other Assignments**

Discussion Guides (10 at 1 point each/10 points):

- For each set of readings identified for selected class session, a corresponding Discussion Guide is completed. The format and purpose of the Discussion Guide (DG) will be sent in advance of the course to all registered students so that the DG can be completed for Class 1 readings. The Discussion Guides are one way students prepare to engage in discussions about content read for that class session. More discussion about the DGs will be provided during Class 1. The DG for Class 1 will be a summary of the class discussion.

**Course Policies and Expectations  
Attendance/Participation**

Course Requirements and Evaluation		Due Date
Weekly Attendance and Participation	10 points	
Discussion Guides (one for every set of readings except for the first class session, which is a reflection of class discussion)	10 points	At the beginning of each class session
Comparison of School Discipline Plans	20 points	3/26/2020
Classroom Management Plan	45 points	4/2/2020
Functional Behavior Assessment (Tk20 submission required)	55 points	4/23/2020
Behavior Intervention Plan (Tk20 submission required)	60 points	5/7/2020
Total	170 points	

**Late Work**

Assignments are due at the start of class on the date indicated on the syllabus. Five points will be deducted for every 24 hours an assignment is late. After two weeks from the due date, assignments will not be accepted. The point deductions will be made after the grading is complete.

**Grading Scale**

- 95 - 100% (161 – 170) = A+
- 94 - 90% (153 – 160) = A
- 89 - 85% (144 – 152) = B+
- 85 - 80% (136 – 143) = B
- 70-79% (119 – 135) = C
- < 69% (< 118) = F

**\*Note:** The George Mason University Honor Code will be strictly enforced (see <https://oai.gmu.edu/> and <https://catalog.gmu.edu/policies/honor-code-system/>). Students are responsible for reading and understanding the Code. “To promote a stronger sense of mutual responsibility, respect, trust, and fairness among all members of the George Mason University community and with the desire for greater academic and personal achievement, we, the student members of the university community, have set forth this honor code: Student members of the George Mason University community pledge not to cheat, plagiarize, steal, or lie in matters related to academic work.” Work submitted must be your own new, original work for this course or with proper citations.

**Professional Dispositions**

Students are expected to exhibit professional behaviors and dispositions at all times. See <https://cehd.gmu.edu/students/polices-procedures/>. Students are expected to exhibit professional behaviors and dispositions at all times. In the College of Education and Human Development, dispositions are formally and separately evaluated in at least two points in each student’s program – a self-evaluation at the start of their program, and a university supervisor’s evaluation during internship. In special education licensure programs, the self-evaluation is an online survey distributed via email upon program entry for graduate students and within initial courses (EDSE

241, EDSE 361, and EDSE 311) for undergraduate students. When dispositions are assessed, it is important that for areas where a positive disposition is ‘occasionally evident’ or ‘rarely evident,’ the student takes steps to grow as an educator. See <https://cehd.gmu.edu/epo/candidate-dispositions>.

### Class Schedule

\*Note: Faculty reserves the right to alter the schedule as necessary, with notification to students.

Date	Concepts	Readings	Assignments Due
3/12/2020	Course overview of requirements  Prevention through Schoolwide Positive Behavior support  Setting up for success: Classroom rules, routines, and procedures	Review Syllabus and Blackboard  Research Articles: SWPBIS Tiered Fidelity  Articles will be distributed in class	<b>Reaction Activity (Discussion Guide) 1 (in class, 2 pts.)</b>
3/19/2020	Principles of ABA; Foundations of Behavior Management; Theoretical Models to Explain Challenging Behavior  Prevention through Classroom Planning, Organization, and Quality Classroom Instruction (Part 1)	Scheuermann & Hall Chapters 1, 2 <b>or</b> Alberto & Troutman Chapters 1 and 2	<b>Discussion Guide 2</b>  <b>Comparison of School SWPBIS Tiered Fidelity Inventory</b>
3/26/2020	Prevention through Classroom Planning, Organization, and Quality Classroom Instruction (Part 2)  Functional Behavior Assessments – Introduction	Scheuermann & Hall Chapters 5, 6 Alberto & Troutman Chapter 2	<b>Discussion Guide 3</b>
4/2/2020	Operationalize behavior, operant conditioning to change behaviors	Scheuermann & Hall Chapters 4 and 7	<b>Discussion Guide 4</b>

	Prevention through Behavioral and Academic Monitoring		<b>Classroom Management Plan</b>
4/16/2020	Functional Behavior Assessments – Developing a hypothesis for behavior change	Scheuermann & Hall Chapter 3 Alberto & Troutman Chapter 4 Functional Behavior Assessment	<b>Spring Break; Discussion Guide 5 due electronic submission</b>
4/23/2020	Functional Behavior Assessments – Developing a hypothesis for behavior change  Linking FBA to Behavior Intervention Plans (BIP)	Scheuermann & Hall Chapter 8 Alberto & Troutman Chapters 7, 8 Functional Behavior Assessment	<b>Discussion Guide 6 Tk20 submission required: Functional Behavior Assessment</b>
4/30/2020	Data Collection Procedures, Graphing Data; Single Subject Research Designs  Behavior Intervention Plan	Scheuermann & Hall Chapter 9 Alberto & Troutman Chapters 5, 6	<b>Discussion Guide 7</b>
5/7/2020	Description, procedures, and ways to differentiate evidence-based practices  Behavior Intervention Plan	Scheuermann & Hall Chapter 10 Alberto & Troutman Chapters 9, 11	<b>Discussion Guide 8</b>
5/14/2020	FBA/BIP: Putting It Together Reinforcements for Generalization and Self-Monitoring, Social skills	Scheuermann & Hall Chapter 11 Alberto & Troutman Chapter 13	<b>Discussion Guide 9 Tk20 submission required: Behavior Intervention Plan</b>

### **Core Values Commitment**

The College of Education and Human Development is committed to collaboration, ethical leadership, innovation, research-based practice, and social justice. Students are expected to adhere to these principles: <http://cehd.gmu.edu/values/>

### **GMU Policies and Resources for Students**

#### **Policies**

- Students must adhere to the guidelines of the Mason Honor Code (see <https://catalog.gmu.edu/policies/honor-code-system/> ).
- Students must follow the university policy for Responsible Use of Computing (see <http://universitypolicy.gmu.edu/policies/responsible-use-of-computing/>).
- Students are responsible for the content of university communications sent to their Mason email account and are required to activate their account and check it regularly. All communication from the university, college, school, and program will be sent to students **solely** through their Mason email account.
- Students with disabilities who seek accommodations in a course must be registered with George Mason University Disability Services. Approved accommodations will begin at the time the written letter from Disability Services is received by the instructor (see <https://ds.gmu.edu/>).
- Students must silence all sound emitting devices during class unless otherwise authorized by the instructor.

#### **Campus Resources**

- Support for submission of assignments to Tk20 should be directed to [tk20help@gmu.edu](mailto:tk20help@gmu.edu) or <https://cehd.gmu.edu/aero/tk20>. Questions or concerns regarding use of Blackboard should be directed to <https://its.gmu.edu/knowledge-base/blackboard-instructional-technology-support-for-students/>.

#### **Notice of mandatory reporting of sexual assault, interpersonal violence, and stalking:**

- As a faculty member, I am designated as a “Responsible Employee,” and must report all disclosures of sexual assault, interpersonal violence, and stalking to Mason’s Title IX Coordinator per University Policy 1202. If you wish to speak with someone confidentially, please contact one of Mason’s confidential resources, such as Student Support and Advocacy Center (SSAC) at [703-380-1434](tel:703-380-1434) or Counseling and Psychological Services (CAPS) at [703-993-2380](tel:703-993-2380). You may also seek assistance from Mason’s Title IX Coordinator by calling [703-993-8730](tel:703-993-8730), or emailing [titleix@gmu.edu](mailto:titleix@gmu.edu).

- For information on student support resources on campus, see <https://ctfe.gmu.edu/teaching/student-support-resources-on-campus>.
- For additional information on the College of Education and Human Development, please visit our website <http://cehd.gmu.edu/>.

**Appendix**  
**Assessment Rubric(s)**

**FUNCTIONAL BEHAVIOR ASSESSMENT (FBA)**

	<b>Does Not Meet Expectations</b> <b>1</b>	<b>Meets Expectations</b> <b>2</b>	<b>Exceeds Expectations</b> <b>3</b>
<b>FUNCTIONAL BEHAVIOR ASSESSMENT</b>			
<b>Student Description</b>  <i>CEC/IGC Standard 1 ISCI 1 K11</i>	<ul style="list-style-type: none"> <li>• Candidate provides partial demographic and background information, giving only a limited view of the context of student behavior.</li> <li>• Candidate has limited discussion of educational impact.</li> </ul>	<ul style="list-style-type: none"> <li>• Candidate discusses the demographic and background information related to the target student inclusive of the educational impact of student’s mild to moderate exceptional condition, attitude, interests, values, and behavior issues.</li> </ul> <i>ISCI 1 K11</i>	<ul style="list-style-type: none"> <li>• Candidate discusses the demographic and background information related to the target student inclusive of:               <ul style="list-style-type: none"> <li>○ the educational impact of student’s mild to moderate exceptional condition, attitude, interests, values, and behavior issues, and</li> <li>○ the effect these conditions can have on the student’s life and learning.</li> </ul> </li> <li>• Candidate provides an in-depth profile of the target student.</li> </ul>
<b>Overview of Setting Context</b>  <i>CEC/IGC Standard 2</i>	<ul style="list-style-type: none"> <li>• Candidate provides a description of the classroom in which the target behavior occurs but does not examine the impact of the learning environment on behavior management.</li> </ul>	<ul style="list-style-type: none"> <li>• Candidate describes the classroom in which the target behavior occurs and examines the impact of the learning environment on behavior management.</li> </ul> <i>CEC/IGC Standard 2 ISCI 2 K1</i>	<ul style="list-style-type: none"> <li>• Candidate describes the classroom in which the target behavior occurs and examines the impact of the learning environment on behavior management for the target student, peers, and adults.</li> </ul>

<p><i>CEC/IGC Standard 2 ISCI 2 K1</i></p>	<ul style="list-style-type: none"> <li>● Candidate evaluates the classroom learning environment context with details missing in terms of how well the teacher has created a safe, equitable, positive learning environment in which diversity is valued.</li> </ul>	<ul style="list-style-type: none"> <li>● Candidate evaluates the classroom learning environment context (e.g., physical layout of the classroom, design and management of daily routines, schedule and classroom rules, and demands of the learning environment) in terms of how well the teacher has created a safe, equitable, positive learning environment in which diversity is valued.</li> </ul> <p><i>CEC/IGC Standard 2 ISCI 2 S1</i></p>	<ul style="list-style-type: none"> <li>● Candidate evaluates the classroom learning environment context (e.g., physical layout of the classroom, design and management of daily routines, schedule and classroom rules, and demands of the learning environment) in terms of how well the teacher has created a safe, equitable, positive learning environment in which diversity is valued.</li> <li>● Candidate analyzes the classroom learning environment context in relation to basic classroom management theories and strategies for learners with mild to moderate exceptional learning needs.</li> </ul>
<p><b>Indirect Assessment of Behavior (Interview)</b></p> <p><i>CEC/IGC Standards 2 &amp; 4</i></p> <p><i>CEC/IGC Standard 2 ISCI S 4 S 4</i></p> <p><i>CEC/IGC Standard 2 ISCI 2 S6</i></p>	<ul style="list-style-type: none"> <li>● Candidate does not sufficiently collaborate with and interviews family and/or professionals who have knowledge of the learner.</li> <li>● The candidate’s interview data does not contribute to an understanding of the behavior.</li> </ul>	<ul style="list-style-type: none"> <li>● Candidate collaborates with and interviews family and/or professionals who have knowledge of the learner.</li> <li>● Explore development and/or modifications of individualized indirect assessment strategies.</li> </ul> <p><i>CEC/IGC ISCI 4 S 4</i></p> <ul style="list-style-type: none"> <li>● Based on the interview, the candidate collects data on: <ul style="list-style-type: none"> <li>○ context of the behavior (setting events, antecedents, consequences), and</li> <li>○ realistic expectations of the family and/or professionals.</li> </ul> </li> <li>● Candidate identified ways to collect data on cultural influences</li> </ul>	<ul style="list-style-type: none"> <li>● Candidate collaborates with and interviews family and/or professionals who have knowledge of the learner. Based on the interview, the candidate collects data on: <ul style="list-style-type: none"> <li>○ context of the behavior (setting events, antecedents, consequences),</li> <li>○ learner reinforcement preferences, and</li> <li>○ realistic expectations of the family and professionals.</li> </ul> </li> <li>● Candidate also collects data on the behavior.</li> <li>● Candidate collects data any cultural influences that could contribute to an understanding of the behavior (as applicable).</li> </ul>

		<p>that could contribute to an understanding of the behavior (as applicable).</p> <ul style="list-style-type: none"> <li>Family and/or professional's input and concerns are documented.</li> </ul>	<ul style="list-style-type: none"> <li>Family input and/or professional's input and concerns are documented.</li> <li>The interview data consistently support the direct assessment of the learner behavior.</li> </ul>
