Course Description
A 12-month internship experience is required in a variety of administrative settings with the guidance of an onsite administrator and the University advisor. Some field activities of the internship are integrated into the first 18 academic graduate hours of the program. The focus of all internships is to prepare leaders who understand and demonstrate (a) professional and ethical leadership, (b) strategic leadership, (c) instructional leadership, (d) organizational leadership, and (e) political and community leadership.

Course Expectations and Requirements

1. The Intern will understand and demonstrate:
   - Professional and ethical leadership
   - Strategic leadership
   - Instructional leadership
   - Organizational Leadership
   - Political and community leadership

2. The intern will maintain up-to-date records, including internship hours verification; frequent reflective journal entries demonstrating growth and understanding; and artifacts of accomplishments.

3. The intern will implement the internship plan (previously approved in EDLE 610)

4. Each intern will complete all required and elective experiences, resulting in a minimum of 270 hours. Experiences should include a balance of activities, some of which will be outside of the primary area of assignment. It is required that experiences be completed and described in the reflective journal in at least three of the four areas of assignment (high, elementary, middle, and/or central office.)
5. Monthly report will be sent to your advisor: email a copy of your monthly intern log of hours and two of your reflective journal entries no later than the 10th of each month.

6. Participation in at least one intern meeting per semester

7. Completion of collective record – the completion of the collective record is an ongoing and culminating part of the internship experience.

8. It is strongly suggested that the intern schedule and participate in a mid-term performance review with the intern supervisor/principal. Written feedback (You can use of the final evaluation form found in the Internship Manual for both the mid-term as well as the final evaluation) from this meeting will be used in our individual mid-internship conferences.

9. Submission of “Evaluation of Student Intern” form completed by the supervisor/principal at end of internship.

10. Presentation of collective record to university supervisor upon completion of all requirements. An individual meeting will be conducted to discuss the record and internship experiences prior to completion of the course.

NOTE: these requirements are explained in greater detail in the Internship Manual.

* Failure to meet any of these requirements will result in a failing grade or an extension of the internship (which may include the intern having to pay another 3-hours graduate credit tuition).*
