The greatest concern of CEHD is that all candidates receive adequate support and supervision. Periodic visits from a University Supervisor cannot fill the gap created by the absence of daily modeling and/or feedback from a qualified mentor. The purpose of this contract is to ensure that you are getting the support you need as a candidate from your Mentor Teacher, Supervisor and school officials.

Check the appropriate deadline for your application. You should begin preparing your materials several weeks in advance of your intended deadline.

☐ Spring Applications—Due to Clinical Practice Specialist by November 1st
(Any required licensure testing must be completed and reported no later than September 15th)

☐ Fall Applications—Due to Clinical Practice Specialist by May 1st
(Any required licensure testing must be completed and reported no later than March 15th)

Incomplete applications OR applications turned in past the deadline WILL NOT BE ACCEPTED

APPROVED ON THE JOB APPLICATIONS MUST MEET THE FOLLOWING CONDITIONS:

• The student must have completed all coursework for internship, or has permission of faculty advisor to complete some requirements during or after the internship.

• The position must be full-time and must be in the subject area for which licensure is sought. This means your contract and provisional license must be in your subject area.

• The position must provide the candidate with experiences at the grade levels in which he/she seeks licensure.

• The candidate must be supported daily by a mentor teacher or other supervisor who holds a Virginia teaching license in the candidates’ licensure area and who has at least three years of teaching experience. This person must be located in the candidate’s school building. To determine an appropriate Mentor Teacher for internship, the student must either choose for themselves or have a principal at their school select a teacher.

• The candidate must complete the full period of internship prescribed for the state-approved program.
If the conditions for an approved on-the-job internship are not met, and the candidate accepts a full-time teaching position before completing a state-approved program, the student must seek licensure through their employers in accordance with state regulations for provisional licensure.

Any changes in internship status must be reported to the Clinical Practice Specialist at internsh@gmu.edu. If you withdraw from your internship, a new application and supporting documents are required by the following applicable semester deadline.

Student contact information is requested here solely for the purpose of facilitating your internship placement.
