Initial Licensure Professional Standards

Since the College of Education and Human Development offers programs that prepare candidates for licensure to become teachers or other professionals in schools, our programs must follow the Virginia Board of Education Regulations.

CAEP Standards

According to Virginia BOE regulations, all educator preparation programs in Virginia must be accredited by the Council for Accreditation for Educator Preparation (CAEP). Initial licensure educator preparation programs accredited by CAEP align with the following standards:

CAEP Standard 1: Content and Pedagogical Knowledge
CAEP Standard 2: Clinical Partnerships and Practice
CAEP Standard 3: Candidate Quality, Recruitment and Selectivity
CAEP Standard 4: Program Impact
CAEP Standard 5: Provider Quality, Continuous Improvement, and Capacity

According to CAEP, all initial teacher licensure candidates’ must demonstrate an understanding of the InTASC standards. The InTASC standards were developed by the Council of Chief State School Officers (CCSSO), through its Interstate Teacher Assessment and Support Consortium (InTASC). Additional information about the standards can be found on the CCSSO website.
