GRADUATE INDEPENDENT STUDY PROPOSAL

Purpose: To outline the details to be covered in an independent study course. It serves as a contract between the instructor and the student.

Instructions: Students are required to meet with their instructor to set the goals for the independent study. The instructor or Program Office Manager will keep this proposal on file as a reminder of the content to be covered and that a grade should be issued at the conclusion of the semester. **This is *not* the official registration form for an Independent Study – upon mutual agreement of the proposal, the instructor must then complete and process an “Individualized Section Form”.**
