Description of Course Requirements and Assignments:

No Assignments will be accepted late!!!!!!!!!!!!!!!!!!!!!!

A. Activity Participation and Economic Log (40 points):

Each of you will monitor and analyze a week's worth of your recreation and leisure activities and their expenses. This project must include logging and charting your behavior, as well as documenting a brief analysis of your experience. Prior to the analysis, a chart provided by the instructors must be filled in.

Focus of Paper:

- Amount of time spent and money spent in recreation activities – this will be done in a chart format
- Your thoughts and reactions to your participation in activities and spending
- Connection between your activity involvement and spending to issues and concepts discussed in class or any relevant issues that you have read about or discussed with people outside of class.
- Personal views and opinions
- Must cite two articles from scholarly journals as related to your analysis

B. Article/Book Collection or project assignment – 1 page summary --- 220 points (look on calendar there are weeks where you do not submit an article), 11 papers at 20 points per paper

At each class you will be asked to find an article or assigned a project relating to the topic for that night. You must hand in a one-page summary for each assignment. If the assignment involves finding an article you must also include a copy of the article with your summary.

Due Date: Weekly

C. Mid-term (40 points) – Take Home

**D. Final (40 points)
The Buried Life In-Class Presentation**

Each student participates in a leisure activity that she has never done before.. Each student will also need to need help someone/group or perform serving living. Each student will make a ten-minute presentation (power-point) regarding their experiences. Students will include the following in their presentations:

- Why you chose the leisure activity
- Why you chose the service living activity/project
- How activity was planned
- What the experience was like
- Relate topics and discussion from class and other class material to experience
- Provide Video or pictures from the experiences in your presentation

E. In-Class Assignments (130 points) – 10 points per class

You are expected to come to each class well prepared and ready to contribute to the topic of the evening This means that all reading (whether from chapters in the text, supplemental articles, or handouts) should be completed by the start of class on the day for which an assignment is due. The readings in the text and any supplemental readings, guest speakers throughout the semester, and in-class assignments will serve as the basis for class discussion and participation. Your responses, comments, and general contributions will be the primary criteria for evaluation, but attentiveness in class will also be taken into consideration. For each class night there will be an in-class assignment that each student will be required to complete.
