Course Description:

Catalog: *Prerequisites: Completion of C & D program coursework except for electives [total credits cannot exceed three credit hours] and internship; permission of advisor; overall GPA of 3.0; no grade lower than B in skills courses EDCD 603, 606, 608, 609; no more than two grades of C in any other graduate course work required by C & D program.* Provides supervised practice for minimum of 200 hours [for school counseling students] and 300 hours [for community agency students] in counseling setting similar to setting in which student may work. Skills and practice build on previous practicum experiences. Weekly graduate class emphasizes site processing.

Relationship to C&D Program Goals and Professional Organization [Council for Accreditation of Counseling and Related Educational Programs-CACREP]:

EDCD 791 is the culminating course for master's degree students in the Counseling & Development [C&D] program. The internship experience is designed to enhance those skills acquired in practicum. This semester will provide opportunities to refine basic skills, acquire advanced skills, and reflect on ways to improve understanding and conceptual ability. Additional emphasis will be on C&D's basic mission statement, stressing the need for counselors to demonstrate *Advocacy, Leadership, Social Justice, and Multicultural Counseling Competencies*.

EDCD 791 fulfills the requirements for the following professional organizations:

Council for the Accreditation of Counseling and Related Educational Programs (CACREP) requirements that counselor education programs include the study of helping relationships.

CACREP-Section II.K.a: An understanding of all aspects of professional functioning; and CACREP-Section SCP.D: Clinical instruction.

American Counseling Association (ACA) Code of Ethics requirement that counselors establish counselor education and training programs that integrate academic study and supervised practice

Weekly class seminars will focus on presenting, discussing, and conceptualizing cases. Students will have opportunities to discuss specific site-related issues and to strategize about techniques and interventions. Because of the serious nature of this work, it is essential that

students discuss their reactions and feelings. Such discussions, however, cannot take place outside the context of a supervised class or appropriate site circumstance. Students may not discuss cases in other classes, with friends or relatives, or in social situations. It is essential to maintain confidentiality. Violations of this principle in *any* form will be treated as a serious ethical/legal infraction. Please do discuss cases in class. That is the primary purpose for meeting. It is also imperative that students discuss cases with their on-site supervisor. If students have questions or concerns that need immediate attention, please contact your university instructor.

Student Outcomes:

- Perform duties expected in a specific school counseling setting, to include working collaboratively with colleagues and supervisors;
- Select and apply appropriate counseling theories and interventions with a diverse student population;
- Demonstrate basic knowledge and skill competencies per Practicum/Internship contract agreement and criteria for mid-semester and final evaluations (See Appendixes A, N, & P);

The Graduate School of Education expects students, faculty, and staff to exhibit professional dispositions through a:*

- *Commitment to the profession*

See GMU's website for these dispositions:

C&D's Professional Performance Criteria

As counselor trainees, Student Counselors have additional professional performance standards. The codes of conduct for the American Counseling Association and the American School Counselors Association require counselors and counselor trainees to maintain standards of professional competence and possess good moral character. Therefore, the Counseling and Development Program in the Graduate School of Education at George Mason University requires its students to adhere to GMU University and C&D's Professional Dispositions (Appendix F) while in the C&D program, to include their conduct and behavior while doing their field experiences.

C&D's Dress Code for On-Site Field Work

Student Counselors *must* adhere to the C&D's dress code while at their practicum and internship sites (Appendix G). Any student who does not meet the standards of this policy may be asked to leave the premises. Repeated violations of this policy may result in disciplinary action up to, and including, dismissal from the C&D program.
