On a piece of hard board, approximately (24''x 24'') arrange around your name, a collection of magazine pictures, photos, text, or anything else that will help you show us who you are. Be as creative as you wish, and present this with a great deal of enthusiasm, after all, you are talking about a marvelous person..... you!

**Please limit your presentation to approximately 3 minutes.**

Select any “*special features*” of yourself, find an example, and use it. These are elements that add balance to your life. They are also the things that tell us what you value, reflect upon, look forward to, and are passionate about. While some of these are things that you must do.....they may not necessarily be who you *really* are; however they may, in fact, be exactly who your really are. So, since we are all so much more than what meets the eye, please choose things that may help define you as a person. **Remember since we will all be presenting that night 3 minutes will be the time limit to all MM’s.**

**Name.....**

**Please make a copy of this sheet, print your full name, and give it to me as you go up to present, and SMILE ☺**
