None  

COURSE DESCRIPTION  
Focuses on individual health improvement by studying mental/emotional well-being, fitness, nutrition, drug abuse prevention, consumerism, safety and other topics.  

COURSE OBJECTIVES  
By the end of the course the students will be able to:  
1. Recognize specific aspects and determinants of personal health;  
2. Demonstrate knowledge in ten basic health areas:  
   a. Mental/emotional well-being;  
   b. Fitness;  
   c. Nutrition/weight management;  
   d. Family/social wellness;  
   e. Alcohol, tobacco and other substance abuse prevention;  
   f. Infectious/chronic disease control and prevention;  
   g. Consumerism and health care utilization;  
   h. Safety;  
   i. Human growth and development; and  
   j. Environmental conservation.  
2. Identify ways they can improve their personal health;  
3. Investigate the basic principles of the functioning of the human body as they relate to a person’s health behavior choices and practices; and  
4. Examine and discuss key facts, issues and problems related to personal health.  

COURSE OVERVIEW  
The focus of this course is health for the 21st century. Through a variety of learning activities, students will be expected to master content in 10 content areas of personal health. Students will also be expected to apply strategies for change to improve personal health.  

DISTANCE EDUCATION EXPECTATIONS  
Students are held to the standards of the George Mason University Honor Code. Distance education relies on mutual communication and trust. It is dependent on students doing their own work without inappropriate assistance. Students are expected to log into the course M-Th to stay current on course announcements. Much of the communication between the instructor and students takes place via email. The instructor will reply to students’ emails with 24 hours, M-F. Students are expected to reply to the instructor’s email within 24 hours, M-F. Students are expected to participate in discussion boards and fulfill all assignments. Assignments must be submitted on the specified date due or no credit will be given.  

REQUIRED READINGS  
EVALUATION

Exam 1—50 points
Exam 2—50 points
Exam 3—50 points
Behavior Change Plan (BCP)—75 points
Assignments and Discussion Boards—125 points
TOTAL—350 points

Post-tests (5 points each)
After reading the chapter, complete the study plan at CengageNow. The study plan includes a diagnostic pre-test which generates your personalized study plan. This personalized study plan is comprised of learning activities, video clips and highlighted text to help you master the concepts. Then complete the post-test. You will have the opportunity to correct your answers and submit the post-test 2 more times to improve your score. Your last post-test score is automatically recorded in the grade book.

Discussion Boards (5 discussions—25 points total)
A topic/question will be posted by the instructor and you will post your response as well as comments and questions to your classmates’ responses. The topics/questions will be relevant to the readings. The discussions will be graded based on your knowledge and understanding of the readings and your ability to relate the concepts to everyday experiences.

Behavior Change Plan (BCP) (75 points total)
A wellness inventory will be completed to determine areas where change is most needed. A Behavior Change Contract will be generated and submitted (20 points). A 3-4 page progress report paper of the BCP is due March 31 (25 points). A presentation that includes a general overview and reflection of the BCP will occur during the last week of the course in groups of 3 (you will sign up for the date/time). The presentation should be 5 minutes and use of Powerpoint is required (30 points).

Exams (50 points each)
Each exam will be 50 questions.

Student Expectations

- Students must adhere to the guidelines of the George Mason University Honor Code [See http://academicintegrity.gmu.edu/honorcode/].

- Students with disabilities who seek accommodations in a course must be registered with the George Mason University Office of Disability Services (ODS) and inform their instructor, in writing, at the beginning of the semester [See http://ods.gmu.edu/].

- Students must follow the university policy for Responsible Use of Computing [See http://universitypolicy.gmu.edu/1301gen.html].

- Students are responsible for the content of university communications sent to their George Mason University email account and are required to activate their account and check it regularly. All communication from the university, college, school, and program will be sent to students solely through their Mason email account.

- Students must follow the university policy stating that all sound emitting devices shall be turned off during class unless otherwise authorized by the instructor.

- Students are expected to exhibit professional behaviors and dispositions at all times.

Campus Resources

- The George Mason University Counseling and Psychological Services (CAPS) staff consists of professional counseling and clinical psychologists, social workers, and counselors who offer a wide range of services (e.g., individual and group counseling, workshops and outreach programs) to enhance students’ personal experience and academic performance [See http://caps.gmu.edu/].

- The George Mason University Writing Center staff provides a variety of resources and services (e.g., tutoring, workshops, writing guides, handbooks) intended to support students as they work to construct and share knowledge through writing [See http://writingcenter.gmu.edu/].
