PREREQUISITES  
None  

COURSE DESCRIPTION  
Focuses on individual health improvement by studying mental/emotional well-being, fitness, nutrition, drug  
abuse prevention, consumerism, safety and other topics.  

COURSE OBJECTIVES  
By the end of the course the students will be able to:  
1. Recognize specific aspects and determinants of personal health;  
2. Demonstrate knowledge in ten basic health areas:  
   a. Mental/emotional well-being;  
   b. Fitness;  
   c. Nutrition/weight management;  
   d. Family/social wellness;  
   e. Alcohol, tobacco and other substance abuse prevention;  
   f. Infectious/chronic disease control and prevention;  
   g. Consumerism and health care utilization;  
   h. Safety;  
   i. Human growth and development; and  
   j. Environmental conservation.  
3. Identify ways they can improve their personal health;  
4. Investigate the basic principles of the functioning of the human body as they relate to a person’s health  
   behavior choices and practices; and  
5. Examine and discuss key facts, issues and problems related to personal health.  

COURSE OVERVIEW  
The focus of this course is health for the 21st century. Through a variety of learning activities, students will be  
expected to master content in 10 content areas of personal health. Students will also be expected to apply  
strategies for change to improve personal health.  

NATURE OF COURSE DELIVERY  
This is an online, distance education course. Assignments and course announcements are posted through  
Blackboard. There are no class meetings.  

DISTANCE EDUCATION EXPECTATIONS  
Students are held to the standards of the George Mason University Honor Code. Distance education relies on  
mutual communication and trust. It is dependent on students doing their own work without inappropriate  
assistance. Students are expected to log into the course M-F to stay current on course announcements. Much of  
the communication between the instructor and students takes place via email. The instructor will reply to  
students’ emails with 24 hours, M-F. Students are expected to reply to the instructor’s email within 24 hours, M-  
F. Students are expected to participate in discussion boards and fulfill all assignments. Assignments must be  
submitted on the specified date due for full credit to be earned.
REQUIRED

2) CengageNOW Instant Access Code on Blackboard (instructions will be sent to you by your instructor);  
3) Access to Blackboard at http://mymason.gmu.edu

EVALUATION

Exam 1—50 points 
Exam 2—50 points
Exam 3—50 points
Health Change Plan (HCP)—75 points
Assignments and Discussion Boards—125 points
TOTAL—350 points

Post-tests (5 points each—100 points total)
After reading the chapter and viewing the power point, complete the study plan at CengageNow. The study plan includes a diagnostic pre-test which generates your personalized study plan. This personalized study plan is comprised of learning activities, video clips and highlighted text to help you master the concepts. Then complete the post-test. You will have the opportunity to correct your answers and submit the post-test 2 more times to improve your score. Your last post-test score is automatically recorded in the grade book.

Discussion Boards (5 discussions—25 points total)
A topic/question will be posted by the instructor and you will post your response as well as comments and questions to your classmates’ responses. The topics/questions will be relevant to the readings. The discussions will be graded based on your knowledge and understanding of the readings and your ability to relate the concepts to everyday experiences.

Health Change Plan (75 points total)
An assessment will be completed to determine areas where change is most needed. A Health Change Contract will be completed and submitted. Midpoint progress reports will be presented in small groups during the week of March 26. Final presentations of the Health Change Plan (HCP) will be presented in small groups during the week of April 30.

Exams (3 exams—150 points total)
Each exam will be 50 multiple choice questions.

Student Expectations
- Students must adhere to the guidelines of the George Mason University Honor Code [See http://academicintegrity.gmu.edu/honorcode/].
- Students with disabilities who seek accommodations in a course must be registered with the George Mason University Office of Disability Services (ODS) and inform their instructor, in writing, at the beginning of the semester [See http://ods.gmu.edu/].
- Students must follow the university policy for Responsible Use of Computing [See http://universitypolicy.gmu.edu/1301gen.html].
- Students are responsible for the content of university communications sent to their George Mason University email account and are required to activate their account and check it regularly. All communication from the university, college, school, and program will be sent to students solely through their Mason email account.
- Students must follow the university policy stating that all sound emitting devices shall be turned off during class unless otherwise authorized by the instructor.
- Students are expected to exhibit professional behaviors and dispositions at all times.

Campus Resources
- The George Mason University Counseling and Psychological Services (CAPS) staff consists of professional counseling and clinical psychologists, social workers, and counselors who offer a wide range of services (e.g.,
individual and group counseling, workshops and outreach programs) to enhance students’ personal experience and academic performance [See http://caps.gmu.edu/].

- The George Mason University Writing Center staff provides a variety of resources and services (e.g., tutoring, workshops, writing guides, handbooks) intended to support students as they work to construct and share knowledge through writing [See http://writingcenter.gmu.edu/].

- For additional information on the College of Education and Human Development, School of Recreation, Health, and Tourism, please visit our website [See http://rht.gmu.edu].
