TOUR 412 Class Policies

Attendance - Regular attendance is essential to your success. An attendance sign in sheet will be located at the front of the classroom. Please sign in at the beginning of class. If a student arrives once class has begun, they should enter as quietly as possible notify me at class break so that I can mark them as present. If a student is late to class more than twice without prior notification, their attendance and participation grade will be affected. Please notify me if you must leave class early and sit in a location near the door so as not to disrupt the class.

Case Studies/Pop Quizzes: Throughout the term there will be graded Case Study Assignments and potential pop quizzes without prior notification. All graded Case Studies and Quizzes will total 50 points and no make-ups will be given. Students who are absent and present a doctor's note will be provided with an alternative assignment.

Group Marketing Plan and Presentation - The group project is meant to be a team effort and will be graded accordingly. Each team member will receive a group grade as well as an individual grade based on their role in the presentation, written document and based on the peer reviews. If a group member is not present on presentation day without contacting me **PRIOR** to class, they will receive half credit for the group project if the average peer evaluation grade received from team members is a 4 or higher. If there is an issue with participation within a group, and one member is given 0-1 peer points by all other group members, the professor reserves the right to assign a new project to the identified student at a reduced point base.

Instructor Arrival Policy - If your instructor is not in the classroom at 12:00 (TOUR 412-001) please wait 20 minutes before leaving.
