- Skill and content knowledge in field and invasion games. Includes skill progression, strategies, officiating, and authentic assessment in activities such as softball, basketball, soccer, field events, and Ultimate Disc.

Notes: Open to BPRE and BSED PHED majors only. Semesters Taught: Fall and Spring

COURSE OBJECTIVES

After completion of this course, pre-service teachers should be able to:

1. Demonstrate effectively the motor skills central in each team sport/field and invasion game in this course.
2. Provide the history of game originations and modifications over time for each team sport/field and invasion game included in this course.
3. Show key strategies used in each team sport/field and invasion game during play.
4. Select and administer appropriate, valid and reliable skill tests
5. Utilize rubrics as part of student assessment and apply examples of authentic assessment
6. Interpret skill test data and use as feedback for learners
7. Organize different sporting events such as meets and tournaments
8. Show working knowledge of team sport/field and invasion game rules by actively officiating

COURSE OVERVIEW

1. Participate [listen, respond, present, discuss] in a thoughtful, informed constructively critical manner.
2. All written work [papers, projects and tests] carefully and promptly done. Unauthorized late assignments will automatically receive a grade lower than if it were completed on time.
3. Give evidence of having read significantly from text, current periodicals, or equivalent sources evidenced by comments and questions in discussions and presentations or citations in written work.
4. Confer with the instructor when the need arises.
5. Modeling - For each team sport/field and invasion game, instructor will present a basic skill[s] application and/or strategies lesson. Lessons will consist of motor development, motor learning and/or biomechanics that relate to the skill[s].

Further, upon completion of this course, students will meet the following professional accreditation standards:

National Initial Physical Education Teacher Education Standards, National Association for Sport and Physical Education (NASPE)

Standard 1: Scientific and Theoretical Knowledge

Physical education teacher candidates know and apply discipline-specific scientific and theoretical concepts critical to the development of physically educated individuals.

*Standard 2: Skill and Fitness Based Competence**

Physical education teacher candidates are physically educated individuals with the knowledge and skills necessary to demonstrate competent movement performance and health enhancing fitness as delineated in the NASPE K – 12 Standards.

NATURE OF COURSE DELIVERY: FACE TO FACE

REQUIRED READINGS/TEXT

- Dougherty, Neil (edited by). *Physical Activity & Sport for the Secondary School Student (5th edition)*. Reston, VA: AAHPERD Publications, 2002.

- Siedentop, Daryl, Hastle, Peter, van der Mars, Hans. *Complete Guide to Sport Education*. Champaign, IL: Human Kinetics, 2004.

EVALUATION Individual assignments are graded on the point basis designated in parenthesis.

Requirement #1 - Participation [15%] - 150 pts (10 points/class attended) - Rubric located on *Blackboard*

- Attendance at all classes is expected. This is a hands-on, participatory course – you expected to be in attendance. Absenteeism will be reflected in one's final grade.
- Based on quality and quantity of daily participation, attitude, individual growth and group work in all classes.
- Class periods have been arranged into discussion and activity sessions. Please be sure to come prepared to each class period dressed and ready for active participation in a variety of team sport activities.
- Based on assignments of various kinds related to readings, discussions and questions/issues.

Requirement #2 - Worksheets

Skill & Activity Worksheets [10%]

100 points = 10 @ 10 points each

Instructional Worksheet Assignments [10%]

100 points – 5 @ 20 points each

- Worksheets for each net and target activity we will cover are located on Blackboard.
- Worksheets should be completed prior to each introductory class lecture of that specific activity. [See *Tentative Class Schedule* - due dates noted].
- Worksheets will receive partial credit after lecture has begun! Tardy worksheets will receive further partial credit. If you expect to be absent, it is your responsibility to get worksheets to me prior to class.
- You are on your honor to complete each worksheet in preparation for lesson to be covered. Worksheets are not intended to be "busy work" but an overall preparation for upcoming lessons/lectures, to reinforce class topics as well as something you could refer to in the future.
- In some cases, work will be completed in class therefore, absent students during an in-class assignment/worksheet lose the opportunity to receive credit

Requirement #3 – *Sport Education* Learning Activity Presentation [20%] 200 points – 2 @ 100 points each

- You will be assigned a group and will prepare & present two scheduled *Sport Education* designed/modified lessons using the following criteria_– (Rubric Criteria for evaluating your *Sport Education* Learning Activity Presentation is located on *Blackboard*)
- Each assigned group will consist of the following roles [each role responsibility and necessary items for each group presentation is located on *Blackboard*]:
Coach(s) - Fitness Specialist(s) – Referee - Equipment Manager
- Assigned group members choose the roles they will perform for each of their assigned invasion or field activity.
- If a group member is an Equipment Manager for the first assigned invasion or field activity, they must take on the role of Coach, Fitness Specialist or Referee for the second assigned invasion or field activity.
 - Activity Choices - Ideas for related activities could be taken from required text, pcentral.com, or any suitable resource (or create your own)
 - Instruction of skill theme lesson
 - Reinforcement Activity/Game Related lesson
 - Ideally implementing or modifying official game rules and procedures
- Presentation and development of an activity:
 - That relates to and strengthens basic skills (Skills Lesson)
 - That relates to and strengthens basic/specific game skills (Game Related Lesson)
- Example - a lead-up activity, progressive game or drill (presentation objectives should relate to skill criteria chosen)
- Some aspects of cognitive thought and cooperative strategy and/or teamwork should be included.

- There should also be some mention as to how this/these skill[s] relate to other learning strands [exercise physiology, biomechanics, motor learning, social/psychology, aesthetics, and history].
- Make constant referrals/cues during your lesson of your activity's relevance to the game/unit we are covering.
- Presenting group is responsible for ALL aspects of the presentation per *Sport Education* model indications [specific information will be reviewed during class].
- As you plan, develop presentations/lessons to insure maximum on-task time/participation/activity time for each student - *strive for maximum student involvement.*
- Be creative, innovative, and resourceful as you plan and implement these lessons.
- Assigned presentation groups will be distributed during second or third class period.
- Your presentation group will teach lesson to remainder of class.
- There is no set time frame for presentations – quality presentations are expected
