COURSE DESCRIPTION

Focuses on individual health improvement by studying mental/emotional well-being, fitness, nutrition, drug abuse prevention, consumerism, safety and other topics.

COURSE OBJECTIVES

By the end of the course the students will be able to:

1. Recognize specific aspects and determinants of personal health;
2. Demonstrate knowledge in ten basic health areas:
 - a. Mental/emotional well-being;
 - b. Fitness;
 - c. Nutrition/weight management;
 - d. Family/social wellness;
 - e. Alcohol, tobacco and other substance abuse prevention;
 - f. Infectious/chronic disease control and prevention;
 - g. Consumerism and health care utilization;
 - h. Safety;
 - i. Human growth and development; and
 - j. Environmental conservation.
3. Identify ways they can improve their personal health;
4. Investigate the basic principles of the functioning of the human body as they relate to a person's health behavior choices and practices; and
5. Examine and discuss key facts, issues and problems related to personal health.

COURSE OVERVIEW

The focus of this course is health for the 21st century. Through a variety of learning activities, students will be expected to master content in 10 content areas of personal health. Students will also be expected to apply strategies for change to improve personal health.

REQUIRED TEXT

Hales, D. (2011). *An Invitation to Health (14th edition)*. Belmont, CA: Wadsworth Cengage Learning

NATURE OF COURSE DELIVERY – Face to face

EVALUATION

Students are held to the standards of the George Mason University Honor Code. You are expected to attend all class sections, actively participate in class discussion, and fulfill all assignments. Assignments must be turned in at the beginning of class on the specified date due or no credit will be given. Assignments have been scheduled in advance to provide you with sufficient time to plan and complete the assignment. Only students with extreme emergencies, a documented medical excuse or university sponsored functions discussed with the professor prior to the due date will be given consideration for exception. It is further recommended that students make copies of all written work submitted

This course will be graded on a point system, with a total of 100 possible points

| Requirements | Points |
|---|------------|
| Midterm exam | 30 |
| Final exam | 30 |
| Paper | 15 |
| In-class Attendance/Participation/Quizzes | 25 |
| TOTAL | 100 |

Exams

Midterm exam: 30 points

Final exam: 30 points

Student Expectations

- Students must adhere to the guidelines of the George Mason University Honor Code [See <http://academicintegrity.gmu.edu/honorcode/>].

- Students with disabilities who seek accommodations in a course must be registered with the George Mason University Office of Disability Services (ODS) and inform their instructor, in writing, at the beginning of the semester [See <http://ods.gmu.edu/>].
- Students must follow the university policy for Responsible Use of Computing [See <http://universitypolicy.gmu.edu/1301gen.html>].
- Students are responsible for the content of university communications sent to their George Mason University email account and are required to activate their account and check it regularly. All communication from the university, college, school, and program will be sent to students solely through their Mason email account.
- Students must follow the university policy stating that all sound emitting devices shall be turned off during class unless otherwise authorized by the instructor.
- Students are expected to exhibit professional behaviors and dispositions at all times.

Campus Resources

- The George Mason University Counseling and Psychological Services (CAPS) staff consists of professional counseling and clinical psychologists, social workers, and counselors who offer a wide range of services (e.g., individual and group counseling, workshops and outreach programs) to enhance students' personal experience and academic performance [See <http://caps.gmu.edu/>].
- The George Mason University Writing Center staff provides a variety of resources and services (e.g., tutoring, workshops, writing guides, handbooks) intended to support students as they work to construct and share knowledge through writing [See <http://writingcenter.gmu.edu/>].
- For additional information on the College of Education and Human Development, School of Recreation, Health, and Tourism, please visit our website [See <http://rht.gmu.edu>].

CORE VALUES COMMITMENT: The College of Education and Human Development is committed to collaboration, ethical leadership, innovation, research-based practice, and social justice. Students are expected to adhere to these principles.
