## VIRGINIA CONSORTIUM FOR TEACHER PREPARATION IN SPECIAL EDUCATION ADAPTED CURRICULUM

# Fall 2015 Positive Behavior Supports, 3 Credits

#### **Consortium Titles**

- Virginia Commonwealth University: TEDU 631 Behavior Management of Students with Disabilities
- Radford University: EDSP 670 Proactive Classroom Management and PBS
- Norfolk State University: STE 516 Managing Human Behavior
- Old Dominion University: SPED 671: Positive Behavior Supports
- James Madison University: EXED 510 Systematic Behavioral Interventions
- George Mason University: EDSE 532 Positive Behavioral Support
  - EDSE 432 001 (CRN: 80936), EDSE 532 001 (CRN: 78470), EDSE 6U1 (CRN: 82940), EDSE 6V1 (CRN: 83005)

<b>Instructor:</b> Tiara Brown	<b>Meeting Dates:</b> 08/31/15 - 12/9/15
<b>Phone:</b> (540) 560-5154	Meeting Day(s): Wednesday
E-Mail: brown3ts@jmu.edu	<b>Meeting Time(s):</b> 7:20pm – 10:00pm
Office Hours: By Appointment	<b>Instructing University:</b> James Madison U.

**Note:** This syllabus may change according to class needs. Students will be advised of any changes immediately through George Mason e-mail and/or through Blackboard.

#### **Consortium Course Description**

This course is designed specifically for teachers and other professionals working with individuals who have moderate to severe disabilities including autism or with young children who have disabilities. It is required for endorsement in Adapted Curriculum and Early Childhood Special Education. The primary focus is upon the concepts and skills needed (a) to design, implement, and evaluate individualized behavior support programs which derive from functional behavioral assessment, (b) to use effective teaching strategies to build relevant replacement skills, (c) to facilitate generalization and maintenance of skills, (d) to incorporate prevention strategies, (e) to improve the aspects of the student's environment that relate to the problem behavior, and (f) to incorporate, as appropriate, individually designed crisis intervention procedures.

#### **GMU Course Description**

Designed for professionals working with individuals with severe disabilities. Focuses on concepts and skills needed to design, implement, and evaluate behavior support programs derived from functional assessment. Covers effective teaching strategies; addresses relevant replacement skills; facilitates generalization and maintenance of skills; and incorporates individually designed crisis intervention procedures. Notes: Course is equivalent to EDSE 620

for students in the severe disabilities program. Hours of Lecture or Seminar per week: 3Hours of Lab or Studio per week:

**Prerequisite(s):** None

Co-requisite(s): None

## **Advising Contact Information**

Please make sure that you are being advised on a regular basis as to your status and progress through your program. GMU M.Ed. and Certificate students should contact the Special Education Advising Office at (703) 993-3670 for assistance. All other students should refer to their faculty advisor.

## **Nature of Course Delivery**

Learning activities include the following:

- 1. Class lecture and discussion
- 2. Application activities
- 3. Small group activities and assignments
- 4. Video and other media supports
- 5. Research and presentation activities
- 6. Electronic supplements and activities via Blackboard

#### **Learner Outcomes**

Upon completion of this course, students will be able to:

- Demonstrate ability to design, implement, and evaluate group management techniques and individual interventions that maintain emotional, behavioral, and social skills consistent with norms, standards, and rules of the educational environment
- Demonstrate knowledge of diverse approaches of behavioral, cognitive/affective, social, and ecological theory and practice
- Identify the origin and function of behavior
- Identify and teach behaviors in educational environments that are alternatives to students' inappropriate behaviors
- Develop positive support plans to enhance changes in students' academic/social/affective behavior
- Develop schedules and routines in educational environments to enhance students' appropriate behaviors
- Demonstrate ability to apply behavioral research
- Demonstrate ability to provide positive behavioral supports to students in educational environments

## **Required Textbooks**

Alberto, P. A., & Troutman, A. C. (2013). *Applied behavior analysis for teachers* (9<sup>th</sup> ed.). Upper Saddle River, NJ: Merrill Prentice Hall.

## Required Readings – Provided by Instructor

PDF files are located on Blackboard in a file titled "Weekly Readings"

- \*\*Note: These readings will be posted on Blackboard and students will be notified at least TWO WEEKS IN ADVANCE of when they should be read
- Duda, M., Dunlap, G., Fox, L., Lentini, R., & Clarke, S. (2004). An experimental evaluation of positive behavior support in a community preschool program. *Topics in Early Childhood Special Education*, 24, 143-155.

#### **Course Relationships to Program Goals and Professional Organizations**

This course is part of The Virginia Consortium for Teacher Preparation in Special Education Adapted Curriculum, a grant from the Virginia Department of Education that includes George Mason University, Virginia Commonwealth University, Radford University, Norfolk State University, James Madison University, and Old Dominion University. Through the completion of the Adapted Curriculum Consortium program, students are eligible for teacher licensure in the Commonwealth of Virginia in the area of Special Education – Adapted Curriculum K-12. This program complies with the standards for teacher licensure established by the Council for Exceptional Children (CEC), the major special education professional organization. CEC standards that will be addressed in this class include Standard 1: Learner Development and Individual Learning Differences, Standard 2: Learning Environments, Standard 4: Assessment, Standard 5: Instructional Planning and Strategies, Standard 6: Professional Learning and Ethical

Practice, & Standard 7: Collaboration. (Updated Fall 2014 to align with the revised CEC Standards)

## **Course Policies & Expectations**

Attendance. If you miss two classes your participation points will be cut in half. If you miss three classes you will lose all your participation points and your final grade will be lowered one grade (e.g., an A will become a B). If you miss more than three classes you cannot pass the course. If you miss no classes and contribute you get all 28 points.

Late Work. All assignments should be word-processed and are due at the start of class (7:20 pm) on the dates indicated including assignments submitted through Blackboard. Consult with the instructor in advance if there is a problem. In fairness to students who submit assignments on time, there will be a 10% reduction in the grade per day for late work. (For example, a 20-point assignment will lose 2 points per day while a 50-point assignment will lose 5 points per day.) Please retain a copy of your assignments in addition to the one you submit. All assignments should reflect graduate-level spelling, syntax, and grammar. If you experience difficulties with the writing process you will need to document your work with your university's Writing Center during this course to improve your skills. At the instructor's discretion, students may be given the opportunity to resubmit an assignment. Resubmitted assignments are not eligible for full credit.

#### **Blackboard Submission for Accreditation**

Every student registered for any Special Education course with a required performance-based assessment is required to submit this assessment, *Functional Behavior Assessment and Behavior Intervention Plan* to Blackboard (regardless of whether a course is an elective, a onetime course or part of an undergraduate minor). Evaluation of the performance based assessment by the course instructor will also be completed in Blackboard. Failure to submit the assessment to Blackboard will result in the course instructor reporting the course grade as Incomplete (IN). Unless the IN grade is changed upon completion of the required Blackboard submission, the IN will convert to an F nine weeks into the following semester.

## **Grading Scale**

<u>Undergraduate Students</u>		Graduate Students	
95-100% = A	74-76% = C	95-100% = A	70-79% = C
90-94% = A-	70-73% = C-	92-94% = A-	< 70% = F
87-89% = B+	60-69% = D	89-91% = B+	
84-86% = B	<60% = F	85-88% = B	
77-79% = C+		80-84% = B-	

Assignments and Assessments	Points	Due Date
Class attendance and participation	28 points (14 classes,	Ongoing throughout
	@ 2 points each)	semester
Student Introduction	6 points	9/9
Three (3) Supplemental Assignments	30 points (@ 10 points	9/23
Can be Completed in Work Groups	each)	10/7
		10/21
Individual Research Review	20 points	11/11
**GRADUATE STUDENTS ONLY**		
Final Evaluation	6 points	12/2
FBA/BIP Signature Assignment	80 points	FBA – 10/28 (student
		used for assignment
		must be approved by
		9/30)
		BIP – 12/2
TOTAL	170 points	

Course grades will be calculated by summing the points earned on assignments and class participation along with a consideration of the average and range of performance of others in class. You will be able to access your current standing in class on Blackboard.

All assignments are scored on points. The semester total point score is converted into a percentage grade. Final course grades are reported as letters (A-F) with +/- designations, according to current university policy.

Since this is a graduate level course, a letter grade of "C" is considered a failing grade. The course will have to be retaken if the student receives a "C" for the final grade. (Note: This does not apply to Undergraduate Students)

#### **Assignments**

#### **Performance-based Assessment (Blackboard submission required)**

The performance-based assessment for this course is the *Functional Behavior Assessment* and *Behavior Intervention Plan*. Please see the *Signature Assignment* section for assignment description (below).

#### Reading Assignments and Class Participation (28 points)

There are many readings for this class. Because I will be using a "read-discuss-and-apply" approach, you will need to read all required readings **prior to** the respective class and also to bring them to class (electronic or hard copy). For the required readings posted on Blackboard, it is best to download and save or print them. Activities, lectures, and in-class discussion will be dependent upon the completion of these reading assignments. Your ability to actively participate in these discussions will be part of your participation grade. In-class participation means that you read the assignment and that you frequently (in at least half of the classes) offered comments in class related to assigned readings – whenever you are called on in class you give meaningful responses. During class, I will draw several names at random of class participants at each site to select discussants for each reading.

#### **Student Introduction (6 points)**

During the first week students will complete the Student Introduction Assignment, located in the Assignments section of the course Blackboard site. Students will answer 10 questions to both introduce themselves to the instructor as well as help the instructor design class activities based on student interests and level of experience. Included in the introductory assignment is submission of a picture (in .jpg format). This will be used by the instructor to associate your name with your face. Please, no Mardi Gras masks or substitutions of someone/something other than yourself in these pictures. The instructor needs a simple picture of you to use for identification purposes. These photos will not be shared with others. (Due September 9 by 7:20 pm via Blackboard)

## **Supplemental Assignments (30 Points)**

Throughout the semester there will be class application activities. Each will build on readings for that week or current class content. There will be three **such assignments that will count for 30 course points**. Assignments will be posted on BlackBoard one week before they are due and discussed in class. Students may decide to complete them in teams or alone. Teams will write the answer together but only send *one response* for the team; the team will receive the same grade and all members are expected to contribute equally. *List on the assignment only the team members who have participated* (not any who were absent). We will form work teams the first class. **Late assignments (team and individual) will be penalized 3 points for every day they are late.** (Due September 23, October 7, and October 21 by 7:20 pm via BlackBoard)

## Research Reviews (20 points) \*\*GRADUATE STUDENTS ONLY\*\*

As a teacher you should be able to read and apply research in your field. Thus, for each single subject experimental research article that is assigned, we will work together to identify independent and dependent variables, research design, inter-rater reliability, social validation, and discuss strengths and shortcomings of the article and the use of PBS technology. As part of in-class activities, I will have you complete a simple research review for several research articles. You will turn in one individual research review on your own toward the end of the semester. See grading rubric for further details. (Due November 11 by 7:20 pm via Blackboard)

#### **Course Evaluations (6 points)**

Evaluations are important to ongoing course quality. I take them seriously. These will be submitted via BlackBoard. (Due December 2 by 7:20 PM via Blackboard)

## **Signature Assignment**

## NCATE/BlackBoard (80 points)

Functional Behavior Assessment-Behavior Support Plan (FBA-BSP) (80 points): This is the signature assignment for this course and students will be required to place it on BlackBoard as part of the requirements for a grade for this course. Select a learner with severe disabilities who also demonstrates problem behavior(s). You will complete a functional behavior assessment and then use that functional assessment to develop a behavior support plan. If you are unable to gain access to a learner in a school or post school setting with severe disabilities, you may use a family member, friend, or as a last resort, yourself for this project. It is preferable to find a target student who has severe disabilities, however. See grading rubric for further details. (FBA due by 7:20 pm on October 28 via Blackboard; BSP due by 7:20 pm on December 2 via Blackboard; submit FBA-BIP as one PDF document to BlackBoard by 7:20 pm on December 2)

#### **Course Schedule**

Date	Topic	Readings	Other Assignments
9/2/15	Course Introduction Overview of Clinical Placements & PBS Project Manifestation Determinations		Form work groups in class.
9/9/15	Applied Behavior Analysis	Text Ch. 1	DUE 9/9: Student Introductions by 7:20 PM via Blackboard
9/16/15	Positive Behavior Supports Review Session	Gregor (2008) The Building Blocks of Positive Behavior	
9/23/15	NO CLASS – ONLINE MODULE  Functional Behavior Assessment Part 1	Text Ch. 7	DUE 9/23: Assignment 1 by 7:20 PM via Blackboard
9/30/14	Functional Behavior Assessment Part 2 Review Session		
10/7/15	Self-Management Augmentative and Alternative Communication (AAC) Visual Support Systems  Guest Speaker: Lindsey Rabideau, M.Ed. (BCBA in progress)	Text Ch. 12	Be sure your student for the FBA/BIP is approved by 9/30
10/14/15	Data Collection, Graphing, & Data Analysis	Text Ch. 4 & 5	DUE 10/7: Assignment 2 by 7:20 PM via Blackboard
10/21/15	Writing Behavioral Objectives  **Excel Work Session – Bring computers	Text Ch. 3	

	Review Session		
10/28/15	Strategies for Increasing Behavior	Text Ch. 8	DUE 10/21: Assignment 3 by 7:20 pm via
			Blackboard
11/4/15	Strategies for Increasing	Text Ch. 9	DUE 10/28: FBA by 7:20
	Appropriate Behavior and Decreasing Problem Behavior		pm via Blackboard
	Review Session		
11/11/15	Responsible Use of ABA	Text Ch. 2	DUE 11/11: Individual
	Procedures		Research Review by
			7:20pm via Blackboard
11/18/15	Stimulus Control & Shaping	Text Ch. 10	
	Review Session		
11/25/15	NO CLASS – HAPPY		
	<u>THANKSGIVING</u>		
12/2/15	School Wide PBS	Hemmeter et al. (2007)	DUE 12/2: BIP by 7:20
	Tier 2 Interventions	Additional readings may be	pm via Blackboard
	Guest Speaker: Ms.	specified by guest speaker	DUE 12/2: Final semester
	Shanna Hirsh, M.Ed.,		evaluation by 7:20 pm
	BCBA (UVA)	SW-PBIS Videos:	
	DCDA (UVA)	http://vimeo.com/14630006	

<sup>\*</sup>All assignments should be submitted in electronically via the Blackboard Dropbox by 7:20pm sharp on the due date. Assignments submitted after 7:20pm will be considered late and penalized points according to the Late Assignment policy. If you miss class on a date when an assignment is due, you are still responsible for submitting it on time.

#### ADAPTED CONSORTIUM SYLLABUS STATEMENTS AND POLICIES

#### Honor Code

Each university has its own honor code and it is important for you to review the honor code at your university. However, all students taking this course, regardless of the university they are enrolled in, are expected to follow this honor code and may be asked to pledge all assignments and their exam to indicate that they have followed the honor code. A pledge means that you have not cheated or plagiarized, nor have you given or received assistance that violated the description of how assignments are to be completed for this course. The shortened version may be used: "Pledged" followed by the date and your full name (typed "signatures" will be OK for assignments/tests submitted electronically).

A complete copy of each university's Honor System document is available through

GMU: <a href="http://mason.gmu.edu/~montecin/plagiarism.htm">http://mason.gmu.edu/~montecin/plagiarism.htm</a>
VCU: <a href="www.students.vcu.edu/rg/policies/rg7honor.html">www.students.vcu.edu/rg/policies/rg7honor.html</a>.

Radford: http://www.radford.edu/~dos-web/handbook02-03/Honor\_Code.pdf

NSU: <a href="http://www.nsu.edu/student\_judicial/policy.html">http://www.nsu.edu/student\_judicial/policy.html</a>

JMU: <a href="http://www.jmu.edu/honor/code.shtml">http://www.jmu.edu/honor/code.shtml</a>

ODU: https://www.odu.edu/about/monarchcitizenship/student-conduct

#### Accommodations for Disability

At all the participating universities, accommodations can be made with the instructor if a student has a documented disability. University specific information regarding eligibility, services and accommodations can be found at:

GMU: http://www.gmu.edu/student/drc/

VCU: http://www.students.vcu.edu/dss/index.html

Radford: http://www.radford.edu/~dro/

NSU: http://www.nsu.edu/disabilityservices/index.html

JMU: https://www.jmu.edu/ods/

ODU: <a href="https://www.odu.edu/life/diversity/accessibility">https://www.odu.edu/life/diversity/accessibility</a>

#### **Inclement Weather**

If classes are cancelled at the teaching university, a message will be posted on the class Blackboard site and all class members will receive an email. Because such cancellations are often at the last minute, it may be difficult to get this message prior to leaving for class. If in doubt, visit the teaching university's website. Do not email us; I will email you regarding weather as soon as it is announced. Please note, the cancellation of classes due to inclement weather is determined by the decision of the instructing university only. If the instructing university is open and operational then you are expected to attend class.

#### Cell Phones and Weapons

All cell phones and beepers should be deactivated while in the classroom. Also, university rules at all participating universities prohibit the possession any firearm, other weapon, or explosive. Please consult the student handbook and your university for specific information concerning this policy at your university.

#### **Course Materials**

This course gives you access to PowerPoint files, class lecture notes, handouts, and copyrighted articles. All of these materials should be regarded as authored materials, which if used or referred to must be fully credited through reference to the author, the class, and date. If used beyond citation, permission of the instructor/author is required.

#### **Technology Proficiencies**

All students participating in this course are expected to be proficient in several technology skills. Students are expected to be proficient in using the Internet and have reliable and consistent Internet access. Students are expected to have an active university email account and to check email regularly. This course requires students to use Blackboard, which is our online course management system located at <a href="http://mymason.gmu.edu">http://mymason.gmu.edu</a> under the ORGANIZATIONS tab.

NON GMU Students: Your login for Blackboard Organizations is: *x\_first name.last name* For example, John Smith's username would be: x\_john.smith. For **new** students (beginning Summer 2015), you will receive an email (to your university email) with your Blackboard password.

Students are expected to login to this system frequently and be proficient in using its features. Students are expected to be proficient in using the computer, which includes downloading and saving files, typing, and word processing skills. Students participating in this course are expected to use Microsoft Word for all written assignments. Furthermore, students are expected to use Microsoft PowerPoint and Adobe Acrobat Reader for class documents located on the Blackboard website.

#### Remote Site Student

It is the policy of the consortium that students attending classes at university sites are expected to be present at those university sites during class time. However, there are situations in which students are unable to attend classes at the university sites and may be permitted to take a course as a "remote site" student. To be considered, students must meet the **requirement of more than 90 minutes of one-way travel time to the closest participating university (under normal circumstance). OR have a documented medical need.** In addition, there are several technology and procedural requirements that are detailed on the Consortium website: <a href="http://kihd.gmu.edu/sdc/">http://kihd.gmu.edu/sdc/</a> and posted on Blackboard. Students must obtain permission from both the course instructor and the consortium coordinator to be considered a remote site student. Students' continued participation as a remote site will be re-assessed each semester.

In *special* circumstances where students would otherwise miss class (in accordance to the attendance policy) students may request to participate as a remote site if they (a) have met all of technical and procedural requirements, (b) have received permission from the instructor at least *one week* prior to class, and (c) have had a successful test session with GMU tech support personnel.

#### **Course Facilitators**

Each site will have a facilitator or assistant who will assist with the class. Learn who that person is as they will be taking role and keeping track of class participation and reporting it to me weekly. However, if you think you must miss a class, please email me ahead if at all possible (or later if need be).

#### Blackboard Assistance

This course requires that you be a regular email user and be able to use various features of Blackboard (sign on, download materials, hand in completed assignments electronically in the drop box). You may direct your questions about Blackboard to the facilitator at the class site as well as to email Marci Kinas Jerome (mkinas@gmu.edu). She will be the best resource. We are all learning this system together and some of us will be faster than others. Expect some snafus along the way, but please help each other out as you can. You will want to download all the required materials early in the semester or as soon as they are posted. Please note that some handouts/readings may be given to you in class that are not posted on Blackboard. Also check Blackboard for announcements. Sometimes I will place handouts for class on Blackboard and will alert you by email or in the previous class; in these cases please download and bring them to class.

#### Remote Site Viewing

All Consortium courses are recorded and archived on a video-streaming server. Students and faculty are welcome to view previous classes at <a href="http://torrent.gmu.edu">http://torrent.gmu.edu</a> and click on the link for specific class.

Student may also view the PowerPoints, communicate with the instructor, and interact with other at home students using Adobe Connect. Each consortium class has their own Adobe Connect website. To get to your Adobe Connect course site go to:

- Characteristics: <a href="http://webcon.gmu.edu/characteristics/">http://webcon.gmu.edu/characteristics/</a>
- Teaching Strategies: http://webcon.gmu.edu/teaching/
- Positive Behavior Supports: http://webcon.gmu.edu/pbs
- Curriculum and Assessment: <a href="http://webcon.gmu.edu/assessment">http://webcon.gmu.edu/assessment</a>
- Positioning and Handling: http://webcon.gmu.edu/positioning

You will login with the guest username (sdcguest@gmu.edu) and password (sdcsite). The first time you use Adobe Connect you may be prompted to download a plug in, it only takes a few seconds to install.

## Policies and Resources Specific for GMU Students:

## **Advising Tip**

Do you need to take Praxis Core and/or VCLA? For students pursuing a special education teacher licensure program, the Praxis Core or a VDOE-approved substitute test should be submitted to Mason as soon as possible. Tests should be taken as early as possible since most scores must be on file when students apply for internship. Check your program plan or talk with your advisor if you are unsure what tests you need or when you will need to take them.

#### **Digital Library**

Effective summer 2015, the Division of Special Education and disAbility Research will discontinue the use of the Pearson Digital Library. No further registrations will be accepted. Students who hold current subscriptions will continue to have access to the library for the remainder of their subscription time. However, no further updates will be made to the digital library. During this time, should a textbook be revised or a new book is adopted for a class where the text is included in the digital library, Pearson will have options available to you and will provide you with an individual e-text or, if there is no e-text, a printed copy. Students, who have purchased a 3-year subscription directly through Pearson Education, will also have an option to obtain a prorated refund. However, 3-year subscription access cards purchased via the GMU bookstore will need to speak with a George Mason Bookstore Representative. Please be aware that the issuance of a refund, in this case, is at the discretion of the George Mason bookstore. Concerns or questions may be directed to Molly Haines at Molly. Haines @pearson.com.

- a. Students must adhere to the guidelines of the George Mason University Honor Code [See http://oai.gmu.edu/the-mason-honor-code/].
- b. Students must follow the university policy for Responsible Use of Computing [See <a href="http://universitypolicy.gmu.edu/policies/responsible-use-of-computing/">http://universitypolicy.gmu.edu/policies/responsible-use-of-computing/</a>].
- c. Students are responsible for the content of university communications sent to their George Mason University email account and are required to activate their account and check it regularly. All communication from the university, college, school, and program will be sent to students solely through their Mason email account.
- d. The George Mason University Counseling and Psychological Services (CAPS) staff consists of professional counseling and clinical psychologists, social workers, and counselors who offer a wide range of services (e.g., individual and group counseling, workshops and outreach programs) to enhance students' personal experience and academic performance [See <a href="http://caps.gmu.edu/">http://caps.gmu.edu/</a>].

- e. Students with disabilities who seek accommodations in a course must be registered with the George Mason University Office of Disability Services (ODS) and inform their instructor, in writing, at the beginning of the semester [See <a href="http://ods.gmu.edu/">http://ods.gmu.edu/</a>].
- f. Students must follow the university policy stating that all sound emitting devices shall be turned off during class unless otherwise authorized by the instructor.
- g. The George Mason University Writing Center staff provides a variety of resources and services (e.g., tutoring, workshops, writing guides, handbooks) intended to support students as they work to construct and share knowledge through writing [See <a href="http://writingcenter.gmu.edu/">http://writingcenter.gmu.edu/</a>].

## **Professional Dispositions**

Students are expected to exhibit professional behaviors and dispositions at all times.

#### **Core Values Commitment**

The College of Education & Human Development is committed to collaboration, ethical leadership, innovation, research-based practice, and social justice. Students are expected to adhere to these principles. [See <a href="http://cehd.gmu.edu/values/">http://cehd.gmu.edu/values/</a>]
