## Course Performance Evaluation

Students are expected to submit all assignments on time in the manner outlined by the instructor (e.g., Blackboard, Tk20, hard copy).

The instructor is solely responsible for assigning grades. As such, the instructor reserves the right to assess student performance in each of the categories identified in the EVALUATION section of this syllabus. Student non-compliance with stated academic, honor, attendance, or participation expectations will result in a '0' for the associated evaluation.

Exams (3) <i>multiple choice, true/false, matching, short essay</i>	600 points
Participation <i>(attendance, class participation, writing assignments, in class assignments)</i>	200 points
Sport Ethics Debate Presentation (group project)	150 points
Mini Class Discussion - Current Sport Ethics Event	50 points
<b>TOTAL</b>	<b>1000 points</b>

### ***Instructor Expectations:***

1. All assigned reading for each class is expected to be done prior to class.
2. All written assignments must be typed (computer word processing is recommended).
3. **Regular attendance and participation is expected.** If you miss a class, it is your responsibility to obtain class materials from sources other than the instructor.
4. Students must abide by the Honor Code, guided by the spirit of academic integrity.

### ***Class Attendance:***

**It enhances your academic success to be in class; therefore, you should attend ALL scheduled class meetings in accordance with George Mason policy:** Students are expected to attend the class periods of the courses for which they register. In-class participation is important not only to the individual student, but to the class as a whole. **Because class participation may be a factor in grading, instructors may use absence, tardiness, or early departure as de facto evidence of nonparticipation.** Students who miss an exam with an acceptable excuse may be penalized according to the individual instructor's grading policy, as stated in the course syllabus.

### ***Participation:***

Respect the free exchange of thought in an academic environment and the participants therein. For example: a) do not have any sound emitting devices turned on; b) wait until the teacher/guest speaker has finished prior to gathering your belongings; and c) do not smoke, chew tobacco, eat, sleep, disrupt others by inappropriate talking, or disrespect the class schedule by being tardy. You are encouraged to a) feel free to openly and respectfully contribute your thoughts; b) listen actively to the comments of others; c) be punctual; d) ask any and all appropriate questions that you have; and e) maintain civility in your interpersonal communications. Class discussions will be conducted in a civil, informed fashion wherein disruptive students will be asked to leave the class. **Your contributions are not only welcomed, they are essential.**

**Alternative Work:** There is *NO* make-up work. Only those excused absences supported by documentation will be addressed at the instructor's discretion on an individual basis (e.g. a physician's note for an illness). Alternative work due to intercollegiate athletic competitions or other legitimate university activity must be arranged PRIOR to due date. A grade of '0' will be assigned to all missed work unless otherwise determined by the instructor.
