**ASSIGNMENT DESCRIPTION AND GRADING RUBRICS:**

**Participation:**

Participation in this class constitutes 20% of the grade and is strongly required as this will contribute to the content quality of the class as well as to your intellectual benefit from it. In addition, participation in the DB Forums is the only way to register attendance in the course.

**Homework and Short Assignments:**

**Multiple-choice tests (MCT):**

Multiple Choice Tests are 12% of the grade. They are constructed by the author of the text-book and will cover only text-book material on the chapter of the day. The number of questions for each MCT will be between 15-25 questions (depending on chapter length and content). Each student needs to have 5 graded multiple choice tests (MCT). *These test will be timed and must be completed in one sitting.* Missing a test leads to an F for this MCT and will NOT be compensated with another chance to receive a grade unless due to personal or family illness or emergency that must be communicated in advance and supported by a physician’s note.
**Grading Rubric for this category** (based on an average of 20 questions):

All answers correct = A+; 3 wrong answers = B+; 7 wrong answers = C+

1 wrong answer = A; 4 wrong answers = B; 8 wrong answers = C

2 wrong answers = A-; 5-6 wrong answers = B-; 9-10 wrong answers = C-

11 wrong answers = D+; 12 wrong answers = D; 13-15 wrong answers = D-

16+ wrong answers = F

**Short Essays (SE):**

Your preparation for class and your adaptation of class material will be also assessed through short essay answers on the textbook material - the chapter for the week. Essays will be checked for originality and the following essay criteria will apply: content mastery, research involved, grammar and style of responses, originality report, and APA style of academic formatting. Please see the **Short Essay Rubric in Grading Rubrics in Syllabus and Documents on BB.** Short Essays will comprise 9% of your grade and their length will vary between 1 and 4 pages double-spaced text. Missing a SE leads to an F and will NOT be compensated with another chance to receive a grade unless due to personal or family illness or emergency that must be communicated in advance, is supported by a physician’s note, and/or has led to a delay of delivery no more than a week.

**Group Project – DB Facilitation:**

You will need to sign up to work with a team of students on CREATING AND FACILITATING the discussion forums during one of the available course sessions. Please see the open **Team Sign-up discussion forum in Discussions on BB,** where you can find the available Chapter/Week choices and where you can express your interests in working with a team on a given topic. After that, please self-assign to the group of your choice in **Groups under Tools.**

Part of this assignment for your Team will be the creation of a Discussion Forum named **Clipping.** It will feature: selecting an article related to the reading assigned for the week; presenting the exact academic reference and the weblink (if any) for this article; sharing your personal impressions from that article; posting a question for the class based on the article's content; and facilitating a class discussion on the question responses or general impressions from the article. The article should be from an academic journal of your choice (you may see a list of possible journals under the Articles tab on the BB Syllabus or below the course calendar in the word version of the syllabus). Another part of the assignment is to read the book Chapter assigned for the week and decide on creating at least two other discussion forums with questions based on the chapter content. **Teams, please submit to me all discussion forums by Friday**
night on the week preceding the week of your facilitation. I will post the forums in BB after review. There is a Group Project Rubric posted in Grading Rubrics in Syllabus and Documents on BB.

Research Paper:

A minimum of 8 and a maximum of 12 pages double-spaced text (references and appendix including graphs, tables, pictures are additional to the above requirement and should not total more than another 5 pages) in APA academic style. The Research Paper theme may be an extension of your team’s Clipping Discussion Forum or Chapter Discussion Forums with the purpose of expanding the information provided in the book, or it may be a different topic from the list of topic areas studied in class. Exact duplication of Research Paper titles is not advisable, but there may be more than one paper from a topic area. Paper #1 (Research Paper) is due by midnight 11:59pm on Monday, December 5. No extension will be provided and each day of delay will cost 10% of the grade.

Grading Rubric: You must include at least 3 references from academic journals (see attached list) or books researched from the library or the library’s online search engines. Total number of references should not be less than 5 minimum in addition to the textbook. Content of paper should correspond to your Paper Title and should not be an exact replica of your group project (but should be a more academic compilation and/or extension of the information received in class from lectures, readings, presentations, personal hotel visits, discussed cases, and additional articles). APA style of writing is crucial and if not followed exactly will discount your grade with one point or 10% (e.g., A to B). The most important aspects from APA that you must follow are: font; line spacing; paragraph length and indenting; paper headings, sub-headings and structure; in-text references provided in the right format; end-page reference list; table and figure format; grammar and spelling; as well as syntax and style of writing (style should be formal, academic, reporting, and never in first person singular or plural – “I, me, we, our”, etc.). A Research Paper Rubric is provided in Grading Rubrics in Syllabus and Documents on BB.

Individual Mini-Practicum Project:

This assignment will comprise 18% of your grade and will include a personal/individual field trip shadowing of a hospitality manager in any department for a day of their work week. Please describe in detail the experience and the skills acquired as well as the knowledge gained. You can go to any brand or type of hospitality organizations with the above request. A suggestion of practicum locations can be provided by the professor upon request. Please see the Shadowing Report detailed Instructions below. APA style of writing will be applicable to all items with the exception of formal writing style (“I” and “we” forms of personal pronouns can be utilized in this document). An Individual Practicum Project Rubric is provided in Grading Rubrics in Syllabus and Documents on BB. Paper #2 (Shadowing Report) due by midnight 11:59pm on Monday, December 12.
SHADOWING REPORT DETAILED INSTRUCTIONS

1. Identify a professional hospitality manager who is currently working in the hospitality industry. You may NOT use a member of your family. (The Professor may have suggestions.)

2. Make an appointment to visit with this person for, preferably, a full day, but you must spend a minimum of 5 hours with this person. The appointment can occur anytime from the first day of class until the report is due. When setting the appointment, verify that you will be able to observe an actual face-to-face client/guest interaction (if applicable to the title of the manager).

3. The purpose for the visit is to observe a hospitality manager in action: making staff or customer presentations, probing, handling objections, closing, resolving conflicts, facilitating quality assurance inspections made by the brand, etc. You should sit-in and observe both the client/employee and the manager on any of the interactions. In addition, "pick the manager’s brain" regarding their profession with all of its pros and cons.

4. Prepare a 7-10-page (maximum), double-spaced paper describing your experience, focusing on what you learned in the process. Following are specific instructions:

   --Name, title, department, address and phone number of the hospitality manager (on cover page along with your name, etc.)

   --A brief introduction, explaining the type of hotel you have chosen, the amenities and services it provides.

   --A brief summary of the job - the particular responsibilities and tasks of the chosen hospitality manager. What does this person do on a daily basis? For example, what percentage of the day is spent on the phone, with clients or prospects, in the office, with other employees in various departments, how much on paperwork, etc.? What does he/she like or dislike about the job?

   --A short synopsis of what you and the manager did during your time together. Be sure to state how much time you spent with him/her.

   --Approximately two-thirds of the paper should discuss what you personally learned/gained from the experience. Relate this to the material from class by using APA format of in-text references to the sources. A more insightful and analytical paper will receive a higher grade.

**Grading Rubric:** The grade will be discounted with 10% if any (and for each) of the above listed 5 components is not addressed. The grade will be discounted with 5% for
any of these components being partially addressed.
