Puopolo - EDSE 115 003: Fall 2016
Course Policies & Expectations

Attendance.
Attendance, Tardiness, and Participation (30 points): Class attendance and participation is required. In order to learn and develop expressive and receptive skills in ASL, students must be present and on time during instruction and participate in the discussions and small group work that occurs during the class period. Additionally, each class builds upon the foundational knowledge of the previous class. If you have an emergency and will be absent, please inform the instructor in advance via email in order to be excused from class. Each student is allowed 1 excused absence. Beyond that, 5 points will be deducted per absence and 2 per each tardy.

No Voice Policy.
Our class has a NO VOICE policy. This class is a signing environment at all times for two reasons: (1) It is not considered inclusive to talk in front of a Deaf person and not make the information accessible. It is imperative that you develop the habit of signing when Deaf people are present. (2) This is an immersion class. Using ASL helps you develop your comprehension skills and your expressive skills quickly and effectively. Talking disrupts this process and points will be deducted from participation grade. If a fellow student asks you for your help, feel free to help by using signs you have learned or by writing back and forth. Part of the first class will be presented in voice but subsequent classes will be voice-off with no whispering. Some exceptions for voice-on will apply and will be explicitly announced.

Late Work.
No late work will be excepted unless arrangements have been made with the instructor prior to the due date. Upon acceptance, deductions may be made accordingly.

Tk20 Performance-Based Assessment Submission Requirement
Every student registered for any Special Education course with a required performance-based assessment is required to submit the (No Assessment Required for This Course) to Tk20 through Blackboard (regardless of whether the student is taking the course as an elective, a onetime course or as part of an undergraduate minor). Evaluation of the performance-based assessment by the course instructor will also be completed in Tk20 through Blackboard. Failure to submit the assessment to Tk20 (through Blackboard) will result in the course instructor reporting the course grade as Incomplete (IN). Unless the IN grade is changed upon completion of the required Tk20 submission, the IN will convert to an F nine weeks into the following semester.
