*Classroom Participation and Attendance Policy:*
Classroom participation is a vital part of this course. Due to the limited time frame, class attendance is indispensable. Therefore it is expected that students will attend all classes (which includes arriving on time and staying for the entire class) and participate fully in class discussions and exercises. Grades for this portion will be assigned due to the quality of participation (See blackboard for participation rubric). If students miss more than 1 class without an acceptable reason (e.g., family emergency, illness with a doctor’s certificate) they may not receive a passing grade for the course. If there is a scheduling conflict that interferes with attendance during any portion of the class students should see the instructor in the first class to discuss continuing in the class this semester or taking the course during another semester. The first day of class is mandatory. See Class Participation Rubric.

**Written Assignments:**
All written assignments must be completed on a word processor. Assignments are to be turned in at the beginning of class on the date due. All assignments must also be submitted to Safeassign via Blackboard to check for plagiarism by 4:30 p.m. on the due date. In addition, all work submitted in this course must be your own or attributed to the proper author using the appropriate research reference format (APA). All assignments must be in APA style 6th edition. There will be a point/grade deduction for APA errors.
