Professional Standards

Commission of Sport Management Accreditation (COSMA)

Upon completion of this course, students will have met the following professional standards:

Courses offered in the Sport and Recreation Studies (SRST) graduate program are guided by the principles of COSMA. COSMA (2016, p. 1) “bases its accrediting process on principles, rather than standards.” The eight recommended principles are:

- outcomes assessment;
- strategic planning;
- curriculum;
- faculty;
- scholarly and professional activities;
- resources;
- internal and external relationships; and
- educational innovation.

Course Performance Evaluation

Students are expected to submit all assignments on time in the manner outlined by the instructor (e.g., Blackboard, Tk20, hard copy).

- **Assignments and/or Examinations**

  *Marketing Plan Group Project* – In groups, students will create a unique marketing plan for a sport organization/event/activity. Using the information from the readings, independent research, and creativity, groups will prepare a detailed plan that includes a market analysis, marketing goals and objectives, detailed descriptions of the marketing mix, promotional plan and sponsorship/sales plan. These elements will be synthesized into a comprehensive, written marketing plan. This is worth 100 points.

  *Marketing Plan Presentation* – All members of the group must be active participants in the presentation. Visual support such as PowerPoint must be used and include all major elements of the marketing plan. This is worth 30 points.

  *Chapter Presentations* – Students will be asked to present in class some of the readings and turn in a two-page summary of the chapters presented. As part of the presentation students should prepare three questions about the topic presented that they would like for the class to discuss. This is worth 20 points.

  *Midterm and Final Exam* – The exams will consist of matching, multiple-choice, true-false, and/or essay questions. The exams will be based on any material assigned or discussed in class, including readings, quizzes, discussion, guest speakers, etc. The midterm exam will be worth 80 points and the final exam will be worth 100 points.

- **Other Requirements**

  *Participation* – Students must attend class in order to participate in the discussions generated by the readings. Contribution will be evaluated based on number and quality of questions asked or answered and opinion provided when asked. If you miss class points will be deducted. Attendance, participation and other in-class activities will be worth 70 points.
• **Grading**

The final grade in percentage terms will be converted to a letter grade per the following scale:

- A = 93% and above
- A- = 90-92%
- B+ = 87-89%
- B = 83-86
- B- = 80-82%
- C = 79-70%
- F = <70%

**Professional Dispositions**

See [https://cehd.gmu.edu/students/polices-procedures/](https://cehd.gmu.edu/students/polices-procedures/)

All students are expected to exhibit professional behaviors and dispositions at all times.

**Class Policies & Expectations:**

1. **You are expected to attend class.** Any work missed due to an absence **MAY NOT BE MADE UP**. The only exception to this policy is written documentation of a situation that **absolutely** prohibits you from attending class. **All late assignments result in a 10%/day (not class day, every day) penalty.**

2. **You should be on time**, stay for the whole class, listen attentively while you are here, and show through your behavior that you respect the fact that others in the class are here to learn. Arriving late is unacceptable. **If you arrive late or leave early, you will be assessed a tardy.** With the accumulation of 3 tardies, you will be assessed a penalty equal to one full absence. Your presence is indicative of your professional attitude and is necessary to derive maximal benefit from the class. The intent of this class is to offer you a means for professional development and to assist you in obtaining your career objectives.

3. **YOU ARE EXPECTED TO BE FULLY PREPARED FOR CLASS AND FULLY ENGAGED WHILE IN CLASS.** I expect you to have read all assigned readings, taken notes as applicable, and to be prepared and willing to discuss all readings in detail and take part in group work to the fullest extent. **Turn cell phones (and any other sound making device) off and if you bring a computer, it must be used for class purposes only.** Any other use is a distraction and you risk not being allowed to use your computer in class at all.

4. Please don’t hesitate to ask me for additional help if you need it. I am more than willing to provide such assistance. Remember, **you earn grades, I do not give them.**
