ECED 403.001 Inclusive Curriculum for Young Learners: Planning Instruction and Guidance
3 Credits, Fall 2017
Mondays/ 4:30 – 7:10 pm
Thompson Hall L013, Fairfax Campus

Faculty

Name: Debra Fulcher
Office Hours: By Appointment
Office Location: Thompson Hall 1200, Fairfax Campus
Office Phone: 703-314-2390 (c)
Email Address: dfulche1@gmu.edu

Prerequisites/Corequisites

None

University Catalog Course Description

Explores principles of learning, curriculum development, and relationship between assessment and instruction. Examines role of play and active exploration in learning. Addresses guiding children's behavior and the role of families and culture in children's learning. Notes: Field experience required. Offered by Graduate School of Education. May not be repeated for credit.

Course Overview

Not applicable

Course Delivery Method

This course will be delivered using a lecture and discussion format.

Learner Outcomes or Objectives

This course is designed to enable students to do the following:

1. Plan meaningful curriculum activities that are responsive to the interests, preferences, motivation, interaction styles, developmental status, learning history, and cultural variables of the child and family.
2. Demonstrate how meaningful curriculum activities link to *Virginia Standards of Learning* and *Virginia's Foundation Blocks for Early Learning: Comprehensive Standards for Four-Year-Olds*.
3. Develop individual and group activity plans and implement strategies to facilitate functional cognitive, social, communication, motor, and adaptive development.
4. Plan and adapt curriculum activities that are respectful of family identified outcomes, preferences, interaction styles, and cultural norms.
5. Develop and reflect on various behavior management strategies for culturally, linguistically, and ability diverse young children and their families.
6. Apply current research on effective developmentally appropriate practices to teaching young children from diverse backgrounds and varying abilities.

7. Analyze and design appropriate environments and materials to include addressing developmentally appropriate practices, anti-bias curriculum, and inclusion settings.
8. Utilize problem-solving strategies to address dilemmas encountered in diverse educational and community settings.
9. Analyze and describe the varied theoretical frameworks guiding early childhood curriculum approaches and practices.
10. Describe how ongoing data collection and management of classroom plans can be used to monitor child progress in the context of daily activities.

Professional Standards (Council for Exceptional Children and National Association for the Education of Young Children)

Upon completion of this course, students will have met the following professional standards:

CEC Standard Elements

CEC 5.1 *Beginning special educators consider an individual's abilities, interests, learning environments, and cultural and linguistic factors in the selection, development, and adaptation of learning experiences for individual with exceptionalities.*

CEC 5.3 *Beginning special educators are familiar with augmentative and alternative communication systems and a variety of assistive technologies to support the communication and learning of individuals with exceptionalities.*

NAEYC Standard Elements

NAEYC 3d *Knowing about assessment partnerships with families and with professional colleagues to build effective learning environments*

NAEYC 4a *Understanding positive relationships and supportive interactions as the foundations of their work with children*

NAEYC 4b *Knowing and understanding effective strategies and tools for early education, including appropriate uses of technology*

NAEYC 5a *Understanding content knowledge and resources in academic disciplines: language and literacy; the arts – music, creative movement, dance, drama, visual arts; mathematics; science, physical activity, physical education, health and safety; and social studies*

Required Texts

American Psychological Association. (2010). *Publication manual of the American Psychological Association* (6th ed.). Washington, DC: Author. ISBN: 978143380561

Kostelink, M., Soderman, A., & Whiren, A. (2015). *Developmentally appropriate curriculum: Best practices in early childhood education* (6th ed.). Columbus, OH: Pearson Education. ISBN: 9780133351774

Recommended Text

Bullard, J. (2017). *Creating environments for learning: Birth to age 8* (3rd ed.). Upper Saddle River, NJ: Pearson Education. ISBN: 9780134014555

Copple, C., & Bredekamp, S. (Eds). (2009). *Developmentally appropriate practice in early childhood programs serving children from birth through age 8* (3rd ed.). Washington DC: NAEYC. ISBN: 9781928896647

Course Performance Evaluation

Students are expected to submit all assignments on time in the manner outlined by the instructor (e.g., Blackboard, Tk20, hard copy).

Assignments	Due Dates	Points

TOTAL		100

- Assignments and/or Examinations**

Child Guidance Group Presentation (15 points)

Students will work with classmates to select an article from a group of articles provided by the instructor that is related to the topic positive guidance for young children. A group of approximately two to three students will be responsible for presenting information and facilitating a discussion related to their chosen article during an assigned class session. The discussion must include a handout that highlights the key points of the article (not a handout of a Power point) and an interactive activity to enable classmates to explore the topic presented. The presentation **should not exceed 30 minutes**. Students will select their topic and date of presentation during the second class.

Field Experience

Field Experience Documentation (10 points)

This course requires a minimum of 15 hours field experience in an early childhood education classroom (prekindergarten through third grade). To initiate this assignment, students will visit <https://cehd.gmu.edu/teacher/internships-field-experience> and complete the online “Field Experience Request Form.” On the form they will be asked to indicate how their placement will be arranged.

Students will upload the ***Field Experience Placement Approval Form***. In this form they will provide a statement confirming that they have completed the online “Field Experience Request Form” and they will provide information to the instructor about where and how they will complete the field experience (**1 point**).

Upon completion of their field experience hours, students will provide documentation of their experience (**4 points**).

- If they completed the field experience within their own setting, they will upload the ***On-the-Job Placement Documentation Form*** to Blackboard.

- If they attended a field placement other than where they work, they will upload the ***Field Experience Documentation Form*** to Blackboard. This form requires verification from the mentoring teacher on site.

Students will share with the group a ***Field Experience Reflection (5 points)*** of their field experiences that includes positive outcomes as well as ideas for enriching future field experiences.

Environmental Analysis (15 points)

Students will develop a four-to five-page report that discusses the following points about the early childhood education classroom setting observed during the field experience:

- Overview of the classroom arrangement;
- Description of meaningful curriculum activities observed and how they reflect various developmental areas/domains;
- Adaptations and modifications for children with special needs, cultural differences, etc.;
- Augmentative and/or assistive technology;
- Specific strategies observed for building positive relationships and supportive interactions with children; and
- Suggestions for enhancing the curriculum and classroom environment.

Students will cite current research from the course textbooks, class discussions and handouts, and/or other relevant peer-reviewed sources to support the information they provide. They will use in-text citations and include a reference list per APA style guidelines.

Instructional Plan (45 points)

This is Key Assessment 3 Instructional Plan that shows evidence of meeting CEC and NAEYC Standards. This assignment must be submitted to Tk20 on Blackboard. See the attached assessment description and scoring rubric.

• **Other Requirements**

Attendance and Participation (15 points)

Because active participation and engagement are imperative for optimal learning, preparation for and participation in in-class activities will be evaluated based on the following criteria:

- Students attend class, arrive on time, and stay for the entire class period.
- Students complete readings and prepare for class activities prior to class as is evidenced by their ability to discuss and write about the concepts presented and examined in the texts as well as participate fully in related activities.
- Students are actively involved in in-class and online learning experiences as is evidenced by (a) participating in all activities, (b) engaging in small and large group discussions, (c) using laptops and other electronic devices only to support discussion and learning and not for non-academic uses during class time, (d) completing written work related to the activities, and (e) supporting the participation and learning of classmates.
- Students show evidence of critical reflective thinking through in-class and online discussions, activities, and written reflections.

Note: To determine whether the campus is closed due to inclement weather, call 703-993-1000 or go to www.gmu.edu.

Written Assignments

All formal written assignments will be evaluated for content and presentation. The American Psychological Association, Sixth Edition (APA) style will be followed for all written work. All written work unless otherwise noted must be completed on a word processor and should be proofread carefully. (Use spell check!) If students are not confident of their own ability to catch errors, they should have another person proofread their work. When in doubt, they should check the APA manual. Portions of the APA manual appear at the Style Manuals link on the Mason library website at <http://infoguides.gmu.edu/content.php?pid=39979>. Students may consult the Writing Center for additional writing support.

Students will do the following:

1. Present ideas in a clear, concise, and organized manner. (Avoid wordiness and redundancy.)
2. Develop points coherently, definitively, and thoroughly.
3. Refer to appropriate authorities, studies, and examples to document where appropriate. (Avoid meaningless generalizations, unwarranted assumptions, and unsupported opinions.)
4. Use correct capitalization, punctuation, spelling, and grammar.

Type the paper with double spacing, indented paragraphs, 1-inch margins all around, and 12-point Times New Roman font.

• Grading

A = 95 – 100

A- = 90 – 94

B+ = 87 – 89

B = 83 – 86

B- = 80 – 82

C = 70 – 79

D = 60 – 69

F = < 60

All CEHD undergraduate and graduate students are held to the university grading policies as described in the Academic Policies section of the current catalog, which can be accessed at <http://catalog.gmu.edu>. Those students enrolled in a CEHD Licensure Graduate Certificate program, however, must earn a B- or better in all licensure coursework. A degree-seeking graduate student will be dismissed after accumulating grades of F in two courses or 9 credits of unsatisfactory grades (C or F) in graduate courses. A 3.0 grade point average is required for completion of the graduate degree.

Professional Dispositions

Students are expected to exhibit professional behaviors and dispositions at all times.

Class Schedule

Date	Topics	Readings and Assignments
Aug 28	Introductions Syllabus Assignments Introduction to Curriculum	NAEYC Developmentally Appropriate Practice Position Statement (see BB)
Sept 4	<i>No Class – Labor Day Holiday</i>	
Sept 11	Positive Relationships Supportive Teacher-Student Interactions	Kostelnik et al., Ch. 1 DUE – Sign Up for Child Guidance Group Presentation

		DUE: Field Experience Placement Approval Form
Sept 18	Linking Cycle of Learning to Teaching Effective Teaching Strategies	Kostelnik et al., Ch. 2
Sept 25	Online Class Curriculum Planning/Integrated Curriculum, Effective Small Group Activities	Kostelnik et al., Ch. 3
Oct 2	Classroom Environment and Learning Centers Plan/Design/Refine	Kostelnik et al., Ch. 5 DUE – Child Guidance Group Presentation #1

Oct 16	Development of Social Skills Planning for Cultural Diversity	Kostelnik et al., Ch. 14 DUE to Bb – Instructional Plan Part 1: Introducing and Considering the Child
Oct 23	Investigating Curriculum Designs Integration across Content Play and the Curriculum	Kostelnik et al., Ch. 15 DUE – Child Guidance Group Presentation #3
Oct 30	Child Guidance Affective Domain	Kostelnik et al., Ch. 6 & 10 DUE – Child Guidance Group Presentation #4 Due to Bb – Environmental Analysis
Nov 6	Curriculum Planning Effective Group Activities	Kostelnik et al., Ch. 4 DUE – Child Guidance Group Presentation #5

Nov 13	Planning Formats Reflecting Child Interest and Standards Role of Observation/Data Collection/Assessment	Kostelnik et al., Ch. 7 & 12 DUE – Child Guidance Group Presentation #6 DUE to Bb – <i>Instructional Plan Part 2: Establishing Positive Relationships and Instructional Strategies</i>
Nov 20	Integrated planning Curriculum Development Individualization	Kostelnik et al., Ch. 11 DUE – Child Guidance Group Presentation #7
Nov 27	Physical Activity and Learning	Kostelnik et al., Ch. 16 DUE – Child Guidance Group Presentation #8 DUE to Bb – <i>Instructional Plan Part 3: Developing a Lesson Plan</i>
Dec 4	Family Engagement Role of Families and Communities in Informing Curriculum	Kostelnik et al., Ch. 8 DUE to Bb – Field Experience Documentation Form DUE to Bb – Field Experience Reflection
Dec 11	<i>No Class – Reading Day</i>	Due to Tk20 through Bb: <i>Key Assessment 3 Instructional Plan</i>
Dec 18	<i>No Class – Finals Week</i>	

Core Values Commitment

The College of Education and Human Development is committed to collaboration, ethical leadership, innovation, research-based practice, and social justice. Students are expected to adhere to these principles: <http://cehd.gmu.edu/values/>.

GMU Policies and Resources for Students

Policies

- Students must adhere to the guidelines of the Mason Honor Code (see <http://oai.gmu.edu/the-mason-honor-code/>).
- Students must follow the university policy for Responsible Use of Computing (see <http://universitypolicy.gmu.edu/policies/responsible-use-of-computing/>).
- Students are responsible for the content of university communications sent to their Mason email account and are required to activate their account and check it regularly. All communication from the university, college, school, and program will be sent to students **solely** through their Mason email account.
- Students with disabilities who seek accommodations in a course must be registered with George Mason University Disability Services. Approved accommodations will begin at the time the written letter from Disability Services is received by the instructor (see <http://ods.gmu.edu/>).
- Students must follow the university policy stating that all sound emitting devices shall be silenced during class unless otherwise authorized by the instructor.

Campus Resources

- Support for submission of assignments to Tk20 should be directed to tk20help@gmu.edu or <https://cehd.gmu.edu/aero/tk20>. Questions or concerns regarding use of Blackboard should be directed to <http://coursessupport.gmu.edu/>.
- For information on student support resources on campus, see <https://ctfe.gmu.edu/teaching/student-support-resources-on-campus>.

For additional information on the College of Education and Human Development, please visit our website <https://cehd.gmu.edu/>.
