• Assignments and/or Examinations

Child Guidance Group Presentation (15 points)
Students will work with classmates to select an article from a group of articles provided by the instructor that is related to the topic positive guidance for young children. A group of approximately two to three students will be responsible for presenting information and facilitating a discussion related to their chosen article during an assigned class session. The discussion must include a handout and an interactive activity to enable classmates to explore the topic presented. The presentation should not exceed 30 minutes. Students will select their topic and date of presentation during the first class.

Field Experience

Field Experience Documentation (10 points)
This course requires a minimum of 15 hours field experience in an early childhood education classroom (PreK through third grade). To initiate this assignment, students will visit https://cehd.gmu.edu/endorse/ferf and complete the online “Field Experience Request Form.” On the form they will be asked to indicate how their placement will be arranged.

Students will upload the Field Experience Placement Approval Form. In this form they will provide a statement confirming that they have completed the online “Field Experience Request Form” and they will provide information to the instructor about where and how they will complete the field experience (1 point).

Upon completion of their field experience hours, students will provide documentation of their experience (9 points).
• If they completed the field experience within their own setting, they will upload the On-the-Job
Placement Documentation Form to Blackboard.

- If they attended a field placement other than where they work, they will upload the Field Experience Documentation Form to Blackboard. This form requires verification from the mentoring teacher on site.

Field Experience Observation and Reflection (20 points)
Students will develop a five-page report that discusses the following points about the early childhood education classroom setting observed during the field experience:

- Overview of the classroom arrangement;
- Description of meaningful curriculum activities observed and how they reflect various developmental areas/domains;
- Adaptations and modifications for children with special needs, cultural differences, etc.;
- Augmentative and/or assistive technology;
- Specific behavior management strategies observed; and
- Suggestions for enhancing the curriculum and classroom environment.

Students will cite current research from the course textbooks, class discussions and handouts, and/or other relevant peer-reviewed sources to support the information they provide. They will use in-text citations and include a reference list per APA style guidelines.

Instructional Plan (40 points)
This is Key Assessment 3 Ability to Plan Appropriate Teaching and Learning Experiences: Instructional Lesson Plan that shows evidence of meeting CEC and NAEYC Standards. This assignment must be submitted to Tk20 on Blackboard. See the attached assessment description and scoring rubric.

- Other Requirements

Attendance and Participation (15 points)
Because active participation and engagement are imperative for optimal learning, preparation for and participation in in-class activities will be evaluated based on the following criteria:

- Students attend class, arrive on time, and stay for the entire class period.
- Students complete readings and prepare for class activities prior to class as is evidenced by their ability to discuss and write about the concepts presented and examined in the texts as well as participate fully in related activities.
- Students are actively involved in in-class and online learning experiences as is evidenced by (a) participating in all activities, (b) engaging in small and large group discussions, (c) using laptops and other electronic devices only to support discussion and learning and not for non-academic uses during class time, (d) completing written work related to the activities, and (e) supporting the participation and learning of classmates.
- Students show evidence of critical reflective thinking through in-class and online discussions, activities, and written reflections.

Note: To determine whether the campus is closed due to inclement weather, call 703-993-1000 or go to www.gmu.edu.

Written Assignments
All formal written assignments will be evaluated for content and presentation. The American Psychological Association, Sixth Edition (APA) style will be followed for all written work. All
written work unless otherwise noted must be completed on a word processor and should be
proofread carefully. (Use spell check!) If students are not confident of their own ability to catch
eros, they should have another person proofread their work. When in doubt, they should check the
APA manual. Portions of the APA manual appear at the Style Manuals link on the Mason library
website at http://infoguides.gmu.edu/content.php?pid=39979. Students may consult the Writing
Center for additional writing support.

Students will do the following:
1. Present ideas in a clear, concise, and organized manner. (Avoid wordiness and redundancy.)
2. Develop points coherently, definitively, and thoroughly.
3. Refer to appropriate authorities, studies, and examples to document where appropriate.
   (Avoid meaningless generalizations, unwarranted assumptions, and unsupported opinions.)
4. Use correct capitalization, punctuation, spelling, and grammar.
Type the paper with double spacing, indented paragraphs, 1-inch margins all around, and 12-
point Times New Roman font.

All CEHD undergraduate and graduate students are held to the university grading policies as
described in the Academic Policies section of the current catalog, which can be accessed at
http://catalog.gmu.edu. Those students enrolled in a CEHD Licensure Graduate Certificate program,
however, must earn a B- or better in all licensure coursework. A degree-seeking graduate student
will be dismissed after accumulating grades of F in two courses or 9 credits of unsatisfactory grades
(C or F) in graduate courses. A 3.0 grade point average is required for completion of the graduate
degree.

Professional Dispositions
Students are expected to exhibit professional behaviors and dispositions at all times.

**Core Values Commitment**  
The College of Education and Human Development is committed to collaboration, ethical leadership, innovation, research-based practice, and social justice. Students are expected to adhere to these principles: [http://cehd.gmu.edu/values/](http://cehd.gmu.edu/values/).
GMU Policies and Resources for Students

Policies

• Students must adhere to the guidelines of the Mason Honor Code (see http://oai.gmu.edu/the-mason-honor-code/).

• Students must follow the university policy for Responsible Use of Computing (see http://universitypolicy.gmu.edu/policies/responsible-use-of-computing/).

• Students are responsible for the content of university communications sent to their Mason email account and are required to activate their account and check it regularly. All communication from the university, college, school, and program will be sent to students solely through their Mason email account.

• Students with disabilities who seek accommodations in a course must be registered with George Mason University Disability Services. Approved accommodations will begin at the time the written letter from Disability Services is received by the instructor (see http://ods.gmu.edu/).

• Students must follow the university policy stating that all sound emitting devices shall be silenced during class unless otherwise authorized by the instructor.

Campus Resources

• Support for submission of assignments to Tk20 should be directed to tk20help@gmu.edu or https://cehd.gmu.edu/aero/tk20. Questions or concerns regarding use of Blackboard should be directed to http://coursessupport.gmu.edu/.

• For information on student support resources on campus, see https://ctfe.gmu.edu/teaching/student-support-resources-on-campus.
