Required Resources

1. Go to the BACB website and download the most recent Task List and Professional and Ethical Code

for Behavior Analysts

2. Students must complete the Supervision Module on the BACB website. As stated by the BACB,

"Supervisees may not start accumulating Supervised Independent Fieldwork, Practicum or Intensive Practicum hours until they have completed and passed the online training module over these standards. The module can be completed in under 90 minutes and is available free of charge via the Training tab in the BACB Gateway at www.BACB.com."

Course Performance Evaluation

Students are expected to submit all assignments on time in the manner outlined by the instructor (e.g., Blackboard, Tk20, hard copy).

Tk20 Performance-Based Assessment Submission Requirement

It is critical for the special education program to collect data on how our students are meeting accreditation standards. Every teacher candidate/student registered for an EDSE course with a required Performance-based Assessment (PBA) is required to upload the PBA to Tk20 (regardless of whether a course is an elective, a one-time course or part of an undergraduate minor). A PBA is a specific assignment, presentation, or project that best demonstrates one or more CEC, InTASC or other standard connected to the course. A PBA is evaluated in two ways. The first is for a grade, based on the instructor's grading rubric. The second is for program accreditation purposes. Your instructor will provide directions as to how to upload the PBA to Tk20.

For EDSE 499, the required PBA is (NO ASSESSMENT REQUIRED FOR THIS COURSE). Failure to submit the assignment to Tk20 will result in reporting the course grade as Incomplete (IN). Teacher candidates/students have until five days prior to the University-stated grade change deadline to upload the required PBA in order to change the course grade. When the PBA is uploaded, the teacher candidate/student is required to

notify the instructor so that the "IN" can be changed to a grade. If the required PBA is not uploaded five days prior to the University-stated grade change deadline and, therefore, the grade not changed, it will become an F. Please check to verify your ability to upload items to Tk20 before the PBA due date.

Students will submit initial and final documents to Blackboard. Initial documents include a practicum supervision contract, Confidentiality policy and Declaration of Professional Practice. A home setting practicum may include additional consent forms such as authorization to share information and/or record session, and/or adult-in-home policy. A school-based setting may require additional consent forms such as authorization to disclose and/or audio/video consent. End of semester documents includes a summary Experience Verification form as well as each supervision form for the week.

Assignments and/or Examinations

Performance-based Assessment (Tk20 submission required) N/A

College Wide Common Assessment (TK20 submission required)

The following documents must be uploaded onto Blackboard at the start (i.e., first 2 weeks)

of the semester: 1) Practicum supervision contract, 2) Confidentiality Policy, and 3) Declaration of Professional Practice. Consent forms are submitted as needed. 4) Screen shot of BACB Module

The following documents must be uploaded at the end of the semester: 1) Session feedback form (i.e., 15 supervised sessions = 15 forms), and 2) Summary Verification Form (copy) – student keeps original document

Students are responsible for maintaining a log of hours, which may be requested by the BCBA supervisor to determine if progress is being made toward the total hours for the semester. Students are encouraged to maintain a Practicum Binder which sections of the Task List and supporting evidence of work.

Performance-based Common Assignments (No Tk20 submission required.) $\ensuremath{\mathrm{N/A}}$

Other Assignments

Students are highly encouraged to complete a practicum project that includes a behavior change component. The focus of the project is for the practicum student to acquire new behavior-analytic skills. Activities must be consistent with the dimensions of applied behavior analysis identified by Bear, Wolf, and Risley (1968). Examples of the project can include:

• Conducting assessments related to the need for behavioral interventions

- Demonstration of a behavior change process
- Design, implementation, and evaluation of a skill-acquisition program
- Design, implementation, and evaluation of a training program

If a supervisee is unable to obtain the signature of a supervisor on the Experience Verification Form or disagrees with the total number of hours recorded on the form, the supervisee may supplement his or her application with proof of the following:

- A Copy of the supervisory contract
- B. Copies of the signed Experience Supervision Forms completed during the experience
- C. Letters or other documentation from third parties who observed the supervisory relationship

Supervisees also must provide the supervisor with copies of the documentation they are submitting to the BACB and must include proof of provision of this information to the supervisor (e.g., certified mail receipt along with a letter from the supervisee to the supervisor).

Course Policies and Expectations Attendance/Participation

You are expected to attend each supervision meeting scheduled with your BCBA supervisor (or supervisor designee for those participating in group supervision). You may miss no more than two of these meetings in the 15 week semester, with prior notice of at least 24 hours given for each. Should circumstances necessitate tardiness, you are expected to phone/email your supervisor and notify her or him. You will be responsible for making up any time lost due to absence or tardiness.

Late Work

You must have completed the online Supervision Module on the BACB website. Hours cannot be accrued until you have completed this module. Students who do not complete this module will receive the grade of "Fail."

At the beginning of the semester sign and submit the

- Practicum Supervision contract
- Confidentiality policy, and
- Declaration of Professional Practicum
- Screen shot of supervision module

no later than the end of the second week of the academic semester. Consent forms must be obtained prior to disclosing information or audio/video recording sessions. Failure to obtain proper consent forms may result in removal from the practicum placement.

At the end of each semester, you must submit the Summary of Experience Verification form along with each Session Experience Supervision Forms to GMU online assessment system (TK20) by the last day of the semester. Failure to submit forms will result in an incomplete for the practicum.

Grading Scale

Practicum is graded on a Pass / Fail system. To obtain a passing grade, the following tasks and performances must be met:

- 1. Complete and pass the online training module found on the BACB website (www.bacb.com)
- 2. Receive a Satisfactory rating on more than 80% of the Session Experience Verification forms during individual supervision sessions.
- 3. Initial documents (i.e., Practicum Supervision Contract, Confidentiality policy, Declaration of Professional Practice, and necessary consent forms) must be uploaded onto GMU's online assessment system.
- 4. End of the semester documents (ie, Summary experience verification form and Session experience verification forms) must be uploaded onto GMU's online assessment system.

*Note: The George Mason University Honor Code will be strictly enforced. Students are responsible for reading and understanding the Code. "To promote a stronger sense of mutual responsibility, respect, trust, and fairness among all members of the George Mason University community and with the desire for greater academic and personal achievement, we, the student members of the university community, have set forth this honor code: Student members of the George Mason University community pledge not to cheat, plagiarize, steal, or lie in matters related to academic work." Work submitted <u>must</u> be your own or with proper citations (see https://catalog.gmu.edu/policies/honor-code-system/).

Professional Dispositions

Students are expected to exhibit professional behaviors and dispositions at all times. See https://cehd.gmu.edu/students/polices-procedures/
