KINE 490.001 – Kinesiology Internship III
12 Credits, Spring 2018

Faculty

Name: Jonathan Neddo MSc, CSCS
Office Hours: By Appointment
Office Location: Bull Run Hall 210C, SciTech Campus
Office Phone: 703-993-7020
Email Address: jneddo@gmu.edu

Prerequisites/Corequisites

90 credits (Senior status), KINE 330, KINE 341, KINE 400, KINE 410, KINE 420, KINE 441, Attempt of the Health Fitness Certification (HFS) or Certified Strength and Conditioning Specialist (CSCS) exam, Current CPR, AED, and First Aid Certification

University Catalog Course Description

Provides a directed, field-based experience, in which students observe and participate in conditions, practices, and settings where sought career roles are conducted. The kinesiology fieldwork coordinator must approve placement for the internship. Both a faculty advisor and an approved agency supervisor with recognized professional certifications coordinate and oversee the student's internship experience.

Course Overview

This is the final of three fieldwork experiences in which students are provided an opportunity to practice and refine practitioner-oriented skills that are required of entry-level kinesiology professionals. This course satisfies the University general education requirement for the synthesis course. The purpose of the synthesis course is to provide students with the opportunity to synthesize the knowledge, skills, and values gained from the general education curriculum. Students are held to the standards of the George Mason University Honor Code. Students are expected to meet all course requirements and fulfill your duties and responsibilities as stipulated by the onsite supervisor.

Course Delivery Method

This course will be delivered using an internship format. In addition to requiring a minimum of 400 internship hours (30 hours weekly minimum), interns need to meet other requirements described in this syllabus.

Learner Outcomes or Objectives

This course is designed to enable students to do the following:

1. Synthesize theories, concepts, and philosophies learned through academic and relevant professional experiences to the vocational setting
2. Demonstrate skills and competencies of an entry-level kinesiology professional in the vocational setting
3. Assess his/her current professional strengths and areas in need of improvement
4. Set personal objectives for a career in kinesiology utilizing both personal assessment and evaluation by the academic institution and the internship site

Professional Standards

This course meets the Commission on Accreditation of Allied Health Education Programs (CAAHEP) requirements and covers the following American College of Sports Medicine's Knowledge-Skills-Abilities (KSA's):

KSA	Description	Lecture, Lab, or both
	GENERAL POPULATION/CORE EXERCISE PRESCRIPTION AND PROGRAMMING	
1.7.32	Ability to communicate appropriately with exercise participants during initial screening and exercise programming.	Lab
	GENERAL POPULATION/CORE: PROGRAM ADMINISTRATION, QUALITY ASSURANCE, AND OUTCOME ASSESSMENT	
1.11.8	Ability to create and maintain records pertaining to participant exercise adherence, retention, and goal setting.	Lab
1.11.9	Ability to develop and administer educational programs (e.g., lectures, workshops) and educational materials.	Lab
1.11.12	Ability to provide and administer appropriate customer service.	Lab

Required Texts

Internship manual (2012). School of Recreation, Health, and Tourism, George Mason University, Manassas, Virginia.

Course Performance Evaluation

Students are expected to submit all assignments on time in the manner outlined by the instructor (e.g., Blackboard, Tk20, hard copy).

- *Weekly internship reports:* Weekly hours are accumulated Monday- Sunday. Reports are due via Blackboard by 11:59pm on Monday, the day after the week closes. Reports must be thoughtful and well-written.
 - Specific guidelines on how to save and submit will be explained in the Weekly Report content area
 - Gradebook will reflect hours
- *Special Project and Final Presentation:* See Special Project Proposal Form as well as Guidelines for the Special Project/Final Presentation (available at Bb KINE 490).
- *Mid-Point and End-Point Performance Assessments:* Each completed by the agency supervisor and shared with intern then submitted to faculty advisor. The mid-point Performance Assessment is the basis to the site visit conducted by the faculty advisor.
- *Intern report:* To be completed by you at the end of your internship regarding your evaluation of your site and supervisor
- ACSM EP-C or NSCA CSCS exam results in official score report
 - Use coupon code **ERPGMU2** for \$25 off the CSCS exam
 - When you complete the exam, you're given the results immediately. This report is what needs to be submitted to your faculty advisor (not simply "I failed/I passed").
- *Portfolio:* Faculty advisor works with intern to compile during the internship
 - Keep record of whatever books/readings/assignments your site supervisor has you doing during your internship. If you aren't doing assignments/projects/marketing/etc. during your internship, please let your faculty advisor know so they can help you and your supervisor determine appropriate mentorship material(s).
 - Your weekly reports will provide material from which we can develop this portfolio with, so don't skimp on the notes.
- *Internship Evaluation and Senior Survey:* Completed at end of internship

Grading

The faculty supervisor (KINE 490 instructor) assigns the grade based on the intern's meeting of the internship requirements. The grade will either be "Satisfactory" (S), reflecting a C grade of better, or a "No Credit" (NC), which is the equivalent to a failing grade. Anyone receiving a grade of NC will be required to begin a new internship experience, including re-enrollment and repayment for the 12-credit hours. An 'Incomplete' (IN) grade may be assigned until all internship requirements are completed.

Professional Dispositions

See <https://cehd.gmu.edu/students/policies-procedures/>

Class Schedule

The course will follow what is described in the Kinesiology Internship Manual.

Core Values Commitment

The College of Education and Human Development is committed to collaboration, ethical leadership, innovation, research-based practice, and social justice. Students are expected to adhere to these principles: <http://cehd.gmu.edu/values/>.

GMU Policies and Resources for Students

Policies

- Students must adhere to the guidelines of the Mason Honor Code (see <http://oai.gmu.edu/the-mason-honor-code/>).
- Students must follow the university policy for Responsible Use of Computing (see <http://universitypolicy.gmu.edu/policies/responsible-use-of-computing/>).
- Students are responsible for the content of university communications sent to their Mason email account and are required to activate their account and check it regularly. All communication from the university, college, school, and program will be sent to students **solely** through their Mason email account.
- Students with disabilities who seek accommodations in a course must be registered with George Mason University Disability Services. Approved accommodations will begin at the time the written letter from Disability Services is received by the instructor (see <http://ods.gmu.edu/>).
- Students must follow the university policy stating that all sound emitting devices shall be silenced during class unless otherwise authorized by the instructor.

Campus Resources

- Support for submission of assignments to Tk20 should be directed to tk20help@gmu.edu or <https://cehd.gmu.edu/aero/tk20>. Questions or concerns regarding use of Blackboard should be directed to <http://coursessupport.gmu.edu/>.
- The Writing Center provides a variety of resources and services (e.g., tutoring, workshops, writing guides, handbooks) intended to support students as they work to construct and share knowledge through writing (see <http://writingcenter.gmu.edu/>).
- The Counseling and Psychological Services (CAPS) staff consists of professional counseling and clinical psychologists, social workers, and counselors who offer a wide

range of services (e.g., individual and group counseling, workshops and outreach programs) to enhance students' personal experience and academic performance (see <http://caps.gmu.edu/>).

- The Student Support & Advocacy Center staff helps students develop and maintain healthy lifestyles through confidential one-on-one support as well as through interactive programs and resources. Some of the topics they address are healthy relationships, stress management, nutrition, sexual assault, drug and alcohol use, and sexual health (see <http://ssac.gmu.edu/>). Students in need of these services may contact the office by phone at 703-993-3686. Concerned students, faculty and staff may also make a referral to express concern for the safety or well-being of a Mason student or the community by going to <http://ssac.gmu.edu/make-a-referral/>.
