### **Required Textbooks**

None required

### **Recommended Textbooks**

American Psychological Association. (2010). *Publication manual of the American Psychological Association* (6th ed.). Washington, DC: Author.

## **Required Resources**

- Go to the BACB website and download the latest BCBA Task List and Professional and Ethical Code
- Review the BACB March newsletter to read about the monthly system for BCBA/BCaBA Experience Standards  
<https://www.bacb.com/wp-content/uploads/BACB-bcbabcaba-Experience-Standards.pdf>

## **Course Performance Evaluation**

Students are expected to submit all assignments on time in the manner outlined by the instructor (e.g., Blackboard, Tk20, hard copy).

### **Tk20 Performance-Based Assessment Submission Requirement**

It is critical for the special education program to collect data on how our students are meeting accreditation standards. Every teacher candidate/student registered for an EDSE course with a required Performance-based Assessment (PBA) is required to upload the PBA to Tk20 (regardless of whether a course is an elective, a one-time course or part of an undergraduate minor). A PBA is a specific assignment, presentation, or project that best demonstrates one or more CEC, InTASC or other standard connected to the course. A PBA is evaluated in two ways. The first is for a grade, based on the instructor's grading rubric. The second is for program accreditation purposes. Your instructor will provide directions as to how to upload the PBA to Tk20.

For EDSE 799, the required PBA is (NO ASSESSMENT REQUIRED FOR THIS COURSE). Failure to submit the assignment to Tk20 will result in reporting the course grade as Incomplete (IN). Teacher candidates/students have until five days prior to the University-stated grade change deadline to upload the required PBA in order to change the course grade. When the PBA is uploaded, the teacher candidate/student is required to notify the instructor so that the "IN" can be changed to a grade. If the required PBA is not uploaded five days prior to the University-stated grade change deadline and, therefore, the grade not changed, it will become an F. Please check to verify your ability to upload items to Tk20 before the PBA due date.

Students will submit initial and final documents to Blackboard. Initial documents include a practicum supervision contract, Confidentiality policy and Declaration of Professional Practice. A home setting practicum may include additional consent forms such as authorization to share information and/or record session, and/or adult-in-home policy. A school-based setting may require additional consent forms such as authorization to disclose and/or audio/video consent. End of semester documents includes a summary Experience Verification form as well as each supervision form for the week.

## **Assignments and/or Examinations**

### **Performance-based Assessment (Tk20 submission required)**

1. Initial Documents
  - Supervision Contract

- Declaration of Professional Practice
- Confidentiality Policy
- Consent forms (as needed)

2. Final Documents

- Monthly Experience Verification Forms
- Final Verification Form

**College Wide Common Assessment (TK20 submission required)**

None

**Performance-based Common Assignments (No Tk20 submission required)**

. Experience Tracker

Students are responsible for maintaining a log of hours, which may be requested by the BCBA supervisor to match supervised hours with hours worked and to determine if progress is made toward the total hours for the semester.

2. Supervision Binder

Students are responsible for creating and maintaining a Supervision Binder to show evidence of learning activities based on the BACB Tasklist sections.

3. ABA Project

Students are encouraged to develop a practicum project focused on behavior change. The focus of the project is for the practicum student to acquire new behavior-analytic skills. Activities must be consistent with the dimensions of applied behavior analysis identified by Bear, Wolf, and Risley (1968). Examples of the project can include:

- Conducting assessments related to the need for behavioral interventions
- Demonstration of a behavior change process
- Design, implementation, and evaluation of a skill-acquisition program
- Design, implementation, and evaluation of a training program

**CONTESTED EXPERIENCE:**

If a supervisee is unable to obtain the signature of a supervisor on the Experience Verification Form or disagrees with the total number of hours recorded on the form, the supervisee may supplement his or her application with proof of the following:

A Copy of the supervisory contract

B. Copies of the signed Monthly and Final Experience Supervision Forms completed during the experience

C. Letters or other documentation from third parties who observed the supervisory relationship

Supervisees also must provide the supervisor with copies of the documentation they are submitting to the BACB and must include proof of provision of this information to the supervisor (e.g., certified mail receipt along with a letter from the supervisee to the supervisor).

## **Course Policies and Expectations**

### **Attendance/Participation**

You are expected to attend each supervision meeting scheduled with your BCBA supervisor (or supervisor designee for those participating in group supervision). You may miss no more than two of these meetings in the 15 week semester, with prior notice of at least 6 hours given for each. Should circumstances necessitate tardiness, you are expected to contact supervisor and notify her or him. Unless other arrangements are made between you and your BCBA supervisor, you may not accrue the hours needed to fulfill satisfactory progress in the supervision program.

### **Late Work**

At the beginning of the semester sign and submit the following documents:

- Practicum Supervision contract
- Confidentiality policy, and
- Declaration of Professional Practicum

no later than the end of the second week of the academic semester. Consent forms must be obtained prior to disclosing information or audio/video recording sessions. Failure to obtain proper consent forms may result in removal from the practicum placement.

At the end of each semester, you must submit the Monthly Experience Verification forms and Final Summary Verification Form to the course ASSESSMENT tab located in the course Blackboard site. Failure to submit forms will result in an incomplete for the practicum.

## **Grading Scale**

Practicum is graded on a Pass / Fail system. To obtain a passing grade, the following tasks and performances must be met:

1. Receive a Satisfactory rating on more than 80% of the Session Experience Verification forms during supervision sessions.

2. Initial documents (i.e., Practicum Supervision Contract, Confidentiality policy, Declaration of Professional Practice, and necessary consent forms) must be uploaded onto the course ASSESSMENT tab.

3. End of the semester documents (ie., Monthly Experience Verification form and Final Experience verification forms) must be uploaded onto the course ASSESSMENT tab.
