Course Performance Evaluation

The course instructor assigns the final grade based on several specific requirements for evaluation as detailed below. The PRECEPTOR will supply scoring and relative open-ended feedback on the Mid Semester Clinical Performance Evaluation, Final Clinical Performance Evaluation, and Clinical Proficiency Evaluations.

- **Expectations Document**

This form is a guide to explain and clarify the PRECEPTOR expectations of the student. Both student and PRECEPTOR will read and sign this document together at the initial meeting to help ensure that all parties understand their respective responsibilities and duties.

- **Mid Semester PRECEPTOR Clinical Performance Evaluation**

The PRECEPTOR will complete the evaluation and assign a letter grade based on the student's clinical performance. PRECEPTORS are encouraged to discuss the results of the evaluation with the student.

- **End of Semester PRECEPTOR Clinical Performance Evaluation**

The PRECEPTOR will complete the evaluation and assign a letter grade based on the student's clinical performance. PRECEPTORS are encouraged to discuss the results of the evaluation with the student.

- **Throughlines**

The student is required to complete two throughline reflective entries.

- **Clinical Proficiency Evaluations**

The student will complete a must complete all clinical proficiency evaluations associated with the previous and current courses. These evaluations will be assessed by each student's PRECEPTOR.

- **Evaluation of the PRECEPTOR/Clinical Site Survey**

This survey will be conducted to collect feedback about the PRECEPTOR and clinical site. A link to the survey will be provided in an email.

- **Professional Portfolio**

The student will complete a professional portfolio that will summarize their professional and academic career. Directions and a list of items to include will be covered in class.

- **Comprehensive Final Examination**

There will be a comprehensive final examination administered at the time deemed by the official university schedule.

- **Course Performance Evaluation Weighting**

Core Values Commitment

The College of Education and Human Development is committed to collaboration, ethical leadership, innovation, research-based practice, and social justice. Students are expected to adhere to these principles: <http://cehd.gmu.edu/values/>.

GMU Policies and Resources for Students

Policies

- Students must adhere to the guidelines of the Mason Honor Code (see <http://oai.gmu.edu/the-mason-honor-code/>).
- Students must follow the university policy for Responsible Use of Computing (see <http://universitypolicy.gmu.edu/policies/responsible-use-of-computing/>).
- Students are responsible for the content of university communications sent to their Mason email account and are required to activate their account and check it regularly. All communication from the university, college, school, and program will be sent to students **solely** through their Mason email account.
- Students with disabilities who seek accommodations in a course must be registered with George Mason University Disability Services. Approved accommodations will begin at the time the written letter from Disability Services is received by the instructor (see <http://ods.gmu.edu/>).
- Students must follow the university policy stating that all sound emitting devices shall be silenced during class unless otherwise authorized by the instructor.

Campus Resources

- Support for submission of assignments to Tk20 should be directed to tk20help@gmu.edu or <https://cehd.gmu.edu/aero/tk20>. Questions or concerns regarding use of Blackboard should be directed to <http://coursesupport.gmu.edu/>.
- For information on student support resources on campus, see <https://ctfe.gmu.edu/teaching/student-support-resources-on-campus>

For additional information on the College of Education and Human Development, please visit our website <https://cehd.gmu.edu/students/> .

Attendance

Each student must meet with his/her preceptor during the first week of the semester to develop a weekly schedule. Students must accrue a minimum of 300 hours during the entire semester (approximately 10-20 hours per week). Students are expected to be on time, attend all class meetings and clinical experiences as mutually agreed upon with the Coordinator of Clinical Education, course instructor and the PRECEPTOR. Excused absences include the following: illness (must bring a receipt or note from a doctor), family death, athletic/academic event, and others at the discretion of the PRECEPTOR and course instructor. For known upcoming absences, students must contact the PRECEPTOR and the course instructor at least one week in advance of the missed class or clinical experience. In the case of illness or some other unforeseen absence, the student must contact the PRECEPTOR and the course instructor via e-mail or telephone.

Technology Use During Class

As per GMU policy, all sound emitting technology is required to be turned off during the class meeting time. Additionally, *no laptop computers* will be permitted for use during class time; the exceptions are for use during presentations/projects, and technology deemed as necessary by the Office of Disability Services. Students utilizing various technology devices during class will be asked to leave class and will not be permitted to complete course work or receive any points for assignments that day.

E-mail Correspondence

Only messages that originate from a George Mason University address will be accepted. The following is an appropriate professional format:

Dear Dr. Mrs. Caswell (*Beginning salutation*)

I am looking forward to your class. (*Text body*)
