University Catalog Course Description

Introduces disabilities in public schools. Covers national standards, federal legislation, IEPs, and developmental inclusion models.

Course Overview

This course is designed to provide students with a knowledge of various disabilities and to accurately identify the impact it could have on the participation in a general or a self-contained physical education class. Students will learn about special education laws and how to apply the knowledge to a written IEP. Students will be engaged in 1 on 1 experiences along with a practicum experience working with students with disabilities in a class setting. They will have to demonstrate and apply modifications and adaptations for safe participation in physical education. Students will also learn of sports programs specific for students with disabilities to enhance their awareness to sports programs designed for students with disabilities.

Course Delivery Method

This course will be delivered using a lecture format, labs, field experience and some online participation activities.

Learner Outcomes or Objectives

This course is designed to enable students to do the following:

1. Demonstrate knowledge of various disabilities and to be able to accurately identify the impact each could have on safe and successful participation in physical education and health through tests, discussions, and assignments.
2. Identify appropriate teaching methods to meet the needs of students with disabilities including the NASPE National Standards.
3. Demonstrate the ability to modify PE activities and health units based on a student's individual needs.
4. Complete a practicum experience with students with disabilities in their school-based PE classes.

5. Demonstrate an understanding of special education laws and to apply this knowledge when developing Individualized Education Programs (IEP's).
6. Produce and execute a lesson plan towards working with students with disabilities.

Professional Standards

Upon completion of this course, students will have gained knowledge on all of the following professional standards:

National Standards for Initial Physical Education Teacher Education (2017) (SHAPE America)

- 3.b Plan and implement progressive and sequential content that aligns with short- and long term objectives and that addresses the diverse needs of all students.
- 3.d Plan and implement individualized instruction for diverse student needs, adding specific accommodations and/or modifications for all students
- 4.b Implement demonstrations, explanations and instructional cues that are aligned with the short- and long-term plan objectives.
- 4.c Evaluate the changing dynamics of the learning environment and adjust instructional tasks as needed to further student progress.
- 4.d Implement transitions, routines, and positive behavior management to create and maintain a safe, supportive and engaging learning environment.
- 5.c Implement a reflective cycle to guide decision making specific to candidate performance, student learning, and short- and long-term plan objectives.
- 6.a Engage in behavior that reflects professional ethics, practice, and cultural competence.

Lesson Plan;

Student will provide 3 lesson plans for the student experience. The lesson plan will be written for your 1 on 1 student sessions, using the format provided.

Article Review

It will be based on a 1 page summary and review of an included article of the web or magazine that talks about inclusion in physical education or an article will on a sport that is designed for people with disabilities.

DYSLEXIA AWARENESS TRAINING – NEW requirement for licensure and Class!

Effective July 1, 2017, every person seeking initial licensure or renewal of a license shall complete awareness training, provided by VDOE, on the indicators of dyslexia, as that term is defined by the board and regulations, and the evidence-based interventions and accommodations for dyslexia. The training module is located at

<http://www.doe.virginia.gov/teaching/licensure/dyslexia-module/story.html>.

Similar to the Child Abuse Prevention Module, students will need to save and print out the completion certificate at the end of the module and bring to class for verification.

Ed Puzzles

There will be five assignment videos to watch and answer questions. This will be completed at home and due at prior to the next class.

Lesson Plans

All lesson plans will be turned in and graded based on the required form. They will be based on a 1 on 1 experience.

Summary

This is a closure assignment to all the lesson's you developed and will be based on a common assessment rubric for the field experience of teaching.

Other Requirements

In accordance with the GMU Attendance Policies (University catalog, 2016-2017), “Students are expected to attend the class periods of the courses for which they register. In-class participation is important to the individual student and to the class as a whole. Because class participation may be a factor in grading, instructors may use absence, tardiness or early departure as de facto evidence of non-participation.”

The following scale will be used

- o Two (2) absences are permitted
- o Two (2) “tardies”*= 1 absence
- o Two (2) “early departures”* = 1 absence
- o 3-4 absences =30- 40 points
- o 5 absences or more = 50 points

*Attendance is taken at 4:30 pm. A student will be considered late once attendance has been taken. Leaving more than 15 minutes before the end of the class will be considered an early departure.

Professional Dispositions

Students are expected to exhibit professional behaviors and dispositions at all times.
