1. Assignment Descriptions

Weekly

a. Attendance and Participation *(5 points per week/25 points total)*

This course operates with the assumption that knowledge is socially constructed and the most meaningful learning opportunities are those where you have the opportunity to offer and explore diverse perspectives with peers. To do this it is expected that you attend all scheduled classes and asynchronous/synchronous online meetings outlined within the syllabus. This is especially important given the short timeframe of these courses. Absence from class to observe a religious holiday, to serve jury duty, or to participate in required military service, and medical emergencies are exceptions to the above policy. If you anticipate being absent for any of these reasons, please make arrangements at least 48 hours in advance. In addition, you are expected to be on time to class each week unless advance notice has been provided to the instructor.

Students are expected to contribute to both class and online discussion and activities as well as genuinely listen to peers as they do the same. The instructor will also call on students in order to maximize classroom opportunities to hear from ALL of the students enrolled in the course. Remember, participation is more than just talking. Participation should raise the level of academic discourse, which may include asking questions and encouraging exploration, consideration, and learning. To be active participants in class, you must complete all pre-assigned readings and tasks before the class session for which they are assigned. Additionally, cell phones are for emergency use only and it is expected that you will not use cell phones in class for purposes such as texting, social media, or phone calls.

b. Literature Circle *(5 points per week/25 points total)*

There is a good deal of reading in this course, and it is your responsibility to read the assigned book and article selections every week. Just completing the readings is not enough to maximize your learning opportunities. Therefore, we will use literature circles to frame our weekly discussions of the readings. Each week, you will assume one of the literature circle roles (on BB) and record your responses accordingly in your literature circle discussion board. You will use the prompt provided to guide your discussion of the readings.

Over the Summer Session

c. Educational History *(15 points)*

We know from the research literature that your prior school experiences as a student (aka-your apprenticeship of observation (Lortie, 1974)) wield incredible influence on your views of teaching and learning. Therefore, it is essential that we explore your K-12 school experiences so that you are aware of the pre-existing perceptions that you bring to teacher preparation. Your Educational History should be 2-3 pages in length and should be an introspective summary/reflection on your memories of teaching/learning in:
Questions to guide your introspection and reflection can include:

- When was a time that you felt noticed as individual or as a learner by an educator (e.g. teacher, coach, advisor, staff member, principal, professor, etc.)? Why? What did that person see that others did not?
- What strengths and strategies have you employed to be successful in your educational experiences? When was a time these strategies were not successful?
- What challenges have you encountered in your educational experiences? Why do you think you encountered them? What was the outcome?
- When was a time that you felt unseen/misunderstood/overlooked as an individual or as a learner by an educator (e.g. teacher, coach, advisor, staff member, principal, professor, etc.)? Why?

**d. Teacher Beliefs: Developing a Vision Statement (10 points)**

You will identify, develop, and refine your beliefs about what teaching and learning entails. These beliefs will likely shift, grow, and deepen as you gain more experience in the classroom and develop your knowledge of theory and practice. As you begin this program, teacher candidates often aspire to something that we are not yet able to do or that we don’t do consistently. This assignment serves as an initial tool to uncover what we think is best for teaching and learning and whether this is reflected in our actual teaching practice to support the acquisition of new knowledge and reflective examination of your own teaching practice.

Throughout the course, we will reflect on the prompts below and consider how they relate to one another. We will also take time to consider areas that intersect and sources of tension in your beliefs and preferred practices. You will create a ‘working document’ that reflects how your thoughts are changing/evolving and we will revisit this to refine/expand your thoughts.

Your ‘working document’ should include your final beliefs statement which will address each of the following prompts:

- I believe that learning…
- I believe that teaching…
- I believe the purpose of schooling is…
- I believe my classroom is…
- I believe my students learn best when they…
- I believe my students learn best when I…
- I believe community/family is/are…
- I believe collaboration is…
- My professional goals as a teacher are…
This document serves as an evolving draft of your beliefs. Your ideas are expected to be “in progress” so questions and wonderings are acceptable for this draft, due on June 11 by 11:59pm. You will receive 5 points for turning in this draft on time.

The final Vision Statement should draw upon your draft and other sources of reflective learning and be only 1-3 sentences. This should be succinct and get at the core of what you believe about teaching and learning. For example, here is my vision statement:

My vision as a teacher educator is to develop future teachers who embrace and thoughtfully attend to learner differences by carefully building relationships as well as creating a learning community that best allows instruction to occur for all students.

f. Special Education (SPED) and English Language Learner (ELL) Portfolios ---- PBA (25 points)
The purpose of this assignment is to integrate your course readings and field experience observations. This will be accomplished through the completion of a series of activities that include readings/reflections, as well as observations. Four Parts will be uploaded into Blackboard to create a portfolio.

Grading Policy

At George Mason University course work is measured in terms of quantity and quality. A credit normally represents one hour per week of lecture or recitation or not fewer than two hours per week of laboratory work throughout a semester. The number of credits is a measure of quantity. The grade is a measure of quality. The university-wide system for grading graduate courses is as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>GRADING</th>
<th>Grade Points</th>
<th>Interpretation</th>
</tr>
</thead>
<tbody>
<tr>
<td>A+</td>
<td>=100</td>
<td>4.00</td>
<td>Represents mastery of the subject through effort beyond basic requirements</td>
</tr>
<tr>
<td>A</td>
<td>94-99</td>
<td>4.00</td>
<td></td>
</tr>
<tr>
<td>A-</td>
<td>90-93</td>
<td>3.67</td>
<td></td>
</tr>
<tr>
<td>B+</td>
<td>85-89</td>
<td>3.33</td>
<td>Reflects an understanding of and the ability to apply theories and principles at a basic level</td>
</tr>
<tr>
<td>B</td>
<td>80-84</td>
<td>3.00</td>
<td></td>
</tr>
<tr>
<td>C*</td>
<td>70-79</td>
<td>2.00</td>
<td>Denotes an unacceptable level of understanding and application of the basic elements of the course</td>
</tr>
<tr>
<td>F*</td>
<td>&lt;69</td>
<td>0.00</td>
<td></td>
</tr>
</tbody>
</table>

*Remember: A course grade less than B requires that you retake the course. Note: “C” is not satisfactory for a licensure course; “F” does not meet requirements of the Graduate School of Education

* Although a B- is a satisfactory grade for a course, students must maintain a 3.00 average in their degree program and present a 3.00 GPA on the courses listed on the graduation application.

All CEHD/CHSS undergraduate and graduate students are held to the university grading policies
as described in the Academic Policies section of the current catalog, which can be accessed at http://catalog.gmu.edu.

3. Other Assignment Expectations

- All written assignments **MUST** be double-spaced, 1” margins and black, 12-point font (Times New Roman, Calibri or Arial). **APA format is required.** If you do not have the APA Manual 6th edition, the OWL at Purdue is an excellent resource: https://owl.english.purdue.edu/owl/resource/560/01/.

- All assignments are expected at the beginning of the assigned class. Unless prior arrangements have been made with me (at least 48 hours in advance), **late submissions will not be accepted** and will **result in a grade of 0** for that assignment.

  *Please Note:* The GMU Writing Center offers online support via email. They will provide feedback on your writing within one hour. Graduate and professional writing can be difficult; I encourage you to take advantage of this service. http://writingcenter.gmu.edu/?page_id=177

- It is expected that all class assignments will be submitted on time to the correct location; therefore, **late assignments will not receive full credit.** Assignments turned in late will receive an automatic deduction of one letter grade making the highest possible score equivalent to 80% (B-). All assignments must be submitted to BLACKBOARD on the due date stated within the course calendar (see below) and should be submitted at the beginning of class. All assignments must be saved with your Last Name and Assignment Title (e.g., Brown_TeachingBeliefStatement).

  *Please Note: I reserve the right to add, alter, or omit any assignment as necessary during the course of the semester.*

4. TK20/Performance-Based Assessment(s) Submission Requirement

Every student registered for any Elementary Education course with a required TK20 performance-based assessment(s) (designated as such in the syllabus). Each student must submit this/these assessment(s) to Tk20 through ’Assessments’ in Blackboard. Failure to submit the assessment(s) to Tk20 (through Blackboard) will result in the course instructor reporting the course grade as Incomplete (IN). Unless this grade is changed upon completion of the required Tk20 submission, the IN will convert to an F nine weeks into the following semester.

**GMU Policies and Resources for Students**

**Policies**

- Students must adhere to the guidelines of the Mason Honor Code (see http://oai.gmu.edu/the-mason-honor-code/).

Memo:
To: all CEHD students seeking student teaching internships in spring 2018 and forward
From: Jeff Davis, Director of Educator Preparation, CEHD
Re: Internship application requirements
Date: May 1, 2017

Students – please note the following requirements for Spring 2018 internship applications.

No extensions to the application deadlines will be given for missing/incorrect/failing test scores, missing endorsements, or missing/incorrect CPR/AED/First Aid certifications.

Student Clinical Practice: Internship Application Requirements

**TESTING**
Since 2015, internship applications must include all official and passing test scores must be submitted and in the Mason system (i.e. Banner/PatriotWeb) by the internship application deadline. Allow a minimum of six weeks for official test scores to arrive at Mason. Testing too close to the application deadline means scores will not arrive in time and the internship application will not be accepted.

For Spring 2018 internships, this means that the latest you could test in time for scores to be reported to Mason by September 15th is August 1st.

Required tests:
- Praxis Core Academic Skills for Educators Tests (or qualifying substitute)
  - VCLA
- RVE (specific programs only…see link below)
- ACTFL (Foreign Language only…unofficial scores are acceptable for this test only)
  - Praxis II (content knowledge exam in your specific endorsement area)

For details, please check [http://cehd.gmu.edu/teacher/test/](http://cehd.gmu.edu/teacher/test/)

**ENDORSEMENTS**
Please note that ALL endorsement coursework must be completed, with all transcripts submitted and approved by the CEHD Endorsement Office, prior to the internship application deadline. Since the internship application must be submitted in the semester prior to the actual internship, please make an appointment to meet with the Endorsement Specialist and plan the completion of your Endorsements accordingly.
CPR/AED/First Aid – **NEW hands-on training required for licensure!**
Due to a recent change in Virginia law, effective July 1, 2017, all new license applications and license renewals must include verification that “hands-on” First Aid/CPR/AED training was completed. This means that applications for spring 2018 internships must also include verification of completing “hands-on” training. After June 30, 2017, the online training will no longer be accepted.

Emergency First Aid, CPR, and Use of AED Certification or Training requirement must be submitted and in the Mason system (i.e. Banner/PatriotWeb) **by the application deadline**. Students must submit one of the "acceptable evidence" documents listed at [http://cehd.gmu.edu/teacher/emergency-first-aid](http://cehd.gmu.edu/teacher/emergency-first-aid) to the CEHD Educator Preparation Office. In order to have the requirement reflected as met in the Mason system, documents can be scanned/e-mailed to internsh@gmu.edu or dropped-off in Thompson Hall, Suite 1700.

DYSLEXIA AWARENESS TRAINING – **NEW requirement for licensure!**
Effective July 1, 2017, every person seeking initial licensure or renewal of a license shall complete awareness training, provided by VDOE, on the indicators of dyslexia, as that term is defined by the board and regulations, and the evidence-based interventions and accommodations for dyslexia. The training module is located at [http://www.doe.virginia.gov/teaching/licensure/dyslexia-module/story.html](http://www.doe.virginia.gov/teaching/licensure/dyslexia-module/story.html).

Similar to the Child Abuse Prevention Module, students will need to save and print out the completion certificate at the end of the module.

**BACKGROUND CHECKS/FINGERPRINTING**
All local school systems require students to complete a criminal background check through their human resources office (not through George Mason University) **prior to beginning the internship**. Detailed instructions on the process will be sent to the student from either the school system or Mason.

When applying for their background check/fingerprinting, students are **strongly advised** to disclose any/all legal incidents that may appear on their records. School divisions can and will withhold internship placement if discrepancies are found between a student’s disclosure and their official judicial record. Students must assume the risk that classes may be deferred and their program progress delayed or altered due to the individual severity of notations on such a check and review by individual agencies.

**PLEASE NOTE:**
Your G# must be clearly noted (visible and legible) on the face of any & all documents that you submit.

**APPLICATION**
The internship application can be downloaded at [http://cehd.gmu.edu/teacher/internships-field-experience](http://cehd.gmu.edu/teacher/internships-field-experience)

### DEADLINES

- Spring 2018 internship application deadline:
  - Traditional Internship: **September 15, 2017**
  - On-the Job Internship: **November 1, 2015**
If you have any questions about the above requirements, **don’t wait** - please contact your advisor or the Clinical Practice Specialist at internsh@gmu.edu Please be sure to include your G# and program/content area information in your email.
