Professional Dispositions

Students are expected to exhibit professional behaviors and dispositions at all times. This course is foundational to all courses that lead to teacher licensure and the BS. Ed. Degree. Student attendance and participation in class activities are directly related to professional development and dispositions in this career; therefore, you are expected to attend class regularly. You are entering a licensure program that requires several developmental stages toward becoming a professional committed to student learning in schools. Professional dispositions are values, attitudes and professional ethics toward learners, peers, professors and the learning process. You will self-evaluate on dispositions throughout the semester and examine your commitment to the teaching profession.
