Course Overview

Students will be exposed to all aspects of precision Handgun shooting. Each course participant will, upon successful completion of the course, demonstrate knowledge and marksmanship competencies in:

The instructor will coach the student through presentations, demonstrations and “live” fire exercises (on an approved pistol range) that will teach the student the appropriate techniques involved in competitive Bullseye shooting. Each student will have the opportunity to participate in live practice sessions and eventually participate in an end of semester “match” in the Bullseye discipline of competitive pistol shooting.
