University Catalog Course Description

Introduces students to the practice of Hatha yoga. Emphasizes yoga asanas (postures) and pranayama (breathing exercises) to enhance physical fitness and mental concentration.

Course Overview

Readings, lectures, demonstrations and class participation will be used to analyze the practice of yoga asana and yoga philosophy.

- Students with injuries or pre-existing conditions that may affect their participation must inform the instructor.
- Students with specific medical conditions, limited flexibility or injuries will learn appropriate modifications of poses for their own practice.
- All communication will be through GMU e-mail (Patriot Web Site).
- Students are required to have a yoga mat and an appropriate space in which to practice along with the Zoom digital class.
- Student are required to have a working computer camera that is turned on during class.
- Comfortable stretch clothing is required. No street clothes may be worn.
- Class will meet from 3:00-4:15 on Zoom and students are expected to be present online for class.

Course Delivery Method

This course will be delivered online (76% or more) using synchronous format via Zoom and Blackboard Learning Management system (LMS) housed in the MyMason portal. You will log in to the Blackboard (Bb) course site using your Mason email name (everything before @masonlive.gmu.edu) and email password. The course site will be available on 21 August, 5 pm

Technical Requirements

To participate in this course, students will need to satisfy the following technical requirements:

- High-speed Internet access with standard up-to-date browsers. To get a list of Blackboard's supported browsers see:

https://help.blackboard.com/Learn/Student/Getting_Started/Browser_Support#supported-browsers

To get a list of supported operation systems on different devices see:

https://help.blackboard.com/Learn/Student/Getting_Started/Browser_Support#tested-devices-and-operating-systems

- Students must maintain consistent and reliable access to their GMU email and Blackboard, as these are the official methods of communication for this course.
- Students may be asked to create logins and passwords on supplemental websites and/or to download trial software to their computer or tablet as part of course requirements.
- The following software plug-ins for PCs and Macs, respectively, are available for free download: [Add or delete options, as desire.]
 - Adobe Acrobat Reader: <https://get.adobe.com/reader/>
 - Windows Media Player: <https://support.microsoft.com/en-us/help/14209/get-windows-media-player>
 - Apple Quick Time Player: www.apple.com/quicktime/download/

Expectations

- Course Week:
Our course week will begin on the day that our synchronous meetings take place as indicated on the Schedule of Classes.
- Log-in Frequency:
Students must actively check the course Blackboard site and their GMU email for communications from the instructor, class discussions, and/or access to course materials at least [2] times per week. In addition, students must log-in for all scheduled online synchronous meetings.
- Participation:
Students are expected to actively engage in all course activities throughout the semester, which includes viewing all course materials, completing course activities and assignments, and participating in course discussions and group interactions.
- Technical Competence:
Students are expected to demonstrate competence in the use of all course technology. Students who are struggling with technical components of the course are expected to seek assistance from the instructor and/or College or University technical services.
- Technical Issues:
Students should anticipate some technical difficulties during the semester and should, therefore, budget their time accordingly. **Late work will not be accepted based on individual technical issues.**
- Workload:

Please be aware that this course is **not** self-paced. Students are expected to meet *specific deadlines* and *due dates* listed in the **Class Schedule** section of this syllabus. It is the student's responsibility to keep track of the weekly course schedule of topics, readings, activities and assignments due.

- Instructor Support:

Students may schedule a one-on-one meeting to discuss course requirements, content or other course-related issues. Those unable to come to a Mason campus can meet with the instructor via telephone or web conference. Students should email the instructor to schedule a one-on-one session, including their preferred meeting method and suggested dates/times.

- Netiquette:

The course environment is a collaborative space. Experience shows that even an innocent remark typed in the online environment can be misconstrued. Students must always re-read their responses carefully before posting them, so as others do not consider them as personal offenses. *Be positive in your approach with others and diplomatic in selecting your words.* Remember that you are not competing with classmates, but sharing information and learning from others. All faculty are similarly expected to be respectful in all communications.

- Accommodations:

Online learners who require effective accommodations to insure accessibility must be registered with George Mason University Disability Services.

Learner Outcomes or Objectives

This course is designed to enable students to do the following:

1. Demonstrate at least 20 asanas, including proper alignment, with a strong emphasis on safe practice. Students with specific medical conditions, limited flexibility or injuries will learn appropriate modifications of poses for their own practices.
2. Identify the poses and demonstrate proficiency in “Sun Salutation” (Surya Namaskar); a Vinyasa or steady flow of 12 classic postures linked with breath work in a continuous movement.
3. Name the benefits and contraindications of asanas.
4. State the need for and importance of warm-up practices and poses.
5. Develop proficiency in the practice of three types of pranayama.
6. Demonstrate techniques of basic relaxation.

Course Performance Evaluation

Students are expected to submit all assignments on time in the manner outlined by the instructor (e.g., Blackboard, hard copy).

Assignments and/or Examinations

Class Participation (70 points) Daily attendance and participation required. 5 points will be given each day. Attendance/Participation score will be the number of points a student gains each day. Absences are excused with a doctor's note or preapproved by the instructor. Phone calls, emails, and texts do not excuse an absence. Doctor notes must be scanned and emailed immediately.

Attendance will be taken during Zoom meetings. It is required to participate during the regularly scheduled class time of 3:00-4:15. If there are extenuating circumstances, the student must contact the teacher immediately. Each class will be uploaded onto Blackboard and, with the teacher's permission, a student may make up the class and submit a journal entry about the class to earn the 5 attendance points. Class must be made up on the same day of the missed class unless absence was due to illness.

****One letter-grade will be deducted for three unexcused absences**

Journal Writings (25 points; 5 entries worth 5 points each)

Students will complete journal entries of 100 words or more reflecting on topics in required reading via Blackboard. Responses are due by 3:00 pm (beginning of class) of the next class meeting. Points will be deducted for late assignments.

Final Practical (10 points)

Students will be guided through the sun salutation. Students are expected to demonstrate recognition of poses and comprehension of safe alignment. Grades will be based on individual progress.

Total Points 105

Other Requirements:

Basic Course Technology Requirements

- Activities and assignments in this course will regularly use Zoom. Students are required to have a device with a functional camera and microphone, regular, reliable access to a computer with an updated operating system (recommended: Windows 10 or Mac OSX 10.13 or higher) and a stable broadband Internet connection (cable modem, DSL, satellite broadband, etc.) with a consistent 1.5 Mbps [megabits per second] download speed or higher. In an emergency, students can connect through a telephone call, but video

connection is the expected norm. Students can check their internet speed by using Google's built-in speed tester. To access the tool, do a Google search for "speed test".

Course Recordings

- Some/All of our synchronous meetings in this class will be recorded. Recordings will be stored on Blackboard and will only be accessible to students taking this course during this semester. These recordings may be used for making up missed classes.

- **Letter Grade Ranges** based on percentage of 105 points

A	= 94 –100	= 88 –89	C+	= 78 –79	D	= 60 – 69
A-	= 90 –93	= 84 –87	C	= 74 –77	F	= 0 – 59
