Co-requisite(s):

None

Course Description

Focuses on strengthening expressive and receptive communication in American Sign Language (ASL) through the development of narrative and storytelling skills. Explores the importance of these skills within the Deaf Community. Explores issues of multiculturalism, linguistic code-switching, and language dominance, particularly in relationship to Deaf education.

Advising Contact Information

Please make sure that you are being advised on a regular basis as to your status and progress in your program. Students in Special Education and Assistive Technology programs can contact the Special Education Advising Office at 703-993-3670 or spced@gmu.edu for assistance. All other students should refer to their assigned program advisor or the Mason Care Network (703-993-2470).

Advising Tip

Are you planning to complete the ASL minor? Keep in mind that the minor requires at least 8 credits applied only to that minor and may not be used to fulfill requirements of your major, concentration, an undergraduate certificate, or another minor.

Course Delivery Method

Online

Learning activities include the following:

1. Class lecture and discussion
2. Application activities
3. Small group activities and assignments
4. Video and other media supports
5. Research and presentation activities
6. Electronic supplements and activities via Blackboard

This course will be delivered online (76% or more) using synchronous format via the Blackboard Learning Management system (LMS) housed in the MyMason portal. You will log in to the Blackboard (Bb) course site using your Mason email name (everything before @masonlive.gmu.edu) and email password. The course site will be available on August 20th.

Under no circumstances, may candidates/students participate in online class sessions (either by phone or Internet) while operating motor vehicles. Further, as expected in a face-to-face class meeting, such online participation requires undivided attention to course content and communication.

Technical Requirements

To participate in this course, students will need to satisfy the following technical requirements:

- High-speed Internet access with standard up-to-date browsers. To get a list of Blackboard's supported browsers see: [Browser support \(https://help.blackboard.com/Learn/Student/Getting_Started/Browser_Support#supported-browsers\)](https://help.blackboard.com/Learn/Student/Getting_Started/Browser_Support#supported-browsers)

To get a list of supported operation systems on different devices see: [Tested devices and operating systems \(https://help.blackboard.com/Learn/Student/Getting_Started/Browser_Support#tested-devices-and-operating-systems\)](https://help.blackboard.com/Learn/Student/Getting_Started/Browser_Support#tested-devices-and-operating-systems)

- Students must maintain consistent and reliable access to their GMU email and Blackboard, as these are the official methods of communication for this course.
- Students may be asked to create logins and passwords on supplemental websites and/or to download trial software to their computer or tablet as part of course requirements.

- The following software plug-ins for PCs and Macs, respectively, are available for free download:
 - [Adobe Acrobat Reader](https://get.adobe.com/reader/) (<https://get.adobe.com/reader/>)
 - [Windows Media Player](https://support.microsoft.com/en-us/help/14209/get-windows-media-player) (<https://support.microsoft.com/en-us/help/14209/get-windows-media-player>)
 - [Apple Quick Time Player](http://www.apple.com/quicktime/download/) (www.apple.com/quicktime/download/)

Expectations

- **Course Week:**
Our course week will begin on the day that our synchronous meetings take place as indicated on the Schedule of Classes.
- **Log-in Frequency:**
Students must actively check the course Blackboard site and their GMU email for communications from the instructor, class discussions, and/or access to course materials at least 3 times per week. In addition, students must log-in for all scheduled online synchronous meetings.
- **Participation:**
Students are expected to actively engage in all course activities throughout the semester, which includes viewing all course materials, completing course activities and assignments, and participating in course discussions and group interactions.
- **Technical Competence:**
Students are expected to demonstrate competence in the use of all course technology. Students who are struggling with technical components of the course are expected to seek assistance from the instructor and/or College or University technical services.
- **Technical Issues:**
Students should anticipate some technical difficulties during the semester and should, therefore, budget their time accordingly. Late work will not be accepted based on individual technical issues.
- **Workload:**
Please be aware that this course is not self-paced. Students are expected to meet *specific deadlines* and *due dates* listed in the Class Schedule section of this syllabus. It is the student's responsibility to keep track of the weekly course schedule of topics, readings, activities and assignments due.
- **Instructor Support:**
Students may schedule a one-on-one meeting to discuss course requirements, content or other course-related issues. Those unable to come to a Mason campus can meet with the instructor via telephone or web conference. Students should email the instructor to schedule a one-on-one session, including their preferred meeting method and suggested dates/times.
- **Netiquette:**
The course environment is a collaborative space. Experience shows that even an innocent remark typed in the online environment can be misconstrued. Students must always re-read their responses carefully before posting them, so as others do not

consider them as personal offenses. *Be positive in your approach with others and diplomatic in selecting your words.* Remember that you are not competing with classmates but sharing information and learning from others. All faculty are similarly expected to be respectful in all communications.

- Accommodations:
Online learners who require effective accommodations to ensure accessibility must be registered with George Mason University Disability Services.

Learner Outcomes

Upon completion of this course, students will be able to:

1. Develop intermediate level proficiency ASL conversational skills and vocabulary to effectively communicate with members of the Deaf community in the United States (DH1S2, DH4S1, DH6K1, C1.1, C1.2, C1.3, C4.1).
2. Narrate “Unforgettable Moments” (C1.2, C1.3).
3. Explain driving and everyday rules (C1.2, C 1.3).
4. Narrate “Accidents” (C1.2, C1.3).
5. Demonstrate language skills for expressing ideas and concepts (C1.3)
6. Demonstrate skills for illustrating reasons and functions (C1.3)
7. Analyze use of grammar and syntax of ASL and English (C4.1).
8. Increase knowledge of cultural competency relative to the deaf community and
9. Demonstrate awareness of language and social issues alive in the Deaf community today (DH1K2, DH1S2, C2.1, C3.1).

Professional Standards

Goals, objectives, and assignments in this class address the Council for Exceptional Children (CEC) skill standards and the American Sign Language Teachers Association (ASLTA) competencies. Code for CEC Standards: DH = Deaf and Hard of Hearing; Code for ASLTA Standards: C1 = Communication, C2 = Culture, C3 = Connections, C4 = Comparisons, C5 = Communities.

Required Texts

Course Performance Evaluation

Students are expected to submit all assignments on time in the manner outlined by the instructor (e.g., Blackboard, VIA, hard copy).

Assignments and/or Examinations

Vocabulary: Students will watch and learn the new vocabulary in Blackboard on a weekly basis.

Vocabulary Quizzes: Students will have weekly quizzes which will be administered via Blackboard. There will be a time limit for quizzes.

Lessons and Assignments: Students will complete weekly assignments in Blackboard. Students will check Blackboard for more details about the assignments.

Unit Presentations: Students will give a presentation to the class for each Unit (18, 20 & 21). Signs should be clear and formed correctly, signed in a fluent manner and accompanied by appropriate facial grammar and spatial references, eye gazes, topicalization, appropriate pauses for both individual signs and ASL sentences. More details and rubrics will be posted in Blackboard.

Course Policies and Expectations

Attendance/Participation: It is expected that students will attend each class on time. Students will be allowed two (2) absences without penalty. Each absence afterwards will result in a 10% deduction from the total grade as shown below:

- First Absence – no penalty
- Second Absence – no penalty
- Third Absence – 5% deduction of the final grade
- Fourth Absence – 5% deduction of the final grade
- Fifth Absence – 5% deduction of the final grade
- Sixth Absence – Withdraw or fail the course depending on the date

Two (2) late arrivals will be equivalent to one (1) absence which will be applied to the policy stated above.

If a student arrives more than 30 minutes late, it will count as one (1) absence.

Late Work: Any papers, videos, or assignments will not be accepted past due dates.

Note: Students should anticipate some technical difficulties during the semester and should, therefore, budget their time accordingly. Late work will not be accepted based on individual technical issues.
