

**College of Education and Human Development  
Division of Special Education and disAbility Research**

Summer 2021

EDSE 544 660: Adapted Instructional Methods and Transition for Secondary Learners  
CRN: 44109; 3 – Credits

<b>Instructor:</b> Dr. Katherine Bradley-Black	<b>Meeting Dates:</b> 5/18/21 – 7/20/21
<b>Phone:</b> 703-244-7742	<b>Meeting Day(s):</b> Tuesday
<b>E-Mail:</b> kblack4@gmu.edu	<b>Meeting Time(s):</b> 5 pm – 9 pm
<b>Office Hours:</b> by appointment	<b>Meeting Location:</b> Online <b>Virtual Class Meetings:</b> May 25, June 15, June 29
<b>Office Location:</b> n/a	<b>Other Phone:</b> n/a

**Note:** This syllabus may change according to class needs. Teacher Candidates/Students will be advised of any changes immediately through George Mason e-mail and/or through Blackboard.

**Prerequisite(s):**

None

**Co-requisite(s):**

None

**Course Description**

Provides strategies for teaching functional academics and social/life skills, facilitating the transition to postsecondary environments. Focuses on all aspects of transition and alternative assessments for secondary learners with disabilities.

**Advising Contact Information**

Please make sure that you are being advised on a regular basis as to your status and progress in your program. Students in Special Education and Assistive Technology programs can contact the Special Education Advising Office at 703-993-3670 or [speced@gmu.edu](mailto:speced@gmu.edu) for assistance. All other students should refer to their assigned program advisor or the Mason Care Network (703-993-2470).

### **Advising Tip**

Are you completing a teacher licensure or non-licensure certificate program in addition to a Master's degree? Students can submit a Graduate Secondary Certificate Application (<http://registrar.gmu.edu/wp-content/uploads/GSCA.pdf>) to their advisor when they are ready to add a certificate. Talk to your advisor if you have any questions about the program/s you are completing.

### **Course Delivery Method**

Learning activities include the following:

1. Class lecture and discussion
2. Application activities
3. Small group activities and assignments
4. Video and other media supports
5. Research and presentation activities
6. Electronic supplements and activities via Blackboard

This course will be delivered online (76% or more) using synchronous and an asynchronous format via the Blackboard Learning Management system (LMS) housed in the MyMason portal. You will log in to the Blackboard (Bb) course site using your Mason email name (everything before @masonlive.gmu.edu) and email password. The course site will be available on may 17<sup>th</sup>, 2021.

Under no circumstances, may candidates/students participate in online class sessions (either by phone or Internet) while operating motor vehicles. Further, as expected in a face-to-face class meeting, such online participation requires undivided attention to course content and communication.

### ***Technical Requirements***

To participate in this course, students will need to satisfy the following technical requirements:

- High-speed Internet access with standard up-to-date browsers. To get a list of Blackboard's supported browsers see: [Browser support](https://help.blackboard.com/Learn/Student/Getting_Started/Browser_Support#supported-browsers) ([https://help.blackboard.com/Learn/Student/Getting\\_Started/Browser\\_Support#supported-browsers](https://help.blackboard.com/Learn/Student/Getting_Started/Browser_Support#supported-browsers))

To get a list of supported operation systems on different devices see: [Tested devices and operating systems](https://help.blackboard.com/Learn/Student/Getting_Started/Browser_Support#tested-devices-and-operating-systems) ([https://help.blackboard.com/Learn/Student/Getting\\_Started/Browser\\_Support#tested-devices-and-operating-systems](https://help.blackboard.com/Learn/Student/Getting_Started/Browser_Support#tested-devices-and-operating-systems))

- Students must maintain consistent and reliable access to their GMU email and Blackboard, as these are the official methods of communication for this course.

- Students may be asked to create logins and passwords on supplemental websites and/or to download trial software to their computer or tablet as part of course requirements.
- The following software plug-ins for PCs and Macs, respectively, are available for free download:
  - [Adobe Acrobat Reader](https://get.adobe.com/reader/) (<https://get.adobe.com/reader/>)
  - [Windows Media Player](https://support.microsoft.com/en-us/help/14209/get-windows-media-player) (<https://support.microsoft.com/en-us/help/14209/get-windows-media-player>)
  - [Apple Quick Time Player](http://www.apple.com/quicktime/download/) ([www.apple.com/quicktime/download/](http://www.apple.com/quicktime/download/))

### ***Expectations***

- **Log-in Frequency:**  
Students must actively check the course Blackboard site and their GMU email for communications from the instructor, class discussions, and/or access to course materials at least **one (1)** time per week. In addition, students must log-in for all scheduled online synchronous meetings. The dates when the class will meet online for synchronous learning are: **May 25th, June 15th, and June 29th.**
- **Participation:**  
Students are expected to actively engage in all course activities throughout the semester, which includes viewing all course materials, completing course activities and assignments, and participating in course discussions and group interactions.
- **Technical Competence:**  
Students are expected to demonstrate competence in the use of all course technology. Students who are struggling with technical components of the course are expected to seek assistance from the instructor and/or College or University technical services.
- **Technical Issues:**  
Students should anticipate some technical difficulties during the semester and should, therefore, budget their time accordingly. Late work will not be accepted based on individual technical issues.
- **Workload:**  
Please be aware that this course is not self-paced. Students are expected to meet *specific deadlines* and *due dates* listed in the Class Schedule section of this syllabus. It is the student's responsibility to keep track of the weekly course schedule of topics, readings, activities and assignments due.
- **Instructor Support:**  
Students may schedule a one-on-one meeting to discuss course requirements, content or other course-related issues. Those unable to come to a Mason campus can meet with the instructor via telephone or web conference. Students should email the instructor to schedule a one-on-one session, including their preferred meeting method and suggested dates/times.
- **Netiquette:**  
The course environment is a collaborative space. Experience shows that even an innocent remark typed in the online environment can be misconstrued. Students must always re-read their responses carefully before posting them, so as others do not

consider them as personal offenses. *Be positive in your approach with others and diplomatic in selecting your words.* Remember that you are not competing with classmates but sharing information and learning from others. All faculty are similarly expected to be respectful in all communications.

- Accommodations:  
Online learners who require effective accommodations to ensure accessibility must be registered with George Mason University Disability Services.

### **Learner Outcomes**

Upon completion of this course, teacher candidates/students will be able to:

1. Identify, describe, and design alternate assessments for secondary learners with disabilities to demonstrate learning outcomes and postsecondary interests and aptitudes.
2. Demonstrate an understanding of evidence-based strategies for facilitating transition into the community, workplace, and postsecondary environments.
3. Demonstrate how to implement cognitive strategies in self-regulation, study skills, attention, memory, motivation, and self-determination.
4. Understand the principles of online learning and online instructional strategies and the application of skills to deliver online instruction.
5. Demonstrate proficiency in the use of educational technology for instruction.
6. Demonstrate knowledge of the federal and Virginia laws, Standards of Learning, and agencies that require and provide for transition, vocational, and rehabilitation services for students with disabilities at the secondary school level (middle & high school).
7. Identify the role and responsibilities of the Individual Education Plan (IEP) teams as they strive to incorporate transition requirements into the IEP and principles of person-centered planning.
8. Identify organizations, services, networks, and the variety of state and local agencies that maximize the interagency effort involved in the transition process for students with disabilities.

### **Professional Standards**

(Council for Exceptional Children [CEC] and the Interstate Teacher Assessment and Support Consortium [InTASC]). Upon completion of this course, students will have met the following professional standards: CEC Standard 1: Learner development and individual learning differences (InTASC 1,2); CEC Standard 2: Learning environments (InTASC 3); CEC Standard 3: Curricular content knowledge (InTASC 4,5); CEC Standard 4: Assessment (InTASC 6); CEC Standard 5: Instructional planning and strategies (InTASC 7,8) & CEC Standard 7: Collaboration (InTASC 10).

### **Evidence-Based Practices**

This course will incorporate the evidence-based practices (EBPs) relevant to self-determination, facilitating transitions, alternative assessments, and social skills. Evidence for the selected research-based practices is informed by meta-analysis, literature reviews/synthesis, the technical assistance networks which provide web-based resources, and the national organizations whose mission is to support students with disabilities. We address both promising and emerging practices in the field of special education. This course will provide opportunities for teacher

candidates/students to take an active, decision-making role to thoughtfully select, modify, apply, and evaluate EBPs in order to improve outcomes for students with disabilities.

### **Required Texts**

Test, D. W. (2012). *Evidence-Based Instructional Strategies for Transition*. Brookes Transition to Adulthood Series. Brookes Publishing Company. PO Box 10624, Baltimore, MD 21285.

Wehman, P. (2020). *Essentials of Transition Planning*. Brookes Transition to Adulthood Series. Brookes Publishing Company. PO Box 10624, Baltimore, MD 21285.

### **Recommended Texts**

American Psychological Association. (2020). *Publication manual of the American Psychological Association* (7th ed.). <https://doi.org/10.1037/0000165-000>

### **Additional Readings**

Office of Special Education and Rehabilitative Services. (2017). *A Transition Guide to Postsecondary Education and Employment for Students and Youth with Disabilities*. Visit: <https://www2.ed.gov/about/offices/list/osers/transition/products/postsecondarytransition-guide-2017.pdf>

Kohler, P. D., Gothberg, J. E., Fowler, C., and Coyle, J. (2016). *Taxonomy for transition programming 2.0: A model for planning, organizing, and evaluating transition education, services, and programs*. Western Michigan University. Available at [www.transitionta.org](http://www.transitionta.org).

IRIS Center Modules (<https://iris.peabody.vanderbilt.edu/>)

- Evidence-Based Practices (Part 1): Identifying and Selecting Practice or Program
- Evidence-Based Practices (Part 2): Implementing a Practice or Program with Fidelity
- Evidence-Based Practices (Part 30): Evaluating Learner Outcomes with Fidelity

### **Course Performance Evaluation**

Students are expected to submit all assignments on time in the manner outlined by the instructor (e.g., Blackboard, VIA, hard copy).

### **VIA Performance-Based Assessment Submission Requirement**

It is critical for the special education program to collect data on how our students are meeting accreditation standards. Every teacher candidate/student registered for an EDSE course with a required Performance-based Assessment (PBA) is required to upload the PBA to VIA (regardless of whether a course is an elective, a one-time course or part of an undergraduate minor). A PBA is a specific assignment, presentation, or project that best demonstrates one or more CEC, InTASC or other standard connected to the course. A PBA is evaluated in two ways. The first is for a grade, based on the instructor's grading rubric. The second is for program accreditation purposes. Your instructor will provide directions as to how to upload the PBA to VIA.

For EDSE 544, the required PBA is Transition Plan with Assistive Technology. Please check to verify your ability to upload items to VIA before the PBA due date.

## *Assignments and/or Examinations*

### **Performance-based Assessment**

**(VIA submission required)**

#### **ASSESSMENT 1: Transition Plan (40 pts)**

The purpose of this assessment is to have candidates demonstrate knowledge of the individualized planning process required for the development of a transition plan for secondary students with exceptional learning needs who access the general curriculum. Candidates will demonstrate understanding of the components of the transition plan. Based upon case information provided, candidates will construct a transition plan that is legally sufficient and educationally appropriate for the described case study student. Candidates will use curricular resources and evidence-based practices to demonstrate their ability to plan appropriately for the student with mild to moderate exceptional learning needs.

Candidates also will also demonstrate an understanding of how these components come together to build a framework for the student's educational program by writing a narrative that includes:

1. Justification for their decisions within the transition plan,
2. Explanation of the assistive technology components required.

Using the information in the provided case study, candidates will write a transition plan that thoroughly and appropriately addresses the needs of the student in the case scenario and integrates at least one form of assistive technology.

#### **Step One: Present Level of Performance**

Using all documentation available, complete the PLOP Summary Sheet with information about the student that is relevant to each area. Provide specific evidence from the case study documentation to support your ideas.

#### **Step Two: Transition Plan**

Complete the Transition Plan. Provide specific evidence from the case study documentation to support your ideas.

#### **Step Three: Rationale**

Respond to the following questions in a narrative, which will accompany the PLOP Summary Sheet and Transition Plan.

- **Present Level of Performance**
  - Describe the educational and functional implications of the students' present level of performance.
- **Postsecondary Goals:**
  - Provide a rationale for each of the postsecondary goals you included. Support your rationale with evidence from the transition assessment data.

- Describe how these goals reflect the student's interests and preferences.
- **Short-Term Objectives:**
  - Describe how these objectives relate to the postsecondary goals.
  - Describe how you will address generalization and maintenance of skills.
- **Recommended Experiences, Activities, & Opportunities (School-based and community):**
  - Provide a rationale for the experiences, activities and opportunities you selected. Support your rationale with evidence from the transition assessment data and your proposed transition plan.
  - Describe your plan to monitor student progress.
  - Describe your plan to promote student participation, leadership and self-advocacy in the transition planning process.
- **Recommended Services:**
  - Provide a rationale for each of the services you selected. Support your rationale with evidence from the transition assessment data and your proposed transition plan.
- **Assistive Technology or AAC Recommendation:**
  - Provide a rationale for your assistive technology/AAC selections. Support your rationale with evidence from the transition plan.
- **Action Plan:**
  - How does your proposed timeline provide opportunities for the student to demonstrate growth across time and move the student towards achieving his/her postsecondary goals?

**College Wide Common Assessment  
(VIA submission required)**  
See Assessment 1

### ***Field Experience Requirement***

A field experience is a part of this course. A field experience includes a variety of early and ongoing field-based opportunities in which candidates may observe, assist, and/or tutor. Field experiences may occur in off-campus settings, such as schools (CAEP, 2016).

Students must be able to perform the essential functions of the practicum site assigned with or without an accommodation. Contact Disability Services ([ods@gmu.edu](mailto:ods@gmu.edu)) for questions related to accommodations.

\*Please note that due to barriers with accessing field experience placements in Summer 2021 as a result of COVID-19, there will be changes to the field experience process in this course. Students will be notified by their instructors with field experience options in their course. If the instructor allows field experiences to be completed on-the-job for students working in schools, you must have administrator approval and access to all field experience-related tasks and requirements. Please note that if you are not completing your field experience on-the-job or if your worksite does not meet the necessary requirements, you will use an alternative option provided by your instructor; you may NOT

**arrange your own field experience placement (i.e., do NOT reach out to teachers or administrators on your own). Check your Mason email regularly for important information regarding your field experience.**

### ***Other Assignments***

#### **Assessment 2: Interview with a Community Agency or School Resource (20 pts)**

1. Complete a phone or video interview with a person from a transition resource either in the community or within the school system and describe the services available to youth with disabilities. You will need to make an appointment.

Your “lens” for this visit should be, “*What opportunities exist for youth with mild disabilities through this avenue during and/or after high school?*” Include copies of materials available at the center, agency, or office.

2. Write a paper, **4-6 pages double spaced**. Your write up **MUST include** a synthesis section that integrates the information from your site visit with professional literature on transition and career education. Your write-up should include:
  - services,
  - accommodations,
  - population(s) served,
  - description of the agency/office, and
  - the responses to the questions you asked the staff.

Acceptable options for this assignment include a school career center, interview with a school or county transition coordinator, One-Stop Center, vocational evaluation site, Virginia Department of Rehabilitation Services office, local Community Services Board, Job Placement/Training program, school-based transition coordinators, and other suggestions from your professor.

#### **ASSIGNMENT 3: IRIS Module Paper (20 pts)**

Complete the three IRIS Center modules on the topic of evidence-based practices and Transition Services for students with disabilities. (<https://iris.peabody.vanderbilt.edu/>)

- Evidence-Based Practices (Part 1): Identifying and Selecting Practice or Program
- Evidence-Based Practices (Part 2): Implementing a Practice or Program with Fidelity
- Evidence-Based Practices (Part 30): Evaluating Learner Outcomes with Fidelity

Write a paper, no longer than three pages, reflecting on what you learned about evidence-based practices and Transition Services and how what you learned impacts how you think about your teaching practices. Questions to consider may include:

- How does what you learned about evidence-based practices impact your capacity to address transition services for students with disabilities?
- Are you currently implementing evidence-based practices in your current day to day teaching practices?
- What changes can you make to your current practices to implement evidence-based practices?

- What structures are in place in your current school setting to support you implementing evidence-based practices?
- What structures are in place in your current setting would you consider barriers to implementing evidence-based practices?
- What else do you need to know/learn about evidence-based practices?
- What are your next steps in applying what you have learned in this course to your teaching practices?

**ASSIGNMENT 4: Written Reflections (10 pts)**

Students will be expected to write one (1) short reflection papers based on assigned reading for the first night of class. The reflection prompts and expectations for the content of each reflection will be posted on Blackboard. The reflection papers will be due as specified in the class schedule below.

***Assignment Summary***

<b>Assignment/Expectation</b>	<b>Total Points</b>	<b>Due Date</b>
1. Transition Plan with AT	40	July 13, 2021
2. Site Interview	20	June 22, 2021
3. IRIS Module Paper	20	June 8, 2021
4. Reflection Journal	10	June 25, 2021
5. Attendance & Participation	10	Throughout
<b>Total Points</b>	100	

**Course Policies and Expectations**

***Attendance/Participation***

Attendance/Participation Students are expected to (a) attend all classes during the course, (b) arrive on time, (c) stay for the duration of the class time and (d) complete all assignments. Attendance, timeliness, and professionally relevant, active participation are expected. Attendance and professional participation at all sessions is very important because all of the activities in class are planned in such a way that they cannot necessarily be recreated outside of the class session. More than one absence for any reason will result in the final grade dropping by 5 points.

***Late Work***

Late Work All assignments must be submitted on or before the assigned due date. In fairness to students who make the effort to submit work on time, 5% of the total assignment points will be deducted each day from your grade for late assignments.

**Grading**

- 95-100% = A
- 90-94% = A-
- 80-89% = B
- 70-79% = C
- < 70% = F

**\*Note:** The George Mason University Honor Code will be strictly enforced. See [Academic Integrity Site](https://oai.gmu.edu/) (<https://oai.gmu.edu/>) and [Honor Code and System](https://catalog.gmu.edu/policies/honor-code-system/) (<https://catalog.gmu.edu/policies/honor-code-system/>). Students are responsible for reading and understanding the Code. “To promote a stronger sense of mutual responsibility, respect, trust, and fairness among all members of the George Mason University community and with the desire for greater academic and personal achievement, we, the student members of the university community, have set forth this honor code: Student members of the George Mason University community pledge not to cheat, plagiarize, steal, or lie in matters related to academic work.” Work submitted must be your own new, original work for this course or with proper citations.

### Professional Dispositions

Students are expected to exhibit professional behaviors and dispositions at all times. See [Policies and Procedures](https://cehd.gmu.edu/students/policies-procedures/) (<https://cehd.gmu.edu/students/policies-procedures/>). Students are expected to exhibit professional behaviors and dispositions at all times. In the College of Education and Human Development, dispositions are formally and separately evaluated in at least two points in each student’s program – a self-evaluation at the start of their program, and a university supervisor’s evaluation during internship. In special education licensure programs, the self-evaluation is an online survey distributed via email upon program entry for graduate students and within initial courses (EDSE 241, EDSE 361, and EDSE 311) for undergraduate students. When dispositions are assessed, it is important that for areas where a positive disposition is ‘occasionally evident’ or ‘rarely evident,’ the student takes steps to grow as an educator. See <https://cehd.gmu.edu/epo/candidate-dispositions>.

### Class Schedule

\*Note: Faculty reserves the right to alter the schedule as necessary, with notification to students.

Meeting & Date	Topic	Readings	Assignments Due
5.18	<ul style="list-style-type: none"> <li>Transition: An overview &amp; background</li> <li>Foundations of Transition Planning Students and families</li> </ul>	Wehman 1,4 Test 1 <u>USDOE A Transition Guide (2020)</u> , Section 2 & 3	Check Blackboard folder for Class 1 for directions to complete the 1 <sup>st</sup> reflection journal

### Core Values Commitment

The College of Education and Human Development is committed to collaboration, ethical leadership, innovation, research-based practice, and social justice. Students are expected to adhere to these principles: See [Core Values](http://cehd.gmu.edu/values/) (<http://cehd.gmu.edu/values/>).

### GMU Policies and Resources for Students

#### *Policies*

- Students must adhere to the guidelines of the Mason Honor Code. See [Honor Code and System](https://catalog.gmu.edu/policies/honor-code-system/) (<https://catalog.gmu.edu/policies/honor-code-system/>).
- Students must follow the university policy for Responsible Use of Computing. See [Responsible Use of Computing](http://universitypolicy.gmu.edu/policies/responsible-use-of-computing/) (<http://universitypolicy.gmu.edu/policies/responsible-use-of-computing/>).
- Students are responsible for the content of university communications sent to their Mason email account and are required to activate their account and check it regularly. All communication from the university, college, school, and program will be sent to students

solely through their Mason email account.

- Students with disabilities who seek accommodations in a course must be registered with George Mason University Disability Services. Approved accommodations will begin at the time the written letter from Disability Services is received by the instructor. See [Disability Services \(https://ds.gmu.edu/\)](https://ds.gmu.edu/).
- Students must silence all sound emitting devices during class unless otherwise authorized by the instructor.

### ***Campus Resources***

- Support for submission of assignments to either Tk20 or VIA should be directed to <https://cehd.gmu.edu/aero/assessments/>
- Questions or concerns regarding use of Blackboard should be directed to [Blackboard Instructional Technology Support for Students \(https://its.gmu.edu/knowledge-base/blackboard-instructional-technology-support-for-students/\)](https://its.gmu.edu/knowledge-base/blackboard-instructional-technology-support-for-students/).

### ***Notice of mandatory reporting of sexual assault, interpersonal violence, and stalking:***

- As a faculty member, I am designated as a “non-confidential employee” and must report all disclosures of sexual assault, interpersonal violence, and stalking to Mason’s Title IX Coordinator per University Policy 1202. If you wish to speak with someone confidentially, please contact one of Mason’s confidential resources, such as Student Support and Advocacy Center (SSAC) at 703-380-1434 or Counseling and Psychological Services (CAPS) at 703-993-2380. You may also seek assistance from Mason’s Title IX Coordinator by calling 703-993-8730, or emailing the [Title IX Coordinator \(titleix@gmu.edu\)](mailto:titleix@gmu.edu).
- **For information on student support resources on campus, see [Student Support Resources on Campus \(https://ctfe.gmu.edu/teaching/student-support-resources-on-campus\)](https://ctfe.gmu.edu/teaching/student-support-resources-on-campus/).**
- For additional information on the College of Education and Human Development, please visit our website [College of Education and Human Development \(http://cehd.gmu.edu/\)](http://cehd.gmu.edu/).

## **Appendix**

### **Appendix A**

#### Assignment 1: Transition Plan with Assistive Technology (40 points)

##### Scoring Guidelines

4-Exceeds Standard: Candidates receive a score of 4 if they perform beyond the expectations that includes doing additional research, identifying additional resources, and/or demonstrating exceptional understanding and application of the standard.

3-Meets Standard: This is the TARGET score. It reflects that candidates have met the standard at the level expected at this point in their program.

2-Approaching Standard: Candidates receive this score when their understanding and effort does not meet the Target but shows basic understanding of the content being assessed.

1-Does not meet standard: Candidates who do not submit work, and/or who submit work that is clearly below the expectations for a candidate at this point in their program.

Criteria	Does Not Meet Standard 1	Approaching Standard 2	Meets Standard 3	Exceeds Standard 4
<b>Section 1. Who is the Learner? Description of the Learner</b>				
<p>The candidate regularly assesses individual and group performance in order to design and adapt instruction to meet learners' needs in each area of development (cognitive, linguistic, social, emotional, and physical) and scaffolds the next level of development.</p> <p><i>InTASC 1</i> <i>VDOE 1</i> Diversity</p> 	<p>The candidate does not provide a description of the learner and/or does not include assessment data related to cognitive, linguistic, social, emotional, and/or physical developmental skill levels and abilities, interests, or educational progress.</p>	<p>The candidate provides description of the learner that includes appropriate assessment data but does not address all of the following: cognitive, linguistic, social, emotional, and/or physical developmental skill levels and abilities, interests, or educational progress.</p>	<p>The candidate provides description of the learner that includes appropriate assessment data on all of the following: cognitive, linguistic, social, emotional, and/or physical developmental skill levels and abilities, interests, and educational progress.</p> <p>The candidate describes current impact of learner characteristics on learning.</p>	<p>The candidate provides description of the learner that includes appropriate and multiple forms of assessment data on all of the following: cognitive, linguistic, social, emotional, and/or physical developmental skill levels and abilities, interests, and learning need.</p> <p>The candidate describes and provides examples of impact of learner characteristics on learning.</p>
<p>The candidate accesses resources, supports, and specialized assistance and services to meet particular learning differences or needs.</p>	<p>The candidate does not identify either adaptations or accommodations to support learner achievement of learning objectives.</p>	<p>The candidate identifies either adaptations or accommodations that do not fully align with identified needs.</p>	<p>The candidate identifies and describes appropriate adaptations or accommodations that support learner achievement of learning objectives/goals,</p>	<p>The candidate thoroughly describes multiple, appropriate adaptations or accommodations that clearly support learner achievement of learning</p>

<p><i>InTASC 2</i> <i>VDOE 1</i> Technology</p> 			including technology.	objectives/goals, including technology.
<b>Statement of Educational Need</b>				
<p>The candidate effectively uses multiple and appropriate types of assessment data to identify learner’s needs and to develop differentiated learning experiences.</p> <p><i>InTASC 6</i> <i>VDOE 4</i></p>	<p>The candidate does not address learner educational needs or inappropriately uses assessment data to create a statement of educational need.</p>	<p>The candidate uses assessment data to create a statement of educational need that is not well aligned with assessment results.</p>	<p>The candidate uses assessment data to create an appropriate statement of educational need that is aligned with assessment results.</p>	<p>The candidate effectively uses assessment data from multiple sources to create a thorough and appropriate statement of educational need that is directly aligned with assessment results.</p>
<b>Section 2. What should they learn? Identification of Learning Objectives</b>				
<p>The candidate individually and collaboratively selects and creates learning objectives that are appropriate for curriculum goals and content standards and are relevant to learners.</p> <p><i>InTASC 7</i> <i>VDOE 2</i> Diversity</p> 	<p>The candidate identifies learning objectives that are either incomplete because related outcomes are not identified, or the objectives are not directly related to learner educational need.</p>	<p>The candidate identifies learning objectives without relevance to learner educational need.</p>	<p>The candidate identifies learning objectives with related outcomes that are relevant to individual learner needs.</p>	<p>The candidate identifies distinct learning objectives with related outcomes that are relevant to individual learner needs. These learning outcomes allow for different and individualized learning pathways that can be accessed fluidly during instruction.</p>
<b>Identification of Rationale for Learning Objectives</b>				
<p>The candidate identifies objectives for instruction based on formative and summative assessment data, prior learner knowledge, and learner interest.</p> <p><i>InTASC 7</i> <i>VDOE 2</i></p>	<p>The candidate does not identify objectives for the learner that are aligned to specific learning goals/outcomes and/or the relationship of the learning objectives to learner educational needs</p>	<p>The candidate selects objectives for the learner that are poorly aligned to specific learning goals/outcomes and/or the relationship of the learning objectives to learner educational needs</p>	<p>The candidate selects objectives for the learner that are aligned to specific learning goals/outcomes and/or the relationship of the learning objectives to learner</p>	<p>The candidate selects objectives for the learner that are aligned to specific goals/outcomes and/or the relationship of the learning objectives to learner educational needs is clear. Rationales</p>

<p>Diversity</p> 	<p>is missing or unclear.</p>	<p>is missing or unclear.</p>	<p>educational needs is clear.</p>	<p>for the selection of those objectives and how they support the achievement of the learning goals are included.</p>
--	-------------------------------	-------------------------------	------------------------------------	---

**Section 3. How will you teach and how will they learn? Description of Instructional Strategies and Adaptations**

<p>The candidate plans how to achieve each learner’s learning goals, choosing appropriate strategies and accommodations, resources, and materials to differentiate instruction for individuals and groups of learners.</p> <p><i>InTASC 7</i> <i>VODE 2</i> Diversity</p> 	<p>The candidate does not identify instructional strategies or identifies instructional strategies that are not related to the learning objectives or learning needs.</p>	<p>The candidate identifies instructional strategies that are inappropriate for meeting the learning objectives or learning needs.</p>	<p>The candidate identifies evidence-based instructional strategies that are aligned to the learning objectives and learning needs.</p>	<p>The candidate identifies evidence-based instructional strategies that are aligned to specific learning objectives and learning needs.</p> <p>The candidate provides evidence of the effectiveness of these selected learning strategies through data analysis of the assessment.</p>
---	---	--	---	---

<p>The candidate uses a variety of instructional strategies to encourage learners to develop an understanding of the content and to apply knowledge in meaningful ways.</p> <p><i>InTASC 8</i> <i>VDOE 3</i> Diversity</p>  <p>College-and-Career-Ready</p> 	<p>The instructional strategies used by the candidate do not encourage an understanding of content.</p>	<p>The candidate uses a limited instructional strategy to encourage learners to develop an understanding of the content and to apply that knowledge in meaningful ways.</p>	<p>The candidate uses a variety of instructional strategies that encourage learners to develop an understanding of the content and to apply that knowledge in meaningful ways.</p>	<p>The candidate provides insight into their own pedagogical and content knowledge to discuss the selection of instructional strategies for the learning experience. These instructional strategies encourage all learners to develop an understanding of the content and also authentic application of the new knowledge.</p>
--	---	---	--	--

<p>The candidate connects concepts and uses different perspectives and digital resources to engage learners in critical thinking, creativity, and collaborative problem solving.</p> <p><i>InTASC 5</i> <i>VDOE 2</i> Technology  Diversity  College-and-Career-Ready </p>	<p>Candidate does not connect concepts, address different perspectives or use digital resources to engage learners in higher-level learning.</p>	<p>Candidate connect concepts, addresses different perspectives or uses digital resources to engage learners but at a basic level of learning and recall.</p>	<p>Candidate connects concepts, addresses different perspectives and uses digital resources to engage learners in higher-level learning in using at least one of these higher-order skills: critical thinking, creativity, and collaborative problem solving.</p>	<p>Candidate creates multi-disciplinary opportunities and a range of multiple perspectives to engage learners in critical thinking, creativity, and collaborative problem solving.</p>
---	--	---	---	--

**Rationale for Instructional Strategies and Adaptations**

<p>The candidate understands that each learner’s cognitive, linguistic, social, emotional, and physical development influences learning and knows how to make instructional decisions that build on learners’ strengths and needs.</p> <p><i>InTASC 1</i> <i>VDOE 1</i> Diversity </p>	<p>The candidate does not provide rationales that are aligned to the specific instructional strategies and/or the relationship of instructional strategies to the learning objectives and learner educational needs is missing or unclear.</p>	<p>The rationales provided do not align to the specific instructional strategies and, the relationship of the instructional strategies to the learning objectives that meet learner educational needs is unclear.</p>	<p>The rationales provided are aligned to instructional strategies and, the relationship of the instructional strategies to the learning objectives that meet learner educational needs is clearly identified.</p>	<p>The rationales provided are aligned to the strategies and, the relationship of the instructional strategies to specific learning objectives that meet learner educational needs is clearly and effectively aligned. Multiple pathways to learner achievement of the learning outcomes are provided.</p>
---	--	---	--	--

**Section 4. How will I know the learning objectives/goals were achieved?**

**Assessment and Documentation of Learner Progress**

<p>The candidate designs assessments that match learning objectives with</p>	<p>The candidate does not describe an assessment plan that that evaluates</p>	<p>The candidate describes an assessment plan that evaluates all</p>	<p>The candidate describes an assessment plan that evaluates all</p>	<p>The candidate describes an assessment plan that evaluates all</p>
--	---	--	--	--

<p>assessment methods and minimizes sources of bias that can distort assessment results.</p> <p><i>InTASC 6</i> <i>VDOE 4</i></p>	<p>all learning objectives or describes a plan that does not directly measure all of the learning objectives (e.g., is not observable, measurable).</p>	<p>learning objectives but does not include documentation of both formative and summative measures that (and) does not address possible assessment bias.</p>	<p>learning objectives and includes both formative and summative assessments that minimize sources of bias.</p> <p>The candidate describes the assessment results that would prompt modification of instructional plans and those specific modifications.</p>	<p>learning objectives, includes formative and summative assessments that minimize sources of bias and includes multiple data sources for each objective.</p> <p>The candidate describes multiple assessment results that would prompt modification of instructional plans and those specific modifications.</p>

## Appendix B

### Assignment 2: Site Visit and Portfolio presentation (35 points)

Assessment Rating	Doesn't meet expectations	Partially meets expectations	Meets expectations	Exceeds expectations	Points
Experiences relevant to learning outcomes (site base visit)  <b>5 points</b>	Documentation and description of learning experiences related to course learning outcomes are lacking or substantially inadequate	Documentation and description of learning experiences related to course learning outcomes are not effectively or completely presented	Documentation and description of learning experiences related to course learning outcomes are appropriate and effectively presented	Documentation and description of learning experiences related to course learning outcomes exceed expectations	
Demonstration of Learning (ie. Artifacts, pamphlet, etc.)  <b>6 points</b>	The portfolio's materials and artifacts are not appropriate and/or adequate, and are not supported by the presentation	The portfolio materials and artifacts are not fully supported by or fully connected to the course's learning outcomes	The portfolio includes appropriate artifacts that support the demonstration of learning outcomes	The presentation of artifacts is convincing, with strong support for the course's learning outcomes	
Evidence of Learning Competencies  <b>6 points</b>	The portfolio shows little or no evidence of learning tied to transition planning	The portfolio documents some, but not sufficient, learning tied to transition planning (or grounded in appropriate academic frameworks)	The portfolio adequately documents learning tied to transition planning (or grounded in appropriate academic frameworks)	The portfolio provides clear evidence of learning tied to transition planning (or grounded in appropriate academic frameworks)	
Mastering Knowledge & Skills Application of Learning  <b>6 points</b>	The portfolio provides little evidence of the student's ability to use knowledge and skills for the course's learning	The portfolio demonstrates the student's ability to use the knowledge and skills for the course learning outcomes in	The portfolio documents the acquisition of knowledge and skills for the course learning outcomes, with some ability to	The portfolio demonstrates the student has mastered the knowledge and skills for the course learning outcomes and	

	outcomes in practice	practice is limited	apply them in practice	can apply them in practice	
<p>Reflection on Learning Aligned with course learning outcomes</p> <p>6 points</p>	The portfolio provides little or no evidence of reflection to increase learning aligned with the course learning outcomes for which credit is being sought	The portfolio provides inadequate evidence of reflection to increase learning aligned with the course learning outcomes for which credit is being sought	The portfolio provides evidence of reflection to increase learning aligned with the course learning outcomes for which credit is being sought	The portfolio shows that the student has reflected with substantial depth upon how the prior learning experience is aligned to the course learning outcomes for which credit is being sought	
<p>Presentation Completeness and quality of the portfolio presentation</p> <p>6 points</p>	Assembly instructions have not been followed with critical portfolio elements not included the quality of written, visual and/or digital presentation does not meet postsecondary standards	Most of the expected elements are included; the quality of written, visual and/or digital presentation does not meet postsecondary standards with too many errors in spelling, grammar and punctuation	The portfolio is well organized with all critical elements included the quality of written, visual and/or digital presentation is competent with minor errors in spelling, grammar and punctuation	The portfolio is well organized with all critical elements included learning is well documented with writing and production skills that exceed those of most college students	
Overall Graded Assessment					/35
