Mid-term and Final Exam

Mid- term (written) will be given as “take home” exams. They will be handed out from the instructor, or e-mailed as attachments. The Mid-Term will be handed in on a date to be determined, which will be at the approximate middle point of the semester. Students will have several days to obtain and take the exam. Practical part will be done in a class hour. The Final Exam will be administered as a demonstration last scheduled day of class. Students are required to personally attend or make other arrangements with the instructor to take the test. On the consideration that these exams would be given in-class on a specific class day, they will only be accepted on the date specified. No early hand-ins, mailings, or proxy hand-ins will be allowed. Since outside class assignments are allowed, and are based per hour on the number of credits / weekly class meetings, the taking of this test outside of class requires no more time than would be allotted for outside work. It also avails the students more class time dedicated to learning self-defense skills. In the case of the final, it also allows for individual skills evaluation and grading in-class.
