Course Policies and Expectations

Attendance/Participation

Attendance/Participation: It is expected that students will attend each class on time. Students will be allowed two (2) absences without penalty. Each absence afterwards will result in a 10% deduction from the total grade as shown below:

First Absence – no penalty

Second Absence – no penalty

Third Absence – 5% deduction of the final grade

Fourth Absence – 5% deduction of the final grade

Fifth Absence – 5% deduction of the final grade

Sixth Absence – Withdraw or fail the course depending on the date

Two (2) late arrivals will be equivalent to one (1) absence which will be applied to the policy stated above.

If a student arrives more than 30 minutes late, it will count as one (1) absence.

No Voicing Policy: To enhance students' language acquisition of ASL, a "no voicing" setting will be enforced. Respect the instructor and classmates by refraining from voicing

or interpreting for others. If students do not understand the instructor or classmates (or missed a portion of information), please ask the instructor for clarification. Students can ask a classmate by using signs or writing back and forth.

Students are expected to cease voicing the moment they walk into the classroom until the moment they exit the classroom. Students are also expected to continue signing until the instructor has left the room after the class session. It is expected that students will practice ASL with classmates during times they are in the classroom and the instructor is not present.

Note: If voicing becomes a persistent problem, the instructor will ask the student to leave the class for the day; this will count as an absence for the day.

Late Work

Any papers, videos, or assignments will not be accepted past due dates.

Note: Students should anticipate some technical difficulties during the semester and should, therefore, budget their time accordingly. Late work will not be accepted based on individual technical issues.
