University Catalog Course Description

Provides the history and basic foundations of Pilates including an introduction to Pilates's fundamentals, beginner Pilates exercises and their proper setup and execution; exploration of modifications for certain exercises, building blocks and the various props which may be used in the group class setting.

Course Overview:

The Introduction to Pilates course will provide a combination of lecture and activity within the framework of each class. Students will learn the history behind Pilates and the teachings of Joseph Pilates as well as the current movement of Pilates in the United States today. In addition to the history and current movements in Pilates, the course will give students an overview of the Fundamentals and Beginner classical Pilates's mat exercises. Students will also have the opportunity to experience the addition of props to the Pilates mat exercises. Students will learn how the props can be used to assist in the movement or challenge the movement. Safety considerations while performing Pilates's mat exercises will also be discussed.

Course Delivery Method

This is an activity-based course.

Learner Outcome or Objectives

This course is designed to enable students to do the following:

1. Articulate the purpose and history of Pilates based on the teachings of Joseph Pilates.
2. List and define the six principles of Pilates:
 - A) Centering
 - B) Precision
 - C) Concentration
 - D) Control
 - E) Breathing
 - F) Flowing Movement
3. Perform Pilates mat exercises and effectively demonstrate exercises in various anatomical positions (supine, prone, sitting, standing, etc.)
4. Utilize props to assist or challenge the mat Pilates workout.
5. Perform Pilates mat exercises

Course Performance Evaluation:

Students are expected to submit all assignments on time in the manner outlined by the instructor (e.g. email/hard copy)

Assignments and Examinations

Pilates Journal: Students will record a short reflection on their progress at the end of each class period. This will be an in-class assignment.

Final Exam Written: Students will be given an exam which will cover the principles taught within the lecture component of the class each day. The exam will be multiple choice.

Practical Exam: Students will be given the opportunity to demonstrate to the instructor the beginner exercise order which they were able to learn during the semester. The exercises should be presented in a manner where Pilates's principles are shown.

Article Presentation: Each student will share with the class an article or blog which they

read outside the classroom on a topic which relates to Pilates.

Attendance- Students will receive 100 points for every class attended. Students who arrive late will receive only 80 points for that day. Absences are excused only with a note from a health care provider presented immediately upon return to class or emailed to instructor before returning to class. Phone calls and emails do not excuse absences. If a student has more than one unexcused absence, his or her grade will be dropped 100 points for each absence.

Other Requirements

- Students must come to class prepared to workout. Yoga pants, bicycle style shorts, t-shirts or form fitting exercise clothing may be worn. Shoes will not be worn during class. Students may wear socks with grips to prevent sliding, but socks are not mandatory.
- Attendance is a major part of the student's grade. Students will receive 100 points for every class attended. Students who arrive late will receive only 80 points for that day. Mason is now partnered with TimelyMD to deliver **TimelyCare** – a new virtual mental health and well-being platform for students. The service provides 24/7 access to virtual care at no cost and augments the in-person and virtual mental health services that remain available to Mason students through Counseling and Psychological Services (CAPS) and Student Health Services (SHS).

How can students access **TimelyCare?**

Students can go to timelycare.com/gmu or directly download the **TimelyCare** app from the app store to register with their school email address. Students can then start visits from any web-enabled device – smartphone, tablet, laptop, or desktop – anywhere in the United States.

Who can use **TimelyCare?** Any enrolled Mason student.

What services are available?

- **Talk Now:** Unlimited on-demand mental health support 24/7, available to all Mason students throughout the world!
- **Health Coaching:** Unlimited access to health coaching, available to all Mason students throughout the world.
- **Scheduled counseling sessions:** Limited to 12 sessions per academic year, available to all Mason students throughout the United States. Students can choose the day, time, and mental health provider of their choice.
- **Psychiatry sessions:** Available to all Mason students throughout the United States by referral from CAPS, Student Health Services, or a **TimelyCare** counselor.
- **Self-Care Content:** Yoga and meditation sessions and group conversations

How much does a **TimelyCare visit cost?**

TimelyCare services are available at no cost to students.
