If you feel sick or have been in contact with someone who has tested positive for COVID-19

REMEMBER!

YOU ARE REQUIRED TO COMPLETE THE MASON COVID HEALTH√™ DAILY!

https://healthcheck.gmu.edu

STEP 1

Self-isolate/quarantine; include exposure information in Mason COVID Health√™

STEP 2

You will receive a detailed email from Mason COVID Health√™; follow the instructions completely; be sure to notify your instructors/supervisors

STEP 3

Get tested: if you have symptoms, testing can be done immediately; otherwise wait 5-7 days from contact date to get tested; update your Mason COVID Health√™

STEP 4

Positive result

STEP 5

Isolate for 10 days from test date and/or symptom onset (whichever is longer)

Negative result

Negative result + <u>NO</u> contact with positive person

Follow the guidance of your doctor

Negative result + contact with positive person

Quarantine for 14 days from last date of contact with positive person

STEP 6

Be ready to return when you have no symptoms and have completed your isolation/quarantine period

STEP 7

With GREEN Mason COVID Health√™, you may come to campus
