\*Practicum locations will be assigned by the Clinical Education Coordinator and will be located throughout the Northern Virginia Metropolitan Region.

NOTE: Our school and agency partners require Mason students to be fingerprinted and pass a criminal background check prior to practicum experiences. Students must assume the risk that due to the individual severity of notations on such a check and review by individual agencies, the program may not be able to be completed.

**Tuition Discounts for Out-of-State Graduate Students:** This is only available for graduate students in the College of Education and Human Development. An automatic 40% discount off of the regular out-of-state tuition rate will apply. This results in a reduction of more than \$1,500 for a 3-credit graduate-level course. See details at [cehd.gmu.edu/news/stories/tuition-discounts](https://cehd.gmu.edu/news/stories/tuition-discounts).

**Direct Admission for GMU Students:** Students that attain an overall 3.0 GPA and a grade of “C” or better in all prerequisite courses can receive a code to bypass the formal admissions process. An individual meeting with the MSAT program director Dr. Amanda Caswell [aalleni@gmu.edu](mailto:aalleni@gmu.edu) is required.
