

GMU Counseling Annual Program Review Meeting

Fall 2023

Reviewing Academic Year 2022-2023: Summer 2022, Fall 2022, & Spring 2023

2022-2023 APRM Overview

▶ APRM Process

- ▶ Faculty will review of results by program objective
- ▶ Faculty will identify data-drive program changes, including actions, timing, and documentation
- ▶ Our Annual Report will be developed based on this data and recommendations

School Counseling Program Outcomes: 2022-2023

- (1) The number of **graduates** for the past academic year (2022-2023) was 28.
- (2) The Virginia Department of Education (VDOE) does not require a **credentialing examination** for school counselors. All students (100%) who graduate from the school counseling program are eligible for a provisional license from VDOE upon graduation.
- (3) Data on **completion rates** show that 85% of School Counseling students completed their degree within the 6-year limit. This data is from the most recent group of students to reach the 6-year limit, those students admitted in 2017-2018.
- (4) Of the 11 respondents to our alumni survey on **job placement**, 10 (91%) reported being employed in the field of counseling.

Clinical Mental Health Counseling Program Outcomes: 2022-2023

(1) The number of **graduates** for the past academic year (2022-2023) was 27.

(2) The National Clinical Mental Health Counseling Examination (NCMHCE) is the **credentialing examination** required to be a Licensed Professional Counselor (LPC) in Virginia. The Virginia Department of Health Professions reported the following information on the George Mason University graduates who took the NCMHCE in 2021 (the latest year reported): X took the exam, X passed, and X failed (pass rate: 74%). Of the 13 respondents to our alumni survey on the **credentialing examination** 13 (100%) reported passing the NCMHCE (n=11) or NCE (n=2).

(3) Data on **completion rates** show that 75% of Clinical Mental Health Counseling (formerly Community Agency Counseling) students completed their degree within the 6-year limit. This data is from the most recent group of students to reach the 6-year limit, those students admitted in 2017-2018.

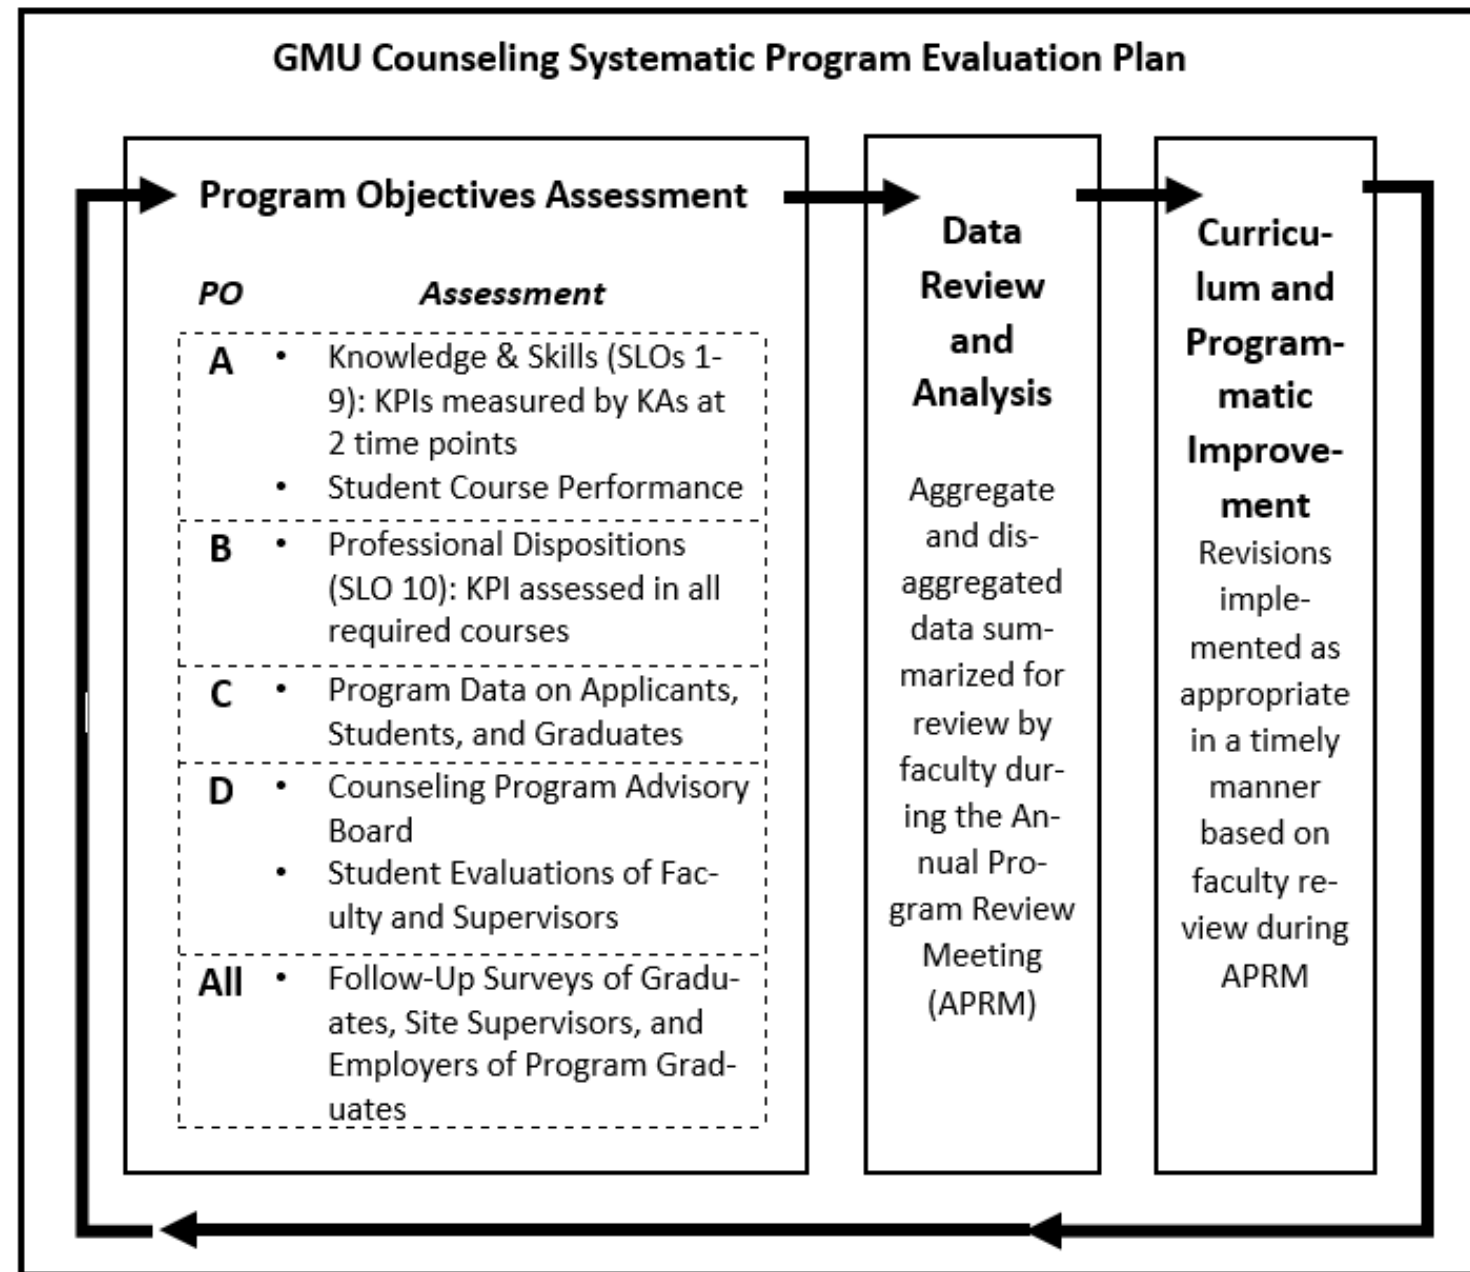

(4) Of the 19 respondents to our alumni survey on **job placement**, 19 (100%) reported being employed in the field of counseling.

Program Objective A: To equip students with the knowledge and skills to become ethical and effective counselors in a complex society with diverse populations, with a concentration on practicing either as a clinical mental health counselor or a school counselor.

Program Objective B: To prepare students with appropriate dispositions to engage in ethical, social justice focused counseling with an intersectional praxis, and to attend to growth, self-awareness, interpersonal relationships, and collaboration.

Program Objective C: To recruit, support, and retain counseling students from diverse backgrounds.

Program Objective D: To provide counseling training that is grounded in the latest knowledge in the field and is responsive to current and changing needs of the communities we serve, including attending to the intersecting identities of our clients/students within a social justice framework.

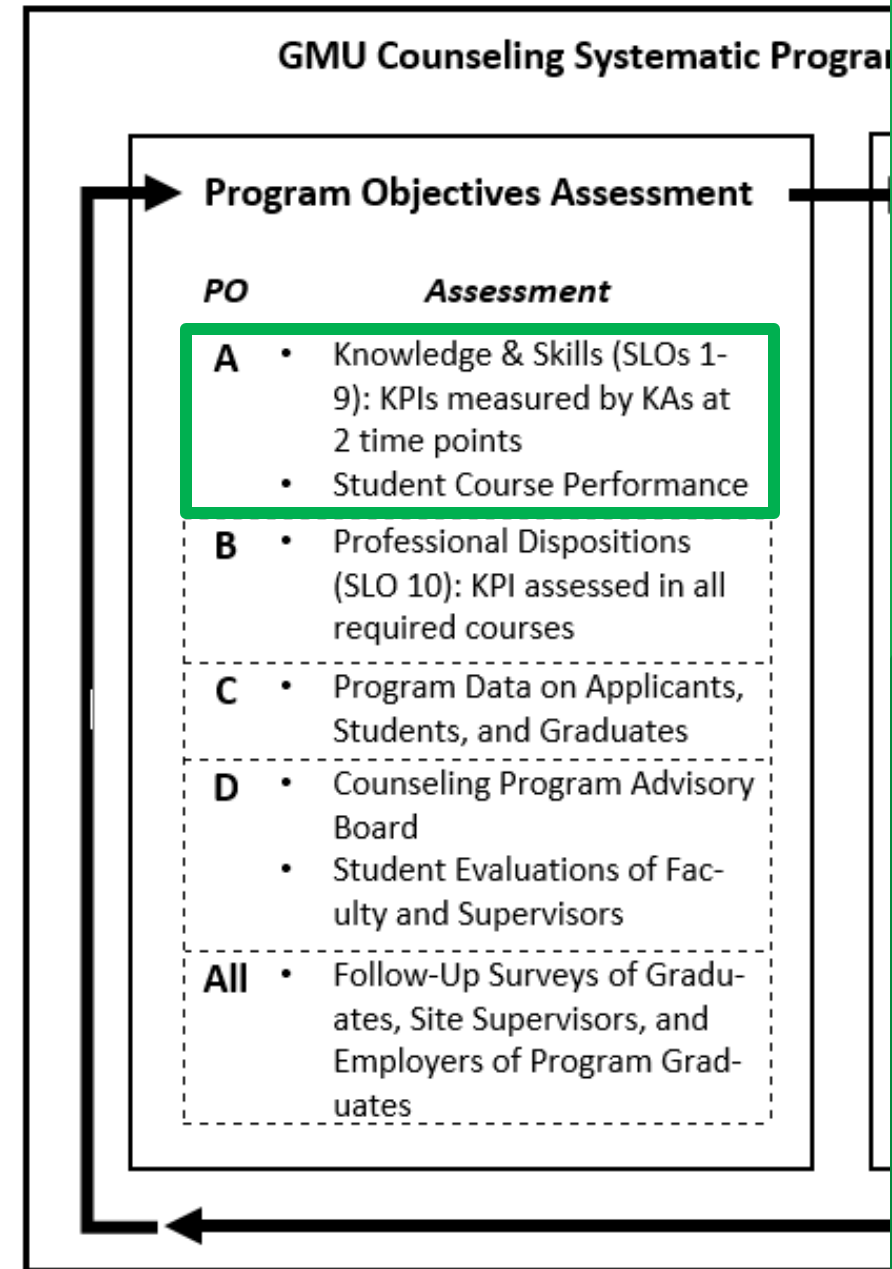

Key to abbreviations: “PO” = Program Objectives; “SLO” = Student Learning Outcome; “KPI” = Key Performance Indicator; “KA” = Key Assignment

Program Objective A: To equip students with the knowledge and skills to become ethical and effective counselors in a complex society with diverse populations, with a concentration on practicing either as a clinical mental health counselor or a school counselor

Data to be reviewed:

- Knowledge and Skills: SLOs 1-9 as measured by KPIs/KAs
 - KPI Data Tables
- Student Course Performance
 - Summary by course level

SLOs 1-9: KPI Slides Overview

Background

- ▶ The following slides provide a summary of each KPI (used to measure SLOs 1-9) by time point overall
 - ▶ For KPIs measured in VIA, data is disaggregated by program concentration, as well as gender and race/ethnicity (**internal use only**).
 - ▶ KPIs measured in Qualtrics are not disaggregated.

Findings

- ▶ Program goal: 15% or less will be “not met” for each KPI
 - ▶ Program goal is met for all KPIs overall
 - ▶ Some disparities in disaggregated data
 - ▶ Possible action step: have course lead examine assignment & course
 - ▶ Not applicable responses in group counseling questions on site sup. assessment
 - ▶ Possible action step: P&I Coord. asks Univ. sups. discuss with Site Sups.

CPAB Feedback from Summer 2023 Survey

Please provide any comments about your ratings on the Program Objectives in the prior question.

ability for students to write assessments, ISP, termination and progress notes seem not to be covered

I believe this program is very effective at training at not only counseling, but to be hyper aware of cultural impacts affecting the client in a therapeutic relationship.

CPAB Feedback from Summer 2023 Survey

What are the strengths of our graduates' preparation for the field?

excited to be in the field, willing to learn, open to suggestions from Supervisors

Commitment to and skill with advocacy, multiculturalism and social justice

Social justice oriented

Cultural humility; cognitive flexibility around theory and human experience; commitment to social justice

Cultural awareness

Basic knowledge of Counseling framework and application of theoretical counseling skills.

CPAB Feedback from Summer 2023 Survey

What are the weaknesses of our graduates' preparation for the field?

not able to write progress notes, termination, ISP, assessments

Clinical skills could be improved

Lack of preparation for specific programming and roles of school counselors

Practice applying clinical language to social justice and cultural factors in client work (being able to bridge the existing gap in social justice and clinical work, to justify interventions in current clinical language)

I believe that there could be better preparation for working with children/adolescence.

CPAB Feedback from Summer 2023 Survey

What suggestions would you make for our program?

in the diagnosis class to go over ways to write notes, etc

Assessment and skill building of school counselors clinical skills

More school counseling specific courses

Providing some practical support in practicing language justifying culturally competent/SJ interventions in coursework

I believe that some spaces aren't as safe as I would hope. I feel at times many students may feel afraid to speak their minds, if it deviates from the majority's feelings.

CPAB Feedback from Summer 2023 Survey

Do you have specific suggestions about the clinical experience component of the program (e.g., site placement location, site supervisor training, opportunities for students to demonstrate their skills)?

I believe the current schools counseling model is effective

I would have appreciated some opportunities for my site supervisor and program supervisor to speak with each other about expectations

I believe it could be beneficial to have some students shadow counseling sessions performed by staff members.

CPAB Feedback from Summer 2023 Survey

Please provide any additional comments about the GMU Counseling program.

I am delighted to contribute to you all fine faculty, theses students, and this program I love.

I think the program is doing great overall :)

Anything else you'd like to share?

- ▶ Mason's program was relevant and current
- ▶ Excellent preparation for my current position. Feel well equipped to work with diverse populations in DC area.
- ▶ The program truly made me a better person which in turn made me a better counselor. I'm eternally grateful for the opportunities this program has given me.
- ▶ I am very satisfied with my decision to obtain my degree from the GMU Counseling Program. I felt very prepared to start as a Resident in Counseling. I am now preparing for my LPC credentialing and feel confident in becoming a LPC because of its strong focus on multiculturalism, social justice and ethics. My internship through GMU was also imperative to my professional success as a Resident in Counseling focusing in working with clients with trauma histories. I felt very supported by the staff at GMU and found each course thoughtful and enriching.

Follow Up Survey of Site Supervisors: Annual Site Supervisor Survey

- ▶ Site supervisor respondents from AY 2022-2023 (Sum/Fall 22, Spr 23); n = 42
 - ▶ 23/42 respondents (55%) were also employers of GMU counseling grads

| 4.35 | 4.53 | 4.53 | 4.41 |

- ▶ **Findings.** Program goal: at least 3.0 out of 5.0; goal was met.
- ▶ Note: employer response rate was low; added an indicator on the site supervisor survey:
 - ▶ 55% of site supervisor respondents (n=23) were also employers - used this data as indicator of Employer feedback towards POs

Discussion of Program Modifications

- ▶ What assessment and/or processes should we revise?
- ▶ How do we ensure proposed changes get implemented?
- ▶ What changes to our program should we make based on the APRM data review?
- ▶ What additional program changes should we make?

CACREP 4.B. The counselor education program faculty demonstrate the use of the following to evaluate the program objectives: (1) aggregate student assessment data that address student knowledge, skills, and professional dispositions; (2) demographic and other characteristics of applicants, students, and graduates; and (3) data from systematic follow-up studies of graduates, site supervisors, and employers of program graduates.

Use table on following slide to document and ensure we are using all data

Other things that have come up...

Possible big picture goals...

- ▶ Increase skills training across the curriculum
- ▶ Revise curriculum to common core so that all students take all courses for either track
- ▶ Make curriculum more accessible, while retaining quality; consider hybrid models, residential, etc.
 - Opportunity to create "pre-master's" partnership with UMW; potentially other universities in the future (like HBCUs)
